Mr. Unavailable and the Fallback Girl - Natalie Lue 2011

Are you the Fallback Girl? If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. Mr Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site BaggageReclaim.com, Mr Unavailable and the Fallback Girl is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. Emotionally Unavailable Father - Alyson Jodene 2016-12-29

You look around the house and everything seems foreign. Without love, it feels like you are on somebody else's turf. Like you are just a visitor eventually your time will come to leave. At least that's what it felt like for me. I felt like I was continually a broken version of whatever I was supposed to be. I couldn't figure out if it was my looks, or my school grades, or maybe because I didn't play sports like my brothers. I looked for an answer everywhere to try and explain why Dad just didn't do anything with me. I'm writing this now to you, regardless of whether you are a man or a woman, to tell you that you no longer need to let somebody that is emotionally unavailable continue to control your own emotional wellbeing. There is a way. It wasn't easy for me, but I certainly poured many hours, and a lot of money out to counselors, as I tried to make my way through the source of why I was having so many personal problems. I am happy to say that I have never been filled with so much light and levity as I am now. My days are filled with joy, abundance, and contentment. Sure, there are still times that I start to begin to wallow in my druthers. But that's exactly when I remember to follow my own advice. In this book, I will walk you through it.

The Emotionally Unavailable Man - Can he fall in love with you?"The day I met Enes, he told me he was happily single. I smiled and told him, so was I. In her first book, Love and . . . , Jen Kim turns to science to make sense of why, after three decades, she hasn't been able to find lasting love. She puts a lens to the destructive pathology of her relationships, including her current long-term relationship with a partner who "just isn't ready" for the next level . . . and, honestly, may never be. Will they or won't they end up together? You'll learn the prognosis by the final page. Love and . . . is a relationship self-help book that doesn't want you to change, mostly because a) it's really hard to change, and b) you probably don't want to. Why do women stop being romantic when they get into relationships? -

TJ Clemons

This is something that I have really been noticing over the past few years. I have no problem with the concept of a serious relationship but I do need a reason to fully commit and be with one woman and settle down. I'm pretty sure a lot of men feel exactly like I do on some level. Why put any effort into a boring or otherwise detached union with a member of the opposite sex when a better situation is out there and I'm still searching for something or someone better to come along? It may be a sign of the times. I hear this same comment for women all the time: They say that the guy that she is dating has no time for her and then you find out the reason why is because he is always at work. This is a part of growing up. Somebody has to be employed in order for the household bills to get paid. They seem to be more interested in the type of guy who lives off her and various other women. They will often chase an emotionally unavailable male suitor who has no interest in being with her. Then they complain that they cannot find a good man. And when they do find a man who adores her and the ground that she walks her she will treat him like a second class citizen. This may have something to do with their biological impulse to procreate with one of those alpha males who spread their seed without thinking about any consequences or future outcomes. It is all fun and games until children get introduced into this scenario. Then they end up fighting like hens for this irresponsible rooster's attention. Many members of the female gender will disagree with my assertions but it is obvious to the others around them. I have also observed the relationship dynamics of many women involved with good responsible men. Many of these women put little or no romantic effort into their relations with them unless another female notices his good qualities. Then they will fight to keep him when she should have been putting more interest in her affiliation with him. This is exactly how men get entangled with a side chick or mistress. Women get too comfortable instead of putting more interest in their relationship or marriages. They will deny that this is going on in the first place. I see it all the time. I'm basically saying that if you love the man you are with show him some extra affection sometimes. Cook him a special meal. Show him some romantic interest sometimes. Continue to build on your situation and make it better. The reason for being together is to grow as a couple and endure every aspect of life as a loving unit. We all get caught up in the demands of everyday life but if you are sharing your life with someone special show them that you care. Show them the love you have for them while you build a future together.

Why Men Pull Away - Tatiana Busan 2023-02-04

Men affirm to be naturally simple creatures, but sometimes they turn to be very cunning with women. They are masters of hypocrisy: they can send a sweet message and disappear after for a long time.
