**Authentic AF - Taylor Ahlstrom 2022-10-11**

A hilarious, vulnerable, and unapologetic approach to happiness, insecurity, courage, growth—and just being a human on planet earth. Look around at your life. Do you like it? Are you happy? And I don't mean "sure, everything's okay" happy. I mean kid on a

rollercoaster happy. The kind of happiness that spreads through your whole body and explodes into pure, unadulterated joy. How many parts of your life make you that happy? If you've been following all the rules of who you're supposed to be—like so many of us have—chances are your life isn't filled with that rollercoaster ride of joy. But it can be. And finding that happiness is simple: start doing the things you want to do. Start living the life you want and being the person you were born to be. This is a book about finding and embracing that person: that wonderful, unique, authentic you. It's about giving fewer f\*cks about the things that don't really matter and focusing on the things that do. It's about doing all the things you always wanted to do but didn't because you were too scared of change or failure or what other people might think. This is a guide to getting rid of those fears. It's a guide to coming to terms with how you got to where you are and writing a new future for who

you want to be. It's a guide to getting your ticket to that rollercoaster ride of joy. And the best part is, it's never too late.

**The Guyde** - Howie Reith  
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you

about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The

first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be

everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**MIXED NUTS** - Rick Cormier  
2016-04-21

"Highly irreverent, but filled with wisdom and infused with deep caring, Mixed Nuts is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

### **The Easiest Way to Meet and Pick Up Girls-Ever!! -**

Dusty White 2006-07-27

As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another

hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight-without having to spend any money. Anyone can do this. You will approach women any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you-and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach

attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

*Consider Me* - Becca Mack  
2023-11-06

In the ice-hockey romance that has taken TikTok by storm, the ultimate player turns romantic in order to win over the woman he is desperate to be with.

Carter Beckett is the NHL's best player - both on and off the ice. His career is at its peak, his team is performing better than ever, and there's no shortage of women to spend the night with. What more could he want? Olivia Parker isn't new to professional hockey players, thanks to her best friend's boyfriend, but she has no interest in dating one herself - no matter how hot he is. And anyway, she loves

working as a teacher and hanging out with her best friend, drama-free. Why would she want to spend her time stroking the ego of an arrogant athlete? But once Carter meets Olivia, he can't think of anyone else. Too bad for him, Olivia is hell-bent on keeping him at arm's length, with no intention of giving into his charms.

Perhaps it's time for Carter to up his game ... after all, nobody ever said he had to play fair. Sparks will fly as Carter does whatever it takes for Olivia to consider him.
