SignMates Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

So in this book I am describing how Sun will give results in different zodiac signs in most possible and descriptive way. The planet behavior changes along with the sign it sits in and give different results. Every sign itself is a mystery and planet sitting in sign becomes more mysterious and gives results in very different pattern. Planet is nothing but a cosmic energy which in particular location in zodiac during our birth impacts our entire life the way we think and the way we behave and also controls our emotions.

To Have, to Hold, and to Never Let Go Cattina C. Coleman 2012-12-28 I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book To Have, To Hold, and To Never Let Go, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. In the Land of Invisible Women Qanta Ahmed, 2008-09-01 "In this stunningly written book, a Western trained Muslim doctor brings alive what it means for a woman to live in the Saudi Kingdom. I've rarely experienced so vividly the shunning and shaming, racism and anti-Semitism, but the surprise is how Dr. Ahmed also finds tenderness at the tattered edges of extremism, and a life-changing pilgrimage back to her Muslim faith." - Gail Sheehy The decisions that change your life are often the most impulsive ones. Unexpectedly denied a visa to remain in the United States, Qanta Ahmed, a young British Muslim doctor, becomes an outcast in motion. On a whim, she accepts an exciting position in Saudi Arabia. This is not just a new job; this is a chance at adventure in an exotic land she thinks she understands, a place she hopes she will belong. What she discovers is vastly different. The Kingdom is a world apart, a land of unparalleled contrast. She finds rejection and scorn in the places she believed would most embrace her, but also humor, honesty, loyalty and love. And for Qanta, more than anything, it is a land of opportunity. A place where she discovers what it takes for one woman to recreate herself in the land of invisible women.
