The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be

learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting."

You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. Super Thinking - Gabriel Weinberg 2019-06-18

A WALL STREET JOURNAL BESTSELLER! "You can't really know anything if you just remember isolated facts. If the facts don't hang together on a latticework of theory, you don't have them in a usable form. You've got to have models in your head." - Charlie Munger, investor, vice chairman of Berkshire Hathaway The world's greatest problem-solvers, forecasters, and decision-makers all rely on a set of frameworks and shortcuts that help them cut through complexity and separate good ideas from bad ones. They're called mental models, and you can find them in dense textbooks on psychology, physics, economics, and more. Or, you can just read *Super Thinking*, a fun, illustrated guide to every mental model you could possibly need. How can mental models help you? Well, here are just a few examples... • If you've ever been overwhelmed by a to-do list that's grown too long, maybe you need the Eisenhower Decision Matrix to help you prioritize. • Use the 5 Whys model to better understand people's motivations or get to the root cause of a problem. • Before concluding that your colleague who messes up your projects is out to sabotage you, consider Hanlon's Razor for an alternative explanation. • Ever sat through a bad movie just because you paid a lot for the ticket? You might be falling prey to Sunk Cost Fallacy. • Set up Forcing Functions, like standing meeting or deadlines, to help grease the wheels for changes you want to occur. So, the next time you find yourself faced with a difficult decision or just trying to understand a complex situation, let *Super Thinking* upgrade your brain with mental models.

It Ends with Us - Colleen Hoover 2020-07-28

In this “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All*

Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

I Want to Be Where the Normal People Are - Rachel Bloom
2020-11-17

'One of the funniest books of the year' - Guardian A collection of hilarious personal essays, poems and even amusement park maps on the subjects of insecurity, fame, anxiety, and much more from the charming and wickedly funny creator of *Crazy Ex-Girlfriend*. "It's nice to know someone as talented as Rachel is also pretty weird. If you're like me and love Rachel Bloom, this hilarious, personal book will make you love her even more." - Mindy Kaling "Rachel is one of the funniest, bravest people of our generation and this book blew me away." - Amy Schumer Rachel Bloom has felt abnormal and out of place her whole life. In this exploration of what she thinks makes her 'different', she's come to realise that a lot of people also feel this way; even people who she otherwise thought were 'normal'. In a collection of laugh-out-loud funny essays, all

told in the unique voice (sometimes singing voice) that made her a star, Rachel writes about everything from her love of Disney, OCD and depression, weirdness, and female friendships to the story of how she didn't poop in the toilet until she was four years old. It's a hilarious, smart, and infinitely relatable collection (except for the pooping thing). Readers love *I Want to Be Where the Normal People Are* 'I adore *Crazy Ex-Girlfriend* and this book was exactly what I needed it to be. Would highly recommend.' 5* 'Rachel's voice is loud and clear from the first lines of the book. I've been missing it since *Crazy Ex-Girlfriend* . . . this time she's talking right to me, in my head, and it is like being part of this newfound Friendtopia.' 5* 'Heartfelt. Honest. Genuine. And funny as hell . . . Rachel writes about the things that could have broken her, but didn't, in a very funny and raw way, and she doesn't hold back.' 5* '*Crazy Ex-Girlfriend* is a hilarious and honest show which does not hold back when confronting the truth of sex, love, mental illness and life. This same comedic and chaotic energy is channelled in Bloom's wonderful book which I would highly recommend, whether you are a previous fan of hers or not.' 5*
