**Staying Well** - Ron Frazer

2016-07-08

Health for \$1 per Day Even a dollar is too much. Good health can cost nothing. Optimal wellness can not be about expensive pills and tests. It includes fresh air, water, food, balanced exercise, and effective rest. Ideally, there is very little stress. It doesn't sound like your life, does it? You need this book. Dr. Frazer explores hundreds of solutions for busy families that are stressed, and compounding that stress with unhealthy activities and diets. The basic idea is to stop doing the things that are making you sick. That costs nothing. The book was written for Dr. Frazer's daughter who was, and is, a busy mom with a limited budget to care for two growing boys with their own ideas

about diet and exercise. This is a reference book that a busy mom can turn to for a quick answer about many health concerns. The small price of this book will save you many dollars in health care costs.

**God Has Your B.A.Q.** - Mark Hamric 2013-12

Have you ever taken the time to ask God some important questions about life or personal matters, or just asked for a little help in understanding the Bible? These are real questions from people of all walks of life; some of these questions are of a serious nature, and some are challenges to faith. I believe God has helped me to answer them from a biblical perspective. My own rocky walk through this valley of the shadow of death has taught me many things. Even as a Christian who has learned to rely on God, I still have my challenges; however, I can say with some confidence that the Lord is indeed my shepherd, and the answers I provide in this book come from that

experience. My hope is that you will be awakened to deeper things and greater understanding of the God who loves you. "Never worry about action, but only inaction." - Winston Churchill

**How to Get Your Ex Girlfriend Back** - C. Powell  
2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all

that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.
