**The Power of Body Language** - Tonya Reiman 2008-03-01

Nationally renowned body language expert Tonya Reiman illuminates what until now has been a gray area in interpersonal communication: harnessing the power of your nonverbal cues to get what you want out of every aspect of life, from professional encounters to personal relationships. Unlike other books on this fascinating topic, *The Power of Body Language* is your practical, personal playbook for getting what you desire from others -- and zoning in on what others are saying to you without words. Once you know the hidden meaning behind specific gestures, facial cues, stances, and body movements, you will possess a sixth sense that can be a life-changing, career-saving, trouble-shooting skill you will never leave home without! Learn how to: Take control of your own secret signals Gain trust -- and detect untrustworthiness Ace a job interview Shake hands (the right way) Make a dazzling first impression Exude confidence -- even when you're not feeling it Recognize if someone is lying Understand why men and women "speak" a different language Read a face to know a person's inner emotional state...and much more. In an insightful and engaging narrative, Tonya Reiman analyzes all of the components of body language -- the languages of the face, the body, space and touch, and sound. She shows you how to become a Master Communicator with The Reiman Rapport Method, a surefire system for building an instant connection with anyone, in any situation. And she shares the experiences of her clients, from executives to politicians to relationship seekers: Learn from Cindy, a confident and ambitious manager who turned her career around by altering the subconscious messages she was sending her male colleagues...and Peter, the wedding DJ whose client list blossomed as soon as he practiced the art of social smiling! Peppered with photos and fun facts, *The Power of Body Language* is as entertaining as it is instructive. Get the power to send and receive the messages you want -- and never be left in the dark again.

**Digital Body Language** - Erica Dhawan 2021-05-11

An instant Wall Street Journal Bestseller The definitive guide to communicating and connecting in a hybrid world. Email replies that show up a week later. Video chats full of "oops sorry no you go" and "can

you hear me?!" Ambiguous text-messages. Weird punctuation you can't make heads or tails of. Is it any wonder communication takes us so much time and effort to figure out? How did we lose our innate capacity to understand each other? Humans rely on body language to connect and build trust, but with most of our communication happening from behind a screen, traditional body language signals are no longer visible -- or are they? In *Digital Body Language*, Erica Dhawan, a go-to thought leader on collaboration and a passionate communication junkie, combines cutting edge research with engaging storytelling to decode the new signals and cues that have replaced traditional body language across genders, generations, and culture. In real life, we lean in, uncross our arms, smile, nod and make eye contact to show we listen and care. Online, reading carefully is the new listening. Writing clearly is the new empathy. And a phone or video call is worth a thousand emails. *Digital Body Language* will turn your daily misunderstandings into a set of collectively understood laws that foster connection, no matter the distance. Dhawan investigates a wide array of exchanges—from large conferences and video meetings to daily emails, texts, IMs, and conference calls—and offers insights and solutions to build trust and clarity to anyone in our ever changing world.

□ 55% OFF for Bookstores! NOW at \$ 29.99 instead of \$ 36.95 □ Do you want to find out the secrets of body language? Do you want to find out if you can trust that person? If you answered "YES," keep reading... Words cannot give full coverage of someone's personality traits. Body language is a kind of communication to express the info. Such behavior includes touch, body posture, gestures, eye motion, facial expressions, and distance. Body language shouldn't be confused with sign language. Sign languages are complete languages, just like spoken languages. They have their own complicated grammar systems, as well as the ability to exhibit fundamental properties that exist in most languages. Body language, in contrast, does not have a grammar program. It must be interpreted widely rather than having a complete significance corresponding with a specific motion. Once you get to know the body

movements of another person better, you can also understand what makes them unique. The more you know about a person, the better you can conclude the best strategy for persuasion. For this reason, this book includes the following topics: personality development mirroring How to Influence Anyone with Body Language How to Use the Knowledge of Non-Verbal Language in Practice? Body Language and Persuasion And much more.... Would you like to know more? Scroll up and click the "Buy Now" button!

**Summary of Harvey Augustus's How to Read Body Language** - Everest Media, 2022-05-04T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Body language is the phenomenon by which humans communicate using their body's movements. It can take many forms, and it is important to understand how it communicates meaning. #2 The core principles of reading people are rooted in the evolution of behavioral psychology. While psychology as a pure science deals with emotions and the human mind, behavioral psychology takes a deeper look at why humans act the way they do.
