**Red Dead Redemption** - John Wills 2023-03-30

While the Western was dying a slow death across the cultural landscape, it was blazing back to life as a video game in the early twenty-first century. Rockstar Games' Red Dead franchise, beginning with Red Dead Revolver in 2004, has grown into one of the most critically acclaimed video game franchises of the twenty-first century. Red Dead Redemption: History, Myth, and Violence in the Video Game West offers a critical, interdisciplinary look at this cultural phenomenon at the intersection of game studies and American history. Drawing on game studies, western history, American studies, and cultural studies, the authors train a wide-ranging, deeply informed analytic perspective on the Red Dead franchise—from its earliest incarnation to the latest, Red Dead Redemption 2 (2018). Their intersecting chapters put the series in the context of American history, culture, and contemporary media, with inquiries into issues of authenticity, realism, the meaning of play and commercial promotion, and the relationship between the game and the wider cultural iterations of the classic Western. The contributors also delve into the role the series' development has played in recent debates around working conditions in the gaming industry and gaming culture. In its redeployment and reinvention of the Western's myth and memes, the Red Dead franchise speaks to broader aspects of American culture—the hold of the frontier myth and the "Wild West" over the popular imagination, the role of gun culture in society, depictions of gender and ethnicity in mass media, and the increasing allure of digital escapism—all of which come in for scrutiny here, making this volume a vital, sweeping, and deeply revealing cultural intervention.

**A Good Girl's Guide to Murder (A Good Girl's Guide to Murder, Book 1)** - Holly Jackson 2019-05-02

The New York Times No.1 bestselling YA crime thriller that everyone is talking about. Soon to be a major BBC series! THE WINNER OF THE BRITISH BOOK AWARD'S CHILDREN'S BOOK OF THE YEAR 2020 SHORTLISTED FOR THE WATERSTONES CHILDREN'S BOOK PRIZE 2020

**Broken Girls** - Joy Kluver 2021-07-27

Brambles catch her dress, scratch her legs, pierce her feet. To escape, she'd had no option but to go barefoot. They'd been laughing together a few minutes before, but things can change in the blink of an eye... The woman is dark-haired and young, judging by the short red dress. Any other signs of her identity have been erased during her long wait to be found, but it's clear she was strangled: this was a passionate and personal murder. D.I. Bernadette Noel knows that every second counts if she is to catch this killer, but she has no leads - until the discovery that the dead woman's rings match a stolen property report, and the rings' owner mentions Rosa, her missing nanny. Just when Bernie and her team think they're getting somewhere, a shocking discovery about Rosa - and the news that another young girl has been abducted - changes everything the team thought they knew about the case. Laura is only twelve, and her parents are beside themselves with worry - but Bernie has an additional fear. Laura's home is right next to the woods where their murder victim was found: are the cases connected? When Bernie notices similarities between descriptions of the man last seen with Rosa and someone Laura was messaging online, these fears grow stronger. But they still have no clear leads as to the identity of the culprit. With few options left, and time running out, she makes a desperate plan to

trap the predator. But any mistakes will mean another innocent life lost...

A gripping crime thriller with a nail-biting climax. If you like Angela Marsons, Val McDermid or Cara Hunter, you'll love Joy Kluver. Readers can't get enough of Joy Kluver: 'Wow!! Just wow!!... This book is brilliant! More than brilliant, amazing!!!... Absolutely gripping, addictive and captivating... I was absolutely hooked from the first page to the last. I had a complete shock at the twists... Love, love, loved all the characters!!!... I would love to see this made into a movie.' Bookworm86 [★★★★](#) 'I read it in a few greedy gulps...It gets a very easy five stars from me... gave me goosebumps as I was reading it... If you haven't yet started this series, then you really need to. Top stuff!' Hooked From Page One [★★★★](#) 'More red herrings than an Agatha Christie... will have you burning the midnight oil... When the killer was identified my jaw hit the floor. I couldn't have been more shocked if the perpetrator had been Bernie herself.' Goodreads reviewer [★★★★](#) 'That ending! Talk about a twist you won't see coming!... This is such an addictive series... I don't know how I'm going to make it until the next one comes out!' Goodreads reviewer [★★★★](#) 'Impossible to put down. I downloaded it this Monday morning, and by evening, I had finished. The rollercoaster was intense, the twists and turns unexpected, and the element of surprise insane... gripping read.' Goodreads reviewer [★★★★](#) 'Twisted, intense and heartbreaking... Once you start this book you just can't put it down! Out of all the books that I have read this year none of them shocked me as much. There was one twist that I literally was yelling and screaming at the character!!!' Heidi Lynn's Book Reviews [★★★★](#) 'I am blown away by this book, the twists and turns are mind-boggling!... BRILLIANT... If I could I would give it more than 5 stars.' Goodreads reviewer [★★★★](#) 'Brilliant... had me eagerly turning the pages as I not only wanted to know more about the crime but also about the investigating team... I adored this... A story that takes a dark turn, has several surprises and kept me on my toes.' Vonnibee [★★★★](#)

*Rip Van Winkle and The Legend of Sleepy Hollow* - Washington Irving 1893

**Crime, Punishment, and Video Games** - Kristine Levan 2022-11-22  
Moving beyond discussions of potential linkages between violence and video games, Crime, Punishment, and Video Games examines a broad range of issues related to the representation of crime and deviance within video games and the video game subculture. The context of justice is discussed with respect to traditional criminal justice agencies, but also expanded throughout to include issues related to social justice. The text also presents the potential cultural, social, and economic impact of video games. Considering the significant number of video game players, from casual to competitive players, these issues have become even more salient in recent years. Regardless of whether someone considers themselves a gamer, video games are undoubtedly relevant to modern society, and this text discusses how the shift in gaming has impacted our perceptions of deviance, crime, and justice. The authors explore past, present and future manifestations of these connections, considering how the game industry, policy makers, and researchers can work toward a better understanding of how and why video games are an important area of study for criminologists and sociologists, and how games will present new promises and challenges in the years to come.

**Atlas of Imagined Places** - Matt Brown 2021-09-28

WINNER, Edward Stanford Travel Writing Awards 2022: Illustrated Travel Book of the Year. HIGHLY COMMENDED, British Cartographic Society Awards 2022. From Stephen King's Salem's Lot to the superhero land of Wakanda, from Lilliput of Gulliver's Travels to Springfield in The Simpsons, this is a wondrous atlas of imagined places around the world. Locations from film, tv, literature, myths, comics and video games are plotted in a series of beautiful vintage-looking maps. The maps feature fictional buildings, towns, cities and countries plus mountains and rivers, oceans and seas. Ever wondered where the Bates Motel was based? Or Bedford Falls in It's a Wonderful Life? The authors have taken years to research the likely geography of thousands of popular culture locations that have become almost real to us. Sometimes these are easy to work out, but other times a bit of detective work is needed and the authors have been those detectives. By looking at the maps, you'll find that the revolution at Animal Farm happened next to Winnie the Pooh's home. Each location has an extended index entry plus coordinates so you can find it on the maps. Illuminating essays accompanying the maps give a great insight into the stories behind the imaginary places, from Harry Potter's wizardry to Stone Age Bedrock in the Flintstones. A stunning map collection of invented geography and topography drawn from the world's imagination. Fascinating and beautiful, this is an essential book for any popular culture fan and map enthusiast.

The Girl With All The Gifts - M. R. Carey 2014-01-14

'ORIGINAL, THRILLING AND POWERFUL' - Guardian 'HAUNTING, HEARTBREAKING' - Vogue The phenomenal word-of-mouth bestseller that is now a BAFTA Award-nominated movie NOT EVERY GIFT IS A BLESSING Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant Parks keeps his gun pointing at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite. But they don't laugh.

Melanie is a very special girl. Emotionally charged and gripping from beginning to end, THE GIRL WITH ALL THE GIFTS is the most powerful and affecting thriller you will read this year. 'A great read that takes hold of you and doesn't let go' - John Ajvide Lindqvist, author of LET THE RIGHT ONE IN \*Return to the world of THE GIRL WITH ALL THE GIFTS in M. R. Carey's stunning new novel THE BOY ON THE BRIDGE - out now!\*

**Ash Park Series Boxed Set #2: Three Hardboiled Crime Thrillers** - Meghan O'Flynn 2020-04-13

Immersive, disturbing, and evocative, the Ash Park series by bestselling author Meghan O'Flynn will keep you on the edge of your seat. If you like Criminal Minds, Sharp Objects, or Dexter, you'll love these hardboiled crime thrillers. Detective Petrosky is back in the second Ash Park bundle: Hidden, Redemption, and Salvation. HIDDEN: After an elderly woman is murdered, detective Edward Petrosky must piece together the baffling clues — but the discovery of a new victim points toward the return of a ruthless killer from his past. Detective Petrosky must risk everything he holds sacred to track the most sadistic killer Ash Park has ever seen, a man whose thirst for carnage extends far beyond mere bloodletting. But saving innocent lives will require an unbearable sacrifice. One from which he may never recover. REDEMPTION: For five long years, Detective Petrosky has been haunted with guilt over losing a woman he swore to protect to the clutches of a serial killer. But with his own daughter's murderer still out there, tracking down the sadistic culprit could finally bring redemption. And when Petrosky goes, he's taking that bastard with him. SALVATION: Edward Petrosky joined the Ash Park police force with two goals in mind: escape the military and silence the demons that followed him home from the war. But when he stumbles across the body of his fiancée in the snow, he can tell that there are inconsistencies in her case even through his fog of grief. And when another body turns up, Ed realizes that Heather's death is far from an isolated incident.... "Creepy and haunting...fully immersive thrillers."

~New York Times Bestselling Author Andra Watkins "Riveting, horrifying, and wickedly entertaining, O'Flynn's Ash Park series will take your mind prisoner. This series will keep you awake far into the morning hours." ~Bestselling Author Kristen Mae "Smart, grisly, and unflinching...don't forget to breathe." ~Award-winning Author Beth Teliho \*\*\* KEYWORDS: crime thriller boxed set, hard boiled detective boxed set, hardboard box set, detective series, serial killer series, vigilante justice, dark crime, serial killer, kidnapping, revenge, vengeance, hardboiled, mystery suspense thriller series, hard-boiled mysteries, female protagonist, pulp, murder, female lawyer protagonist, noir, noir thriller, crime noir, hard-boiled mystery, police procedural, mystery series, crime, noir, gritty detective novels, dark and suspenseful, psychological thrillers, serial killers, crime thrillers, crime fiction, hard

boiled detective, hardboiled detective fiction, hard boiled noir, hard boiled crime, gritty mysteries, mystery series books, psychological thrillers, psychological suspense, psychological thriller books, noir, pulp, nail biter mysteries, wise cracking detective, detective partners, crime fiction, urban murder mystery, serial killer thriller, female protagonist, whodunit, whodunnit, nail-biter, intense mystery, suspense fiction, psychological domestic suspense, family drama, police stories Manifest Destiny 2.0 - Sara Humphreys 2021-02

At a time when print and film have shown the classic Western and noir genres to be racist, heteronormative, and neocolonial, Sara Humphreys's Manifest Destiny 2.0 asks why these genres endure so prolifically in the video game market. While video games provide a radically new and exciting medium for storytelling, most game narratives do not offer fresh ways of understanding the world. Video games with complex storylines are based on enduring American literary genres that disseminate problematic ideologies, quelling cultural anxieties over economic, racial, and gender inequality through the institutional acceptance and performance of Anglo cultural, racial, and economic superiority. Although game critics and scholars recognize how genres structure games and gameplay, the concept of genre continues to be viewed as a largely invisible power, subordinate to the computational processes of programming, graphics, and the making of a multimillion-dollar best seller. Investigating the social and cultural implications of the Western and noir genres in video games through two case studies--the best-selling games Red Dead Redemption (2010) and L.A. Noire (2011)--Humphreys demonstrates how the frontier myth continues to circulate exceptionalist versions of the United States. Video games spread the neoliberal and neocolonial ideologies of the genres even as they create a new form of performative literacy that intensifies the genres well beyond their originating historical contexts. Manifest Destiny 2.0 joins the growing body of scholarship dedicated to the historical, theoretical, critical, and cultural analysis of video games.

**The Crow Girl** - Erik Axl Sund 2016-04-14

The international thriller sensation It starts with just one body - the hands bound, the skin covered in marks. Detective Superintendent Jeanette Kihlberg is determined to find out who is responsible, despite opposition from her superiors. When two more bodies are discovered, it becomes clear that she is hunting a serial killer. With her career on the line, Kihlberg turns to psychotherapist Sofia Zetterlund. Together, they expose a chain of shocking events that began decades ago - but will it lead them to the murderer before someone else dies? 'A compulsive page-turner' Sunday Express 'Compelling... we are left gasping for breath' Daily Mail 'There's a fantastic twist... the pace of its revelations is relentless' Observer

Playing Video Games - Peter Vorderer 2012-10-12

From security training simulations to war games to role-playing games, to sports games to gambling, playing video games has become a social phenomena, and the increasing number of players that cross gender, culture, and age is on a dramatic upward trajectory. Playing Video Games: Motives, Responses, and Consequences integrates communication, psychology, and technology to examine the psychological and mediated aspects of playing video games. It is the first volume to delve deeply into these aspects of computer game play. It fits squarely into the media psychology arm of entertainment studies, the next big wave in media studies. The book targets one of the most popular and pervasive media in modern times, and it will serve to define the area of study and provide a theoretical spine for future research. This unique and timely volume will appeal to scholars, researchers, and graduate students in media studies and mass communication, psychology, and marketing.

**Living with Disfigurement in Early Medieval Europe** - Patricia Skinner 2016-12-21

This book is open access under a CC-BY 4.0 license. This book examines social and medical responses to the disfigured face in early medieval Europe, arguing that the study of head and facial injuries can offer a new contribution to the history of early medieval medicine and culture, as well as exploring the language of violence and social interactions. Despite the prevalence of warfare and conflict in early medieval society, and a veritable industry of medieval historians studying it, there has in fact been very little attention paid to the subject of head wounds and facial damage in the course of war and/or punitive justice. The impact of acquired disfigurement—for the individual, and for her or his family and community—is barely registered, and only recently has there been any attempt to explore the question of how damaged tissue and bone might be treated medically or surgically. In the wake of new work on disability

and the emotions in the medieval period, this study documents how acquired disfigurement is recorded across different geographical and chronological contexts in the period.

**A Ruined Girl** - Kate Simants 2020-08-27

'A tense, unsettling and emotionally engaging whydunnit' - SOPHIE HANNAH 'Gritty, tense, and superbly plotted' - HARRIET TYCE TWO BOYS LOVED HER. BUT WHICH ONE KILLED HER? On a dark night two years ago, teenagers Rob and Paige broke into a house. They beat and traumatised the occupants, then left, taking only a bracelet. No one knows why, not even Luke, Rob's younger brother and Paige's confidant. Paige disappeared after that night. And having spent her life in children's homes and the foster system, no one cared enough to look for her. Now Rob is out of prison, and probation officer Wren Reynolds has been tasked with his rehabilitation. But Wren has her own reasons for taking on Rob as a client. Convinced that Rob knows what happened to Paige, and hiding a lifetime of secrets from her heavily pregnant wife, Wren's obsession with finding a missing girl may tear her family apart... This compelling and unputdownable thriller about the forgotten children of the foster system is perfect for readers of Harriet Tyce, Sophie Hannah and Lisa Jewell. 'Immersive and compelling, authentic and raw' - S.E. LYNES 'Superb. A rare combination of stunning twists and exceptional prose' - DAVID JACKSON 'A mesmerising tale. One of the rising stars of crime fiction' - TREVOR WOOD

Red Dead Redemption 2 - Piggyback 2018-10-26

*Handbook on Interactive Storytelling* - Jouni Smed 2021-07-13

HANDBOOK ON INTERACTIVE STORYTELLING Discover the latest research on crafting compelling narratives in interactive entertainment Electronic games are no longer considered "mere fluff" alongside the "real" forms of entertainment, like film, music, and television. Instead, many games have evolved into an art form in their own right, including carefully constructed stories and engaging narratives enjoyed by millions of people around the world. In *Handbook on Interactive Storytelling*, readers will find a comprehensive discussion of the latest research covering the creation of interactive narratives that allow users to experience a dramatically compelling story that responds directly to their actions and choices. Systematically organized, with extensive bibliographies and academic exercises included in each chapter, the book offers readers new perspectives on existing research and fresh avenues ripe for further study. In-depth case studies explore the challenges involved in crafting a narrative that comprises one of the main features of the gaming experience, regardless of the technical aspects of a game's production. Readers will also enjoy: A thorough introduction to interactive storytelling, including discussions of narrative, plot, story, interaction, and a history of the phenomenon, from improvisational theory to role-playing games A rigorous discussion of the background of storytelling, from Aristotle's Poetics to Joseph Campbell and the hero's journey Compelling explorations of different perspectives in the interactive storytelling space, including different platforms, designers, and interactors, as well as an explanation of storyworlds Perfect for game designers, developers, game and narrative researchers, academics, undergraduate and graduate students studying storytelling, game design, gamification, and multimedia systems, *Handbook on Interactive Storytelling* is an indispensable resource for anyone interested in the deployment of compelling narratives in an interactive context.

*The Girl in the Gatehouse* - Julie Klassen 2011-01-01

Miss Mariah Aubrey, banished after a scandal, hides herself away in a long-abandoned gatehouse on the far edge of a distant relative's estate. There, she supports herself and her loyal servant the only way she knows how--by writing novels in secret. Captain Matthew Bryant, returning to England successful and wealthy after the Napoleonic wars, leases an impressive estate from a cash-poor nobleman, determined to show the society beauty who once rejected him what a colossal mistake she made. When he discovers an old gatehouse on the property, he is immediately intrigued by its striking young inhabitant and sets out to uncover her identity, and her past. But the more he learns about her, the more he realizes he must distance himself. Falling in love with an outcast would ruin his well-laid plans. The old gatehouse holds secrets of its own. Can Mariah and Captain Bryant uncover them before the cunning heir to the estate buries them forever?

A Girl Called Love - Louise Lee 2016-07-28

A Girl Called Love was previously published as *The Last Honeytrap*. If Eleanor Oliphant was your favourite or *Hot Mess* made you howl with laughter, Florence Love will be your new best friend. 'A funny, sassy page-turning debut' Jenny Colgan Scott 'Scat' Delaney is a world famous jazz singer. He has ample opportunity to stray and his girlfriend, Alice, needs to know she can trust him. Step up Florence Love, Private Investigator. Florence has just ten days to entrap an A-Lister. Whilst sticking to her cardinal rule: One kiss, with tongues, five seconds - case closed. A master of body language, evolutionary science and nifty disguises, her approach is unconventional, her success rate excellent. But targets are rarely as beautiful as Scat. Never fall for the target. That is very bad form indeed. A Girl Called Love marks the energetic launch of a brilliant new series. Once you've met Florence Love, you'll see the world in glorious technicolour at last. Readers LOVE the Florence Love series 'Funny, sassy and very clever' 'Read this on holiday with my best friend. Had us both in stitches' 'So many memorable moments... you will laugh, cry and ultimately fall in love with Florence Love'

Red Dead Redemption 2 Guide Book Notebook - Regina Graves 2021-04-26

There are five darling dolls for babies, toddlers, and school children. Many fun characters have sprung to life to bring the little loves in your life an abundance of stories, adventures, and of course comforting hugs. With this book in one hand and a crochet hook in the other, you'll be able to make the most charming companions in no time. You'll surely fall in love with the wide array of details, the cute color combinations, and the loving expressions in these toys. Each project is presented as a mini story to bring your crochet doll to life with a whole heap of extras to complete each scene, including: At the Beach with a bucket, paddling pool and air bed, Good Night! with bed linen, a pillow and cuddly teddy for sweet dreams! At the North Pole with a camera, penguin and a fish! The cute mini suitcase pattern is perfect for storing all your doll's belongings and doubles up as a bed too! Create the doll of your dreams for a little girl you love or the little girl inside!

**Rockstar Games and American History** - Esther Wright 2022-08-22

For two decades, Rockstar Games have been making games that interrogate and represent the idea of America, past and present. Commercially successful, fan-beloved, and a frequent source of media attention, Rockstar's franchises are positioned as not only game-changing, ground-breaking interventions in the games industry, but also as critical, cultural histories on America and its excesses. But what does Rockstar's version of American history look like, and how is it communicated through critically acclaimed titles like *Red Dead Redemption* (2010) and *L.A. Noire* (2011)? By combining analysis of Rockstar's games and a range of official communications and promotional materials, this book offers critical discussion of Rockstar as a company, their video games, and ultimately, their attempts at creating new narratives about U.S. history and culture. It explores the ways in which Rockstar's brand identity and their titles coalesce to create a new kind of video game history, how promotional materials work to claim the "authenticity" of these products, and assert the authority of game developers to perform the role of historian. By working at the intersection of historical game studies, U.S. history, and film and media studies, this book explores what happens when contemporary demands for historical authenticity are brought to bear on the way we envisage the past - and whose past it is deemed to be. Ultimately, this book implores those who research historical video games to consider the oft-forgotten sources at the margins of these games as importance spaces where historical meaning is made and negotiated. Watch our book talk with the author Esther Wright here: [https://youtu.be/AaC\\_9XsX-CQ](https://youtu.be/AaC_9XsX-CQ)

**The Girl From Kathmandu** - Cam Simpson 2018-04-17

New York Times Book Review Editor's Choice The shocking story of the massacre of a group of Nepalese men working as Defense contractors for the United States Government during the Iraq War, and the widow who dedicated her life to finding justice for her husband and the other victims—a riveting tale of courageous heroes, corporate war profiteers, international business, exploitation, trafficking, and human rights in the age of global capitalism that reveals how modern power truly works. In August of 2004, twelve men left their village in Nepal for jobs at a five-star luxury hotel in Amman, Jordan. They had no idea that they had actually been hired for sub-contract work on an American military base in Iraq. But fate took an even darker turn when the dozen men were kidnapped and murdered by Islamic extremists. Their gruesome deaths were captured in one of the first graphic execution videos disseminated on the web—the largest massacre of contractors during the war. Compounding the tragedy, their deaths received little notice. Why were these men, from a remote country far removed from the war, in Iraq?

How had they gotten there? Who were they working for? Consumed by these questions, award-winning investigative journalist Cam Simpson embarked on a journey to find answers, a decade-long odyssey that would uncover a web of evil spanning the globe—and trigger a chain of events involving one brave young widow, three indefatigable human rights lawyers, and a formidable multinational corporation with deep governmental ties. A heart-rending, page-turning narrative that moves from the Himalayas to the Middle East to Houston and culminates in an epic court battle, *The Girl from Kathmandu* is a story of death and life—of the war in Iraq, the killings of the twelve Nepalese, a journalist determined to uncover the truth, and a trio of human rights lawyers dedicated to finding justice. At its heart is one unforgettable young woman, Kamala Magar, who found the courage to face the influential men who sent her husband to his death—a model of strength hope, bravery, and an unbreakable spirit who reminds us of the power we all have to make a difference.
