The Wise Lesbian Guide to Getting Free from Crazy-Making Relationships & Getting on with Your Life Amber Ault Ph. D. 2013-12 Is your relationship "always about her?" Does it seem condemned to an endless break-up/ make up cycle? Do your friends think your girlfriend is bad news? If you are stuck in a confusing, exhausting, crazy-making relationship and looking for a way to make sense of your girlfriend's self-centered, erratic, or volatile behavior, you need *The Wise Lesbian Guide to Getting Free from Crazy-Making Relationships and Getting On With Your Life*. In one small volume, Amber Ault, Ph.D., MSW spells out how three "personality disorders" (Narcissistic, Anti-social, Borderline) account for much of the toxic "come here/go away" "I love you/I hate you" and "it's all about me" drama that keeps good women in relationships that are great every once in awhile but wretchedly crazy-making most of the time. While other books explore the rise of narcissism, surviving the abuse of psychopaths, and responding to people who have borderline personality disorder in general, this book takes a lesbian-specific look at the devastation these personality disorders can cause in relationships and the special challenges facing women in same-sex partnerships with personality-disordered women. In *The Wise Lesbian Guide to Getting Free from Crazy-Making Relationships and Getting on With Your Life*, Dr. Ault, a clinical sociologist and psychotherapist, draws from clinical literature and experience, expertise in LGBT culture, and a series of interviews with lesbian and queer women who have survived relationships with toxic partners to help you determine if the trouble you are experiencing in your relationship is rooted in a partner's personality disorder. She reviews common toxic relationship dynamics, the costs of staying with personality disordered partners, common personality disorder patterns, and why you might have been vulnerable to getting involved with a personality disordered woman. Perhaps most importantly, she provides specific skills you need to use if you are preparing to exit a toxic relationship, and detailed strategies for recovery, once you are free. Every person deserves to be in a happy, joyful, supportive relationship. As we move into an era in which same-sex partners have access to legal marriage, it is perhaps more crucial than ever that we clarify our expectations for same-sex relationships and become skilled at choosing partners with the capacity to fully participate in mutually respectful, reciprocally supportive, life-enhancing relationships. You deserve to be in a relationship that promotes your happiness, health, and peacefulness. If your current relationship undermines your ease, well-being, and productivity, this book can help you get clearer about what is not working and how to take action so that you can open yourself to the possibility of having the relationship happiness you deserve.

Putting Her in Her Place Ryan Hale 2016-10-24 Girls are hardwired to obey and submit. The problem is men and women have reversed gender roles. This is causing men to become feminized and women to become masculinized. I can prove this. You don't see many girls wearing dresses any more, do you (?), because they are all out wearing what men wear; namely: pants, teeshirts, etc. I mean come on, SERIOUSLY! If you want to have the best possible relationship with a girl, where she obeys and submits like a good little girl, then you have to train her back to childhood obedience. You must instill the fear of God in her, letting her know that you are in control of her, and that she must obey you. The more you train her, the more she will start to fall in love with you. The more she will start to accept you as her dominant master. The more she will submit to you and obey you in everything you tell her to do. The less she will try and make decisions on her own. The more she will accept your punishments when she has wronged you. I am not a misogynistic man. I don't want you reading this thinking I am. I am a man who has a wonderfully loving relationship with my girl, who

learned this secret and now want to share it with you. I watch too many of my male friends go through the pain and torment of relationships with girls. They don't know how to train a girlfriend, so they keep getting hurt, fucked, and you whatever other adjective you want to fill in the blank with. It doesn't have to be this way. It should not be this way. This book will help you fix it. I don't let my girl do anything adult. She has to play and do childlike activities. I am the adult, she is the little girl. I make her color, fingerpaint, journal in a diary (that I get to read), make her stand in a corner when she acts up, make her take a nap when she's tired, and withhold privileges from her when she doesn't want to comply with my instructions. She loves me, let me assure you. She will never leave me, because she knows I am her answer and have her best interest at heart. She yearns to be taken care of and protected by me. She loves submitting and being dominated. The sex is amazing, let me share. You can have the same. Read this book. Do what it instructs you to do. Start training your girl today. You will win in the end, I promise. Start reading and taking notes! This is more than a book, it's a course! Grab Your Copy Now

MIXED NUTS Rick Cormier 2016-04-21 "Highly irreverent, but filled with wisdom and infused with deep caring, *Mixed Nuts* is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

Dating in the Millennium Alicia S. Walker 2013-07-12 What therefore God has joined together, let no man separate, Matthew 19:6 Good communication openly and honestly is ideal when it comes to dating and marriage. Many women aspire to share a covenant relationship with the opposite sex, and really don't bargain for being labeled as girlfriend #2, friend, baby momma, or any other label or title that is given to them other than wife or fianc . As young girls and young adults most aspire to be married, have a family, and be in a one-on-one committed relationship. A relationship is like any living plant that requires sunlight, nurturing, and water. If you don't water it and provide it with enough sunlight, water and care, it dries up and dies. This holds true for any relationship between a man and a woman. Love makes the world go round. When cultivating a healthy and fruitful relationship, the relationship should be a win-win for both parties involved. It is important to begin a relationship with honesty, integrity, respect and trust. Ask God daily to lead, guide, and advise you so that you can make sound decisions when it comes to dating and marriage. He always give us signs when things are not right so pay attention to the things that are going on around you and in your life. Take time to do some soul searching and get in tuned with yourself and start asking yourself some very important questions. What truly makes you happy? And what is the real definition of love and what does it mean to you? Remember, you cannot make someone else happy if you're not happy with yourself. Live for you and do what makes you feel the happiest whether your family and friends agree or disagree. At the end of the day whatever choice or decision you make, you are the one who have to live with it.

How to Be a Good Girlfriend and Keep Your Boyfriend Happy Andres Munsel 2015-04-12 Why should the women of today - who want to be treated equally to men - be motivated to go above and beyond in their relationship? The truth is, some women don't feel any desire to go out of their way to make their partners especially happy, and that's their prerogative. But contributing that bare minimum to a relationship makes you far from perfect, and makes the relationship far from perfect too. Even more so now that 21st century men are increasingly realizing their own shortcomings and attempting to correct them. Luckily, you're here reading this now because you probably aren't among the status quo: You're ready to take a path of self-improvement for the benefit of your relationship and the happiness of your boyfriend. Kudos! The perfect woman (in the opinion of most men) is an assertive and confident leader at work, a gourmet chef at home, a goddess in bed, and a master organizer. She's not only skilled, intuitive, intelligent, well-read, witty, and positive, but can put her hair in a pony-tail and whoop ass better than the best, when needed. Sure, this massive expectation isn't exactly fair, but that's the meaning and price of perfection. Getting into a relationship is easy, but keeping a relationship happy is hard work - even more so if you wish to be the unequivocal owner of your man's heart and mind.

Hypnotize Your Wife Live a Better Life [Or Your Girlfriend for That Matter] The Nameless Hypnotist 2015-02-23 People have been conditioned to believe certain things about the way relationships should operate. Sometimes gender roles are blurred. In recent times this seems to

be more evident, doesn't it? My beliefs, now, are that gender roles should be very specific and quite clearly defined. I believe that men are the stronger sex. I believe that men tend to be more logical thinkers. I believe girls should be subservient; that is: prepared to obey their man unquestioningly and are, by nature, the weaker sex. I also believe when a girl knows her place and a man knows his place in a relationship that the relationship functions better and both sexes are happier. When a girl is docile; that is, ready to accept control or instruction; submissive, she knows instinctively that the relationship is solid and that she will be rewarded for her submissiveness. This causes her to lose her depression, her fear, and her feelings of uncertainty and constant confusion and lack of safety. These are positive benefits that have been forgotten by girls, which, when reminded, and rekindled, prove their significance and relevance to the girl's happiness. The more your girl accepts your control and instruction the more happy both of you will be, let me assure you. This is something most men and girls get excited about when they adhere to their respective gender roles. In many ways this book will teach you a relationship system that utilizes conversational hypnosis; so that, as a man, you can define your relationship in this way, so you are happy and your wife or girlfriend is happy too. It is your responsibility to learn this information and even more your responsibility to implement it; that is, training your wife or girlfriend to be servient. Follow these instructions carefully and your wife or girlfriend will be the perfect little girl you've always hoped her to be. I promise. Grab Your Copy Now! Do not think twice; I promise it works!

How to Get a Girlfriend Dating Online Robert Belland 2011-02-01 The goal of this book is simple: to guide ANY guy through the process of picking out the BEST women to chat with, exactly what to say to them, and how to inspire these women to feel enough attraction and comfort to meet in person. What can YOU do slightly differently than the last 50 guys who tried emailing her that same day? Be different (in a fun way) without seeming desperate, needy, or creepy. This book explains and explores the common mistakes men are making dating online AND explains, step-by-step, EXACTLY what to say in order to stand out and get dates. This book outlines the FOUR FOUNDATIONS of successful (online) dating: Attraction, Rapport, Leading, and Escalation. - ATTRACTION is about tension and her emotional response to you. - RAPPORT is about intimacy and her emotional connection with you. - LEADING is about challenging your fears and taking action while communicating sincerity through your actions. - ESCALATION is about consistently increasing the intensity of your relationship via attraction and rapport so that it goes where ever you want it to go. WHAT YOU'LL DISCOVER IN THIS BOOK: - Exactly to say in your first email so that she's MOST likely to respond to you. - 8 tragic but typical mistakes you should NEVER make when first chatting with her online. - 5 ways she's indicating she's "ready" to meet you (but you might be missing.) - 10 things you SHOULD be doing to make or break your online profile. - 10 detailed examples of men's profiles, and what's good and bad about them. - Learn which types of photos make women click your profile, and which make her run for the hills! - MANY examples of the types of emails other men will be sending her so that YOU can learn how to avoid sounding like "just another creep." - How to be DIRECT in such a way that will invite her to desire you more. - 7 amazing openers that you can use anytime that I've tested and used to meet many amazing women online, and why they work so well. - Etc, etc, etc... Getting the girl online isn't rocket science. It's not black magic. It's not surprising or wierd. BUT it's almost universally misunderstood. What makes a girl reject the last 99 guys but respond to you? It's simple. Being different, being playful, and being attractive. The core teachings of my books. As a matter of fact it's EASIER to be different than the last 99 guys simply because the last 99 guys are all saying the exact same things and all making the exact same mistakes. I wrote this book to help the average guy, like you and me, stand out from the online dating crowd in order to catch the girl we REALLY want, and ultimately deserve. She WANTS you to find her and attract her... now read this book and learn the fastest path to your first date!

Find Your Perfect Partner Wayne C. Allen 2012-12-01 You've likely realized that the screwy relationships you have been in were the direct result of you not thinking about how to create an excellent one. Pretending the important, life-altering decision to relate is "a matter of the heart" is not only stupid, it doesn't work! Many moons ago, psychotherapist Wayne C. Allen made a clear decision about his "next" relationship. He decided that his brain (not just his heart) needed to be in charge of the process. He came up with a strategy for finding the person he wanted -- He called it...The List of 50. His strategy worked. He met his perfect partner (in 2017, they've been together 34 years!) Wayne began sharing the process with his clients -- soon, they demanded a book... and *Find Your Perfect Partner* is the result. Written by a therapist with over 30 years of experience, this book gives you the tools you need to actually think through what kind of person you want to be with. His clients have tested this process for the last 30 years, and now it's available to you! Here's a quote from a client: "When I showed my List of 50 to one friend he said, "Do you have a short list that us mere mortals could aspire to?" My answer was, "I had a short list and it got me my ex-husband. I'm being more particular now." *Find Your Perfect Partner* is a guide to figuring out the whole attraction / dating / relationship thing. You'll discover: ~reasons for failed relationships and the high divorce rate ~how hormones get in the way ~how past relationships are great guides to getting the next one right ~why you need to think about what works in your successful friendships ~which traits must be a match between you and your perfect partner This book examines what doesn't work, then helps you to map out what's been missing from your past relationships. It gives you an easy to follow strategy for re-setting your mental filters, so that the next person you meet is a much better fit. You'll have a better sense of why compatibility is so important, and have a time tested method for both opening your eyes to new possibilities, and for finding your perfect partner. Follow along with the text, work through the exercises, and put the book's insights into practice. You'll be amazed with the results. One more quote! "My list has been an active part of my relationship building since I drafted it. I have modified the list several times, based on how relationships worked out. It was also interesting to note, how few elements of my list my ex-wife matched, similar to what you said about your first marriage. I feel that using the process you recommend does improve the quality of the choices you make. Of course, building the other relating skills will complement this as well."

Secret to Attracting Woman: How to Meet Your Perfect Girl and Make Her Beg to Be Your Girlfriend Pamela Paul 2012-11 Meeting new girls isn't easy and having the courage to talk to them isn't exactly as simple as it is in the movies. Even then, the shattering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose. If you want to know how to attract the woman that you've been interested in then you have to take the first step into talking to her. For the methods that comes afterwards, feel free to look inside this book.
