

How Do You Win A Girls Heart For The First Time

Girls Made of Snow and Glass - Melissa Bashardoust 2018

At sixteen, Mina's mother is dead, her magician father is vicious, and her silent heart has never beat with love for anyone--has never beat at all, in fact, but she'd always thought that fact normal. She never guessed that her father cut out her heart and replaced it with one of glass. When she moves to Whitespring Castle and sees its king for the first time, Mina forms a plan: win the king's heart with her beauty, become queen, and finally know love. The only catch is that she'll have to become a stepmother. Fifteen-year-old Lynet looks just like her late mother, and one day she discovers why: a magician created her out of snow in the dead queen's image, at her father's order. But despite being the dead queen made flesh, Lynet would rather be like her fierce and regal stepmother, Mina. She gets her wish when her father makes Lynet queen of the southern territories, displacing Mina. Now Mina is starting to look at Lynet with something like hatred, and Lynet must decide what to do--and who to be--to win back the only mother she's ever known...or else defeat her once and for all. Entwining the stories of both Lynet and Mina in the past and present, *Girls Made of Snow and Glass* traces the relationship of two young women doomed to be rivals from the start. Only one can win all, while the other must lose everything--unless both can find a way to reshape themselves and their story.

Child Of The Jungle - Sabine Kuegler 2010-08-05

In 1980 seven-year-old Sabine Kuegler and her family went to live in a remote jungle area of West Papua among the recently discovered Fayu - a tribe untouched by modern civilisation. Her childhood was spent hunting, shooting poisonous spiders with arrows and chewing on pieces of bat-wing in place of gum. She also learns how brutal nature can be - and sees the effect of war and hatred on tribal peoples. After the death of her Fayu-brother, Ohri, Sabine decides to leave the jungle and, aged seventeen, she goes to a boarding school in Switzerland - a traumatic change for a girl who acts and feels like one of the Fayu. 'Fear is something I learnt here' she says. 'In the Lost Valley, with a lost tribe, I was happy. In the rest of the world it was I who was lost.' Here is Sabine Kuegler's remarkable true story of a childhood lived out in the Indonesian jungle, and the struggle to conform to European society that followed.

Confessions of a Happily Married Man - Joshua L. Rogers 2019-12-17

Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship. Confessions of a Happily Married Man is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom—but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.
