But when their two agencies merge—causing the pair to vie for the same position—all bets are off. What could have been a beautiful, blossoming romance turns into an all-out war of sabotage. Carter and Evie are both thirtysomething professionals—so why can't they act like it? Can Carter stop trying to please everyone and see how their mutual boss is really playing the game? It Ends with Us Colleen Hoover 2020-07-28 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

Love in the Time of Serial Killers Alicia Thompson 2023-03-30 'Unique, sexy, hilarious, charming... The true crime is NOT reading this novel!' Ali Hazelwood, author of *The Love Hypothesis* 'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of *The Ex Talk* -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analysing the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart. What readers are saying about *Love in the Time of Serial Killers*: 'Do you know when you disappear into a book? You, your surroundings, everything, ceases to exist? This book was that for me' ☺☺☺☺ 'The cover is gorgeous, and the inside is fun, witty, relatable and so entirely sweet' ☺☺☺☺ 'This was such an enjoyable read. I really loved the depths given to Phoebe, the way she created walls around herself, the themes were developed

organically and believably' □ □ □ □ 'Phoebe is one of the best female protagonists I've read in a long time' □ □ □ □ 'The whole thing made me laugh out loud and smile like an idiot sooo often' □ □ □ □ 'The book was witty and fun, but also thought out and honest' □ □ □ □

What Women Want When They Test Men Bruce Bryans 2015-08-13 Discover What Women Want in a Man and How They Secretly Test You For it If you pay close enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships. Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process. *How to Understand Women and Pass Their Tests With Unshakeable Confidence* Men around the world have no idea that the women they know and love are testing them. These men go about their lives interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing. If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled - the more mysterious side of female psychology and how women think. *Attract Women Through Authenticity and Be the Strong Man a Woman Wants For a Relationship* It's important for a man to learn how to walk that thin line between caring, thoughtful lover and firm, assertive leader. The man who masters the art of being the perfect gentleman and a strong alpha male is the ideal specimen to a high-quality woman. This is what you're going to learn in this book. So if you're dating or in a relationship and women constantly create drama, lose interest in you, or manipulate you, it's time you finally got some advice from one of the only relationship books for men that won't turn you into a doormat. Here's what you're going to learn inside: How to be radically honest with a woman and why this makes her MORE attracted to you. The reason why women test men CONSISTENTLY and how to use this knowledge to deepen a woman's desire. (Hint: This is the key to female psychology and how women think.) How to be confident with difficult women. What women want in a man and how to give it to them. How to make a woman happy without becoming a complete doormat of a man. How to seduce your wife and get her in the mood by responding like a MAN whenever she "pokes the bear." How to be firm and say "No" to the woman you love without destroying intimacy. How to keep a woman interested in you by doing the ONE thing MOST men are deathly afraid of doing. How to avoid unnecessary arguments, fights, and drama with a woman by using a simple communication technique. The best way to secretly test a woman's level of romantic interest in you (as well as her emotional maturity) before making a long-term commitment. How to stop living in fear of what a woman might think, say, or do if she disagrees with or disapproves of you in any way. And much, much more... Would You Like to Know More? Get started right away and learn how to become the attractive man that has zero difficulty keeping a woman's respect, desire, and unwavering support. Get Over Yourself! Patti Novak 2008-12-30 True love doesn’t just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won’t mean a thing if you don’t feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what’s not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do’s and don’ts of the first date, the second date, and beyond. Remember, it’s not a job interview or therapy session. Pretend you’re meeting a new friend, not a prospective husband or wife. Finding your one and only isn’t about having the right shoes or a flat stomach. It’s about being true to yourself, being vulnerable, and being ready for love. Whether you’re new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you’ve always wanted and deserve.

So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving a F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald* "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" *Huffington Post*

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

The Love Hypothesis Ali Hazelwood 2021-09-14 The Instant *New York Times* Bestseller and TikTok Sensation! As seen on *THE VIEW!* A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

The perfect addition to any rom-com lover's shelf." —Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* Nisha Sharma's new romantic comedy features enemies to lovers, a cast of best friends, and a gaggle of aunties determined to make a match. Hi! I'm Kareena Mann. As cheesy as it sounds, I'm looking for my soulmate. In four months. And he must gain the approval of my meddling aunties. Kareena dreams of having a perfect love story like her parents did. That's why on the morning of her thirtieth birthday, she's decided to suit up and enter the dating arena. If she can find her soulmate by the date of the party, he'll gift her the house, and she'll be able to keep her mother's legacy alive. Hi, I'm Dr. Prem Verma, host of the Dr. Dil Show. Prem means love, Dil means heart, and I'm a cardiologist. Don't let my name fool you. I only fix broken hearts in the literal sense. Prem doesn't have time for romance, which is why it's no surprise when his first meeting with Kareena goes awry. Their second encounter is worse when their on-air debate about love goes viral. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Even though they have warring interests, the more time Prem spends with Kareena, the more he thinks she's might actually be the woman he wants to spend the rest of his life with. In this *Taming of the Shrew* re-imagination, for Prem and Kareena to find their happily ever after, they must admit that hate has turned into fate. The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
