Love Signs and You Rochelle Gordon 2003 Love Signs and You is the definitive volume of romantic astrology.

SignMates Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

Leo's Girl Victor Pemberton 2012-05-24 For Peggy, the war opens more than one door... Victor Pemberton writes a compelling saga in Leo's Girl, a story of class divisions, romance and the Second World War. Perfect for fans of Dee Williams and Dilly Court. 'Lights down, tucked up snug you can almost hear air raid sirens as Pemberton spins another superb story of London folk during wartime' - Peterborough Evening Telegraph Twenty-six-year old Peggy Thornton is a middle-class girl living in the heart of working-class Islington. Although she loves her parents, Peggy has always felt her home life to be narrow and claustrophobic so, when women are urged to help on the home front after the outbreak of the Second World War, she starts training as a conductor on a London Transport bus. Her parents are both appalled; it's hardly a fitting position for the daughter of a local magistrate. It is not just Peggy's parents who make her life difficult. Many of the bus crew haven't adjusted to women from their own class working let alone the likes of Peggy. And her relationship with Leo, who is most definitely from the wrong part of town, serves to create further tensions. It is only when the real enemy strikes, and a bomb explodes in the path of a bus, that these petty differences are cast aside, but, for some, it's too late to say sorry. What readers are saying about Victor Pemberton: 'Always a good and enjoyable read' 'An excellent read, [Victor Pemberton's] stories are always very authentic' 'Five stars'

Friends on a Rotten Day Hazel Dixon-Cooper 2008-05-01 It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

Leo Ascendant Secrets Saket Shah 2020-01-05 There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact,

they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

The F*ckhead Guide to Astrology Fckhead 2005-05 The F*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.

This is an updated edition of Linda Goodman's lively bestseller, which has introduced millions to the concept of astrological compatibility. "What seems to set Goodman's books apart from other stargazing guides is their knowledgeable approach and comprehensive reach." —Newsweek

Trump's Stars Holly Stockus 2022-05-04 Our elected President, Donald J. Trump, has become one of the most polarized human beings in our lifetime. We watch as the media browbeats this man, while simultaneously urging the people of this great nation to rise up, and pull the rug out from under him. Many do not understand how he continues to plow through the media unscathed and intact. His larger than life personality, and blunt tongue will not attract everyone, however he is who he is by design. Would it not be in our best interest to get to know our president before swallowing the dictations of the press, and late-night jesters? We can make some sense of it all by releasing wisdom from our ancient ancestors. When we study the movements of the celestial beings a narrative can be told. The human psyche is an inner zodiac expressing its identity. As a holistic astrologer, I felt the urge to divulge some insight on our president and our current times. We're finding ourselves in the midst of a showdown between two energetic forces. Our country has become totally divided partly because of the relentless media. Politicians will be politicians, but the outlandish attempts to discredit this administration is diabolical. Power and control is the new norm by manipulation, while our freedom is slowly being taken away. We are at a pivotal time in our country's history. How can we rise above the noise and become aware of what's right in front of us? Journey with me for insights to a man that has captured us all-whether by embracement or revolt, but either way intrigued.
