Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. *How to Attract Women if You're Not That Attractive* answers everything you need to know about attracting women if you do not look like Prince Charming.

How to Pick Up Women - Matthew Manson 2019-08-21

Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover: - How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. I was the shyest kid in my school and now I can confidently approach any woman I want. If I could learn it, anyone can. If you want to break the cycle of getting rejected by beautiful women once and for all, then scroll up and Order Now!

How to Start a Conversation with Anyone - Joshua Strachan

Here's a question for you... Do your palms get sweaty, your knees weak, your arms heavy and your throat dry whenever there's an opportunity to strike up a conversation with a total stranger? Maybe it's not as

grim as I painted it above, but if you ever find yourself hesitant to talk to a stranger, then chances are that you have a social anxiety disorder (SAD). For most people, the bathroom is not just where they lather up, it's also where they have all the perfect conversations they couldn't have with strangers they meet in their daily lives. You may think... they are just strangers; it's not like they are a huge part of my life. But remember what Rodney McKuen, a best-selling American poet, singer, and actor said? "Strangers are just friends waiting to happen" This is about more than just making friends. It's about making yourself happier, more connected to your communities, mentally sharper, less lonely, and more optimistic about life. Heck, it's about life itself. Smiling at strangers is great, lending them a helping hand is greater. But you know what's even better? Having life-changing conversations with them. Grab this book today and never second guess yourself again in front of a stranger.

Nineteen Eighty-Four - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Basic Group Processes - P. B. Paulus 2012-12-06

Research on groups has been a major focus of concern among psychologists and sociologists for many years. The study of groups certainly deserves a central role in these disciplines since much of our behavior occurs in groups and many important social phenomena involve groups. Issues such as leadership, conformity, group decision-making, group task performance, and coalition formation have had a long history of research. However, recently a number of other areas of research have blossomed that provide interesting new perspectives on group processes (e.g., social impact). In addition, topics of research have developed outside the commonly accepted domain of group dynamics (e.g., self-disclosure) which seem to be concerned with rather basic group processes. Basic Group Processes was designed to bring together in one volume a representative sample of the broad range of work currently being done in the area of groups. Some of the chapters provide a review of the literature while others focus more specifically on current programs of research. All, however, provide new insights into basic group processes and a number provide broad integrative schemes. All of the authors were asked to emphasize theoretical issues rather than a detailed presentation of research. Basic Group Processes suggests that research on groups is a lively enterprise and forging interesting new theoretical and empirical directions.

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

The Way of the Superior Man - David Deida 2008-09

Deida explores the most important issues in men's lives—from career and family to women and intimacy to love and spirituality—to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom.

Eight Dates - John Gottman 2019-02-05

Strengthen and deepen your love with a fun, ingenious program of eight life-changing conversations—on essential topics such as money, sex, and trust—from two of the world's leading marriage researchers and clinicians. Navigating the challenges of long-term commitment takes effort—and it just got simpler, with this empowering, step-by-step guide to communicating about the things that matter most to you and your partner. Drawing on forty years of research from their world-famous Love Lab, Dr. John Gottman and Dr. Julie Schwartz Gottman invite couples on eight fun, easy, and profoundly rewarding dates, each one focused on a make-or-break issue: trust, conflict, sex, money, family, adventure, spirituality, and dreams.

Interactive activities and prompts provide motivation to stay open, stay curious, and, most of all, stay talking to each other. And the range—from the four skills you need for intimate conversation (including Put Into Words What You Are Feeling) to tips on being honest about your needs, while also validating your partner's own emotions—will resonate, whether you're newly together or a longtime couple looking to fortify your bond. You will discover (or rediscover) your partner like never before—and be able to realize your hopes and dreams for the love you desire and deserve.

The Charisma Myth - Olivia Fox Cabane 2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.

The Girl Who Changed My Life - Pawan Aditya

The girl who changed my life is a story of Adi, with series of events that shattered him and taught lessons in love life. Love is unfathomable. It works in its own way. It has potential to give you the happiest moments and also the saddest ones. What really matters is how you look at it. Either you rise or plunge to the abyss, depending on your attitude. Adi gets encouraged by his mother to have never-giving up attitude. And finally when he meets Kavya in his new beginning of corporate life. He mesmerized by her simple yet revolutionary thoughts. She has that potential that changes his life positively... This story takes you to the journey of Friendship, love, disappointments, compassion, inspirations and freedom. Author conveys that no matter how difficult circumstances are, best is yet to come, provided we trust ourselves, stay motivated and never get disappointed. Your love is on the way that will transform you.

We Should Get Together - Kat Vello 2020-01-04

We Should Get Together is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and

creativity, joyful. Author Kat Vello, experience designer and founder of Better Than Small Talk, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, We Should Get Together is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, We Should Get Together is the perfect book for anyone who wants to have dedicated, life-enriching friends, and who wants to be that kind of friend, too.

White Fragility - Robin DiAngelo 2019-02-07

The International Bestseller 'With clarity and compassion, DiAngelo allows us to understand racism as a practice not restricted to "bad people." In doing so, she moves our national discussions forward. This is a necessary book for all people invested in societal change' Claudia Rankine Anger. Fear. Guilt. Denial. Silence. These are the ways in which ordinary white people react when it is pointed out to them that they have done or said something that has - unintentionally - caused racial offence or hurt. After, all, a racist is the worst thing a person can be, right? But these reactions only serve to silence people of colour, who cannot give honest feedback to 'liberal' white people lest they provoke a dangerous emotional reaction. Robin DiAngelo coined the term 'White Fragility' in 2011 to describe this process and is here to show us how it serves to uphold the system of white supremacy. Using knowledge and insight gained over decades of running racial awareness workshops and working on this idea as a Professor of Whiteness Studies, she shows us how we can start having more honest conversations, listen to each other better and react to feedback with grace and humility. It is not enough to simply hold abstract progressive views and condemn the obvious racists on social media - change starts with us all at a practical, granular level, and it is time for all white people to take responsibility for relinquishing their own racial supremacy. 'By turns mordant and then inspirational, an argument that powerful forces and tragic histories stack the deck fully against racial justice alongside one that we need only to be clearer, try harder, and do better' David Roediger, Los Angeles Review of Books 'The value in White Fragility lies in its methodical, irrefutable exposure of racism in thought and action, and its call for humility and vigilance' Katy Waldman, New Yorker 'A vital, necessary, and beautiful book' Michael Eric Dyson
