

I Play Like A Girl Organization

Defining Sport Communication - Andrew C. Billings 2016-10-14

Defining Sport Communication is a comprehensive resource addressing core topics and issues, including humanistic, organizational, relational, and mediated approaches to the study of sport communication. It provides foundational work in sport communication for students and scholars, reflecting the abundance of research published in recent years and the ever-increasing interest in this area of study. Bringing together scholars from various epistemological viewpoints within communication, this volume provides a unique opportunity for defining the breadth and depth of sport communication research. It will serve as a seminal reference for existing scholarship while also providing an agenda for future research.

EBOOK: Sports in Society - Jay Coakley 2014-04-16

Using a topics-based approach organized around provocative questions about the interaction of sports, culture and society, *Sports in Society* presents an accessible introduction to research and theory in the sociology of sport. This new edition continues the legacy of the previous editions while introducing new material and examples that bring theory to life. Current debates in sports, such as how youth participation can be increased or sport funding allocated, have been integrated throughout the text to provide a holistic view of society. An Online Learning Centre accompanies this book offering a range of lecturer support materials as well as resources and tests for students.

Soccer - Emilie Dufresne 2019-07-15

As more girls are becoming interested in playing a variety of sports, these young female athletes are in need of a useful guide created with them in mind. This guide presents the basic rules of soccer, different player positions, safety tips, and other fun facts about this exciting sport. They will also learn the physical and mental benefits of playing a sport and the importance of being team players. A detailed glossary, helpful

diagrams, eye-catching fact boxes, and vibrant, full-color photographs provide additional insight for young readers who dream of being professional soccer players.

Play like a Feminist. - Shira Chess 2020-08-18
Why video games need feminism and feminism needs video games. "You play like a girl": it's meant to be an insult, accusing a player of subpar, un-fun playing. If you're a girl, and you grow up, do you "play like a woman"—whatever that means? In this provocative and enlightening book, Shira Chess urges us to play like feminists. Furthermore, she urges us to play video games like feminists. Playing like a feminist is empowering and disruptive; it exceeds the boundaries of gender yet still advocates for gender equality. Playing like a feminist offers a new way to think about how humans play—and also a new way to think about how feminists do their feministing. Chess argues that feminism need video games as much as video games need feminism. Video games, Chess tells us, are primed for change. Roughly half of all players identify as female, and Gamergate galvanized many of gaming's disenfranchised voices. Games themselves are in need of a creative platform-expanding, metaphysical explosion; feminism can make games better. Chess reflects on the importance of play, and playful protest, and how feminist video games can help us rethink the ways that we tell stories. She proposes "Women's Gaming Circles"—which would function like book clubs for gaming—as a way for feminists to take back play. (An appendix offers a blueprint for organizing a gaming circle.) Play and games can be powerful. Chess's goal is for all of us—regardless of gender orientation, ethnicity, ability, social class, or stance toward feminism—to spend more time playing as a tool of radical disruption.

Play Like a Man, Win Like a Woman - Gail Evans 2000-08-10

An honest and practical handbook that reveals important insights into relationships between men and women and work, *Play Like a Man, Win*

Like a Woman, is a must-read for every woman who wants to leverage her power in the workplace. Women make up almost half of today's labor force, but in corporate America they don't share half of the power. Only four of the Fortune 500 company CEOs are women, and it's only been in the last few years that even half of the Fortune 500 companies have more than one female officer. A major reason for this? Most women were never taught how to play the game of business. Throughout her career in the super-competitive, male-dominated media industry, Gail Evans, one of the country's most powerful executives, has met innumerable women who tell her that they feel lost in the workplace, almost as if they were playing a game without knowing the directions. In this book, she reveals the secrets to the playbook of success and teaches women at all levels of the organization--from assistant to vice president--how to play the game of business to their advantage. Men know the rules because they wrote them, but women often feel shut out of the process because they don't know when to speak up, when to ask for responsibility, what to say at an interview, and a lot of other key moves that can make or break a career. Sharing with humor and candor her years of lessons from corporate life, Gail Evans gives readers practical tools for making the right decisions at work. Among the rules you will learn are: • How to Keep Score at Work • When to Take a Risk • How to Deal with the Imposter Syndrome • Ten Vocabulary Words That Mean Different Things to Men and Women • Why Men Can be Ugly, and You Can't • When to Quit Your Job "I want to let you women in on a secret I've learned through my years in the corporate world: There is a set of unwritten rules in business and, while you may not choose to follow all of them, if you don't know what they are, you might as well be playing the game with both hands tied behind your back." --Gail Evans

Play Like a Girl - Ellie Roscher 2017-07-18

Growing up and living in Kibera, Kenya, Abdul Kassim was well aware of the disproportionate number of challenges faced by women due to the extreme gender inequalities that persist in the slums. After being raised by his aunts, mother, and grandmother and having a daughter himself, he felt that he needed to make a difference. In 2002, Abdul started a soccer team for girls

called Girls Soccer in Kibera (GSK), with the hope of fostering a supportive community and providing emotional and mental support for the young women in the town. The soccer program was a success, but the looming dangers of slum life persisted, and the young women continued to fall victim to the worst kinds of human atrocities. Indeed, it was the unyielding injustice of these conditions that led Abdul to the conclusion that soccer alone was not enough to create the necessary systemic change. In 2006, after much work, the Kibera Girls Soccer Academy (KGSA) was established with their first class of 11 girls and 2 volunteer teachers. Today, KGSA is composed of 20 full-time staff, provides a host of artistic and athletic programs for more than 130 students annually, and continues to expand. By providing academics inside and outside of the classroom along with artistic and athletic opportunities, KGSA inspires the young women of Kibera to become advocates for change within their own communities and for Kenya as a whole. *Play Like a Girl* tells the KGSA story through Abdul's voice and vision and the stories of key staff and students. It is written by Ellie Roscher who spent 2 summers doing research at KGSA and several years writing this book.

Pitch Like a Girl - Ronna Lichtenberg 2005-01-01

Examines the relationship women have to the world of work and provides pragmatic advice and tips on how they can use their unique advantages to best effect and succeed in the workplace.

Hearings - United States. Congress Senate 1958

I Know I Play Like a Girl Try to Keep Up

Play Like a Girl! - Jennifer Shahade 2011-02-16
A collection of tactical positions from the world's best women chessplayers. Chess lovers of all levels can enjoy the puzzles, as the difficulty goes all the way from one-move killer blows to deep, complex combinations.

[Yeah I Play Like a Girl Jealous](#) - Greenyx Publishing 2019-10-08

A system of note taking is widely recognized and known since it is commonly taught to university students and it is called the Cornell Note Taking Method. It is divided into two columns: the right column is for the note-taking, while the left one is for the questions and keywords. It's a perfect book for categorizing and putting your notes in order to make it more organized so it's easier to scan and review. With its note-organization feature, it is very popular to a lot of students and it can also be used for meetings and lectures.

Grab yours now!

[Computer Games and Instruction](#) - J. D. Fletcher 2011-05-01

There is intense interest in computer games. A total of 65 percent of all American households play computer games, and sales of such games increased 22.9 percent last year. The average amount of game playing time was found to be 13.2 hours per week. The popularity and market success of games is evident from both the increased earnings from games, over \$7 Billion in 2005, and from the fact that over 200 academic institutions worldwide now offer game related programs of study. In view of the intense interest in computer games educators and trainers, in business, industry, the government, and the military would like to use computer games to improve the delivery of instruction. *Computer Games and Instruction* is intended for these educators and trainers. It reviews the research evidence supporting use of computer games, for instruction, and also reviews the history of games in general, in education, and by the military. In addition chapters examine gender differences in game use, and the implications of games for use by lower socio-economic students, for students' reading, and for contemporary theories of instruction. Finally, well known scholars of games will respond to the evidence reviewed.

Basketball - Emilie Dufresne 2019-07-15

There has been a rise in young female athletes

showing an interest in playing particular sports, such as basketball. This comprehensive guide, created specifically for them, presents the basic rules of the sport, different positions on the court, safety tips, and other beneficial information to help them become a successful team player. This age-appropriate and accessible text also promotes acceptance of female athletes among both boys and girls. Helpful diagrams, a thorough glossary, detailed graphic organizers, and bright, full-color photographs enhance this fun topic for avid sports fans.

[Fight Like a Girl](#) - Megan Seely 2007-01-15

Fight Like A Girl offers a fearless vision for the future of feminism. By boldly detailing what is at stake for women and girls today, Megan Seely outlines the necessary steps to achieve true political, social and economic equity for all. Reclaiming feminism for a new generation, *Fight Like A Girl* speaks to young women who embrace feminism in substance but not necessarily in name. Seely is herself a long-time activist and details her own activism from a young teenager going on hunger strikes to protest the rights of agricultural workers to a Third Waver in college to the youngest elected President of the California chapter of the National Organization for Women--the largest statewide feminist organization in the country. With an eye toward what it takes to create actual change, Seely offers a practical and useful guide for how to get involved, take action, and wage successful campaigns. The book is full of valuable resources for novice and committed activists alike, including such features as "How to Write a Press Release," "Guidelines to a Good Media Interview," "A Feminist Shopping Guide," and a list of over 100 Fabulous Feminist Resources, including organizations, websites, and events to attend. Each chapter is full of ideas, both big and small, for ways to get involved, as well as providing countless examples of successful actions already achieved. Exploring such issues as body image and self-acceptance, education and empowerment, health and sexuality, political representation, economic justice and violence against women, *Fight Like A Girl* looks at the challenges that women and girls face while emphasizing the strength that they independently, and collectively, embody. Seely

delves into the politics of the feminist movement—exploring both history and current day realities. A Third Wave manifesto as well as an introduction to

Fight Like a Girl, Second Edition - Megan Seely 2019-08-06

A blueprint for the next generation of feminist activists *Fight Like a Girl* offers a vision of the past, present, and future of feminism. With an eye toward what it takes to create actual change and a deep understanding of women's history and the key issues facing girls and young women today, Megan Seely offers a pragmatic introduction to feminism. Written in an upbeat and personal style, *Fight Like a Girl* offers an overview of feminism, including historical roots, myths and meanings, triumphs and shortcomings. Sharing personal stories from her own experience as a young activist, as a mother, and as a teacher, Seely offers a practical guide to getting involved, taking action, and waging successful events and campaigns. The second edition addresses more themes and topics than before, including gender and sexuality, self-esteem, reproductive health, sexual violence, body image and acceptance, motherhood and family, and intersections of identities, such as race, gender, class, and sexualities. *Fight Like a Girl* is an invaluable introduction to both feminism and activism, defining the core tenets of feminism, the key challenges both within and outside the feminist movement, and the steps we can take to create a more socially just world.

A Girl's Guide to College - Traci Maynigo 2003 Offers girls advice on how to make the most of their college experience, providing tips on

everyday things they need to know to survive college.

Multiplayer - Thorsten Quandt 2013-10-30

In the past decade, digital games have become a widely accepted form of media entertainment, moving from the traditional 'core gamer' community into the mainstream media market. With millions of people now enjoying gaming as interactive entertainment there has been a huge increase in interest in social multiplayer gaming activities. However, despite the explosive growth in the field over the past decade, many aspects of social gaming still remain unexplored, especially from a media and communication studies perspective. *Multiplayer: Social Aspects of Digital Gaming* is the first edited volume of its kind that takes a closer look at the various forms of human interaction in and around digital games, providing an overview of debates, past and present. The book is divided into five sections that explore the following areas: Social Aspects of Digital Gaming Social Interactions in Virtual Worlds Online Gaming Co-located and Console Gaming Risks and Challenges of Social Gaming This engaging interdisciplinary book will appeal to upper level students, postgrads and researchers in games research, specifically those focusing on new media and digital games, as well as researchers in media studies and mass communication.

[Playing Like a Girl](#) - Marian Betancourt 2016-05-03

More and more women and girls are discovering the joy and relishing the fierce competition of team sports. Their increasing participation in sports is influencing all aspects of women's—and men's—lives. *Playing Like a Girl* explores the ramifications of this sports revolution, such as the change in male-female relationships, the impact on women in the workplace, the long-term effects of Title IX, and the phenomenon of men coaching women. These ideas are explored through stories of women from grandmothers playing basketball in the Senior Olympics, to working women who get up before dawn to row on the Potomac River. Robert Lipsyte, writing in *The New York Times*, said, "For a wider look at the obstacles and opportunities facing the emergent female athlete, read, *Playing Like a Girl*." Jo A. Hannafin, MD, PhD, founder of the Women's Sports Medicine Center Hospital for

Special Surgery and team physician, U.S. Rowing Team, called the book, "A wonderful compilation of personal stories and hard facts, which provide compelling evidence for the power of team sports in the development of strong and successful women.

Diversity and Inclusion in Sport Organizations - George B. Cunningham 2022-12-22

This textbook is a comprehensive introduction to the ways in which people differ - including race, gender identity, age, disability, religion, sexual orientation, and social class - and the importance of these differences for sport organizations. Now in a fully updated and revised fifth edition, the book offers strategies for managing diversity and inclusion in work and sport environments. It also overviews strategies for creating and sustaining diverse and inclusive

sport organizations. It considers how sport can be used to achieve positive social change. Grounded in cutting-edge research and theory, and focused on best practice, this edition includes new material on the important concept of intersectionality, as well as brand-new chapters on researching diversity and inclusion in sport, and strategies for reducing bias. It includes international examples in every chapter, as well as useful teaching and learning features, and supplementary resources for instructors are available online, including PowerPoint slides, chapter overviews, and a full test bank. This is important reading for any student taking a course in sport business, sport management, sport development, sport coaching, human resource management in sport, sport and social issues, sport participation, sport leadership, or the ethics of sport.
