Having a new crush may feel amazing. You look forward to seeing them and feel energetic, even euphoric when you spend time together. Depending on the scenario, there could even be a potential that the sentiments are reciprocated. When your relationship with your crush doesn't go anywhere, you could feel, well, crushed. Easy Way to Recognize Your Crush - Jessica King 2023-02-07

Do you find yourself wondering who has a crush on you? If so, don't worry, you're not alone. In fact, according to a recent study, almost half of all people have wondered this at some point in their lives. So, if you're looking for a way to figure out who has a crush on you, here are ten best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly

affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're not sure whether the person with a crush on you is serious about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea. 9. Get a love reading. If you're feeling lost or unsure about what to do, getting a love reading might be a good solution. 10. Trust your gut. If you're certain that the person with a crush on you is interested in you, go ahead and let them know. After all, it might be the best thing for both of you.
