[Tinder Dating](#) - Bruce Miller 2020-07-08

Would you like to be more successful on Tinder(R), Happn(R) and the other dating apps

you're using? Do you want to know the secrets to match more of the beautiful girls you swipe right to? Then keep reading, as this is the exact guide for you. As you surely know, Tinder(R) has been explicitly created to approach women, this means that it is very different to text a woman on this app than doing it on Instagram(R), Facebook(R) or other social network, where women instead might only want to post pictures, be in touch with the social circle, and so on. This leads to a much bigger openness women have towards men compared to other contexts, and you can use this by immediately "hit the gas" of the seduction button. Unfortunately, for you, this does not mean that women cannot wait to end up in the bed of the first man they match with. This is mainly due to women usually have a countless pool of men to choose among (and the more beautiful the woman is, the choicer she has), therefore, they can set up very high standards before accepting to date a man. Your task is to pass this strict selection! However, do

backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your

body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective,

including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish
