Alpha Males and Alpha Females - Bettina Al-Sadik-Lowinski 2023-05-22

What do international male business leaders have to say about gender diversity, the rise of talented women into management and the opportunities for the sexes to work together harmoniously in boardrooms - as well as the obstacles that stand in the way? When most people think manager, they think male. Boardrooms around the world are still dominated by 'alpha' men and their assertive, decisive leadership styles. Meanwhile, their female counterparts, alpha women, remain underrepresented in almost every country. Many women feel they've been excluded and are calling for equality. This book offers a fresh perspective on gender roles that moves away from the old paradigm of male domination and female victimhood. It argues that companies that want to succeed need to productively combine and leverage off the strengths offered by men and women. It covers how mixed leadership teams can be made the norm in international companies. To find some answers, Bettina Al-Sadik-Lowinski interviewed senior male executives from eleven countries. These 'alpha men' agree that women and their abilities should be better represented on company boards. They believe the current imbalance is due to a mix of talented women's reluctance to pursue their career ambitions along with the barriers created by existing power structures. Male managers fear losing face and being shown up by strong women. They want recognition, rather than aggression, from their

female colleagues. The interviewees also discuss what they see as women's strengths, such as their positive, calming influence in male-dominated meetings, and comment on sensitive topics such as #MeToo and the influence of 'erotic capital' and 'old boys' networks'. The book presents the men's views in their own words, complemented by alternative perspectives from top female executives. Al-Sadik-Lowinski's analysis shows how both sexes can work together in international companies to build a brighter, sustainable future. Alpha Males and Alpha Females seeks to promote greater equality at senior levels in global companies, with mixed leadership teams made up of both qualified men and qualified women. It gives women who are interested in pursuing a management career an insight into men's views, as well as advice on their personal career development. And it suggests strategies that executives can adopt to strengthen diversity, build mixed leadership teams and secure their companies' long-term success.

Luna Saffron's Rejected Alpha Mate - MerandaH. 2023-09-09

"Now reject your mate," Malik's repulsive voice demanded. "I'm sorry, Mad, I have too, for our pack's safety." She said before the words I never expected to hear came from her mouth. "I, Saffron Hernandez from The Nightfall Pack, reject you, Maddox Bishop, Alpha of The Nightfall Pack to be my Alpha and Fated Mate." Her words instantly crushed my soul. A pain ripping through my body, beyond anything I could have ever described. "COME ON DOLLFACE, BEFORE HE FINISHES THE JOB ON THE INNOCENT YOU BEGGED TO PROTECT!" Malik's voice hollered out, making Saffron close her eyes. *** On Saffron's 18th birthday, she finds out that she is fated to none other than the Alpha of her pack. 24 year old Maddox Bishop, who had only been the Alpha for a short time when an enemy pack launched an all out war. Malik, the 34 year old Alpha of The Reapers pack. A man who had no care for human life, pure evil in the flesh. One of the cruelest Alphas known to all. He loved killing, torture, and most of all power. He swore to call off his malicious attack on The Nightfall Pack in trade for one thing. Maddox's fated mate. What will Saffron do when Maddox fights harder to win her back? Will she give in to the mate bond and accept her fated mate? Or will she stay by

Malik's side to save her home pack from an all out war of mass destruction?

Winning the Alpha's Heart - Tshiamo Mphahlele 2023-02-20

Born of Alpha bloodline, Twilight is destined to succeed her father in ruling the Sliver Dragon Pack. The young, free-spirited alpha female is the strongest warrior in the pack, surpassing even her own father, and

never cared about whether or not she would find her mate. Until the day she found him, the young Alpha-to-be of a neighbouring pack. Only to have him reject her for his bed buddy. Enraged and broken-hearted, she ran away and got severely injured along the way. Suddenly, she woke up in an unfamiliar place, only to find that her second-chance mate, Takumi, saved her. But her now cold-hearted self refuses to accept another mate but he won't give up that easily. Can Takumi win the Alpha's heart? Here's a little sneak peek: "Imagine the one person who was literally made for you, supposed to be your other half and complete you in a way that no one else can and yet wants nothing to do with you. I'm over it, but I still feel like a monster for how I reacted to it. I know it happened a long time ago, but I still hate myself for it. His dad said it was ok, but I think he only said it to make me feel less guilty and deep down he hates me. And I'm pretty sure everyone else feels the same way." It was then that she felt a little wetness on her face; she didn't realize that tears were streaming down her cheeks the whole time. That's when she broke down into more tears. Takumi pulled her into a hug. "I'm sure no one hates you." "You don't hate me?" She asked between sobs. "How can I hate the girl I love? Especially when she's like this." "You love me?" "Wasn't it obvious?" "Not really. I mean, you flirt and then joke about it. You make suggestive and sexual moves on me and then act as if they don't mean anything and you always use the terms 'friends' and 'roommates' whenever you refer to our relationship, so I went with it. If anything, you've been sending me mixed messages and it's very confusing." "Sorry if I've been confusing and I'll make it clear this time. I love you."

[Sun Tzu for Women](#) - Becky Sheetz-Runkle 2011-01-14

For twenty-five centuries, men have used Sun Tzu's classic *The Art of War* as a guide to conflict. In recent years, it's been a guide to climbing the corporate ladder. But this book shows that there are more paths to winning than frontal assault. You can learn from the ancient Chinese strategist how to apply the feminine principle to the business world--and win every time. Whether it's relying on networking skills to win allies or maneuvering to gain a decisive advantage, the author shows through dozens of case studies from prominent women in business how to overcome the odds, defeat opponents, and forge successful careers. The tenets of Sun Tzu lend themselves to women's natural strengths in diplomacy and relationship-building. With this interpretation, you'll learn to leverage these valuable assets to trump your male colleagues every time.

Alpha Male Incorporated - Marie Rochelle 2014-10-07

Vampire Thorsten Irizarry ignored the countless warnings from his cousin Jax to stop dating women who weren't destined to be his mate. Why should he do it? He was only having a little harmless fun until Raya August came to her senses. She wouldn't care about his past relationships. He knew his charming ways would win her over without any problems. However, he was wrong. Nothing he did captured her

heart. He was at a lost how to change her first impression of him. Raya August wasn't interested in having Thorsten as her mate. In her mind, he

was a playboy looking for another challenge to conquer but he wouldn't find it with her. She wasn't into playing games and she wasn't about to start now with him. If he wanted her heart, he would have to earn it.
