My Eyes Closed - Wendelyn Vega 2021-05-12

Scenes from the Blue Book - Kelly R. Jackson 2007-06

Scenes From The Blue Book is a collection of poems that evoke joy and pain, as well as inspires and uplifts. This first volume of poems by author Kelly R. Jackson runs the full range of emotion. There are stories of love lost and found, stories that touch on the plight of the Black community and stories of redemption and spirituality. Poems like "Swan Song" and "Familiar To Me" tell stories of letting go and the apprehension that comes with starting all over again, while poems like "Not my girl" and pieces like "The Glass" cover the still ever evolving male/female relationship issues that continue to exist. "Slave Days" and "Awake" offer inspiration, while emotions flow deeply on tribute poems like "On My Way Home" and "KJ In Progress". Also included is a special tribute to the author's mom, the eloquently written, "The Gardener" Scenes From The Blue Book also includes commentary on the entertainment industry and its views on Black America, the bond of the Black family and the struggle for self improvement. This book is insightful, thought provoking and provocative. If you enjoy poetry, Scenes From The Blue Book is a must read.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success.

Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and

you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Outta My Mind - Armando DeMarchi 2013-12-13

Outta My Mind offers a strongly opinionated view of the world from the perspective of a twenty-year-old poet. Author Armando DeMarchi explores the electric chair, ants, death, and a large number of other lively, unexpected topics. Each of his poems is a literary reminder that we should not take life too seriously and that it is okay to remember the way we feel before it is too late. From "Aggression" to "Hidden," his poems travel a wide emotional spectrum, guiding us to the truth through his thoughts and emotions. Relax, let your central processing unit take a field trip, and indulge in some of the witty cynicism, playful banter, and touching themes DeMarchi conjures up in Outta My Mind. Affection Do you know exactly, how to measure affection? I myself have conjured theories. At first, I measured it in units of smiles per second, Then laughs per day, squared. But finally, I realized it was simple. It is a ratio, Of me, to you.

Win Your War - Mark Driscoll 2019

You're already in a war. It's time to fight. This book will equip you with tools to protect the five fronts of spiritual battle: your relationship with God, your identity, your family and friends, your church, and the world.

Win Your War is a practical marriage, parenting, and relationship book that is grounded in the Word of God and focused on recognizing Satan's role in your life. Mark and Grace Driscoll help you understand the power Jesus gives you to overcome the enemy's attacks. Mark and Grace Driscoll look at the nature of spiritual warfare in response to Adam and Eve. God has a kingdom where His people are governed by the Spirit. Satan has the world, where his people are governed by the flesh.

Spiritual warfare is the battle between these two realities in everything, including our identity, temptation, gender, marriage, and emotional well-being. Some years ago Mark Driscoll preached on the Book of Genesis and discovered an unexpected theme about spiritual warfare that works itself out in all of human history: the storyline of the Bible is that there is first a wedding and then a war. Satan did not show up until a man and woman were married and had a ministry call on their lives. The first thing he did was attack marriage and separate men and women. After reading this book, you will uncover the five fronts of spiritual battle: your relationship with God, your identity, your family and friends, your church, and the world. The Emmy award-winning former executive producer of The Daily Show and The Colbert Report has assembled a stellar lineup of men who have one thing in common: all have been dumped...and are willing to share their pain and the lessons learned. Relationships end. And in almost all of them, even the most callow among us take something away. This is a book about that something, whether it be major life lessons, like "If you lie, you will get caught," simple truths like, "Flowers work," or something wholly unique like, "Watch out for the high strung brother in the military." This anthology will be comprised of longer and shorter pieces, drawn from an array of impressive celebrities, writers and public figures. Some pieces may be a paragraph in length while others will be full-blown essays. All of them will be about that salient something men take away

from a failed relationship. Yes, men learn. This is not a touchy-feely book. This is not a self-help book. This is a book packed with smart, funny and insightful stories from men you probably thought never got dumped, or if they did, would never admit it.

At the ceremony, right before the clock strikes midnight, signaling the beginning of the game, he makes eye contact with Alexis. Alpha Harvey attempts to stop the game when the signal is sounded.
