Discover the secrets of lifelong sexual fulfillment. As our active years grow longer, what can we expect of our relationships? The truth may surprise you. Both sexes report a wonderful mutual discovery: "The desire--and the ability--to engage in gratifying sex can be sustained for a lifetime!" as leading sexuality and health expert Marvel Williamson tells us in this encouraging book. Great Sex after 40 is your well-informed and candid guide to recognizing and adjusting to the normal sexual changes brought on by aging. It dispels many long-standing myths about the effects of passing years on a healthy libido. And it answers common questions (about pain during intercourse, male dysfunction, and female anorgasmia) you may have been reluctant to ask your physician. You'll find strategies you can implement yourself for lessening the impact on sexual function associated with diseases commonly encountered at middle age and beyond. The advantages and drawbacks of the growing range of corrective surgeries and prescription drugs are fully described from the viewpoints of both patients and their partners.

Whether you are approaching your middle years accompanied by a loved one or discovering new relationships later in life, Great Sex after 40 is a reassuring advisor on your journey towards intimacy.

[The Ultimate Guide to Sex After Fifty](#) - Joan Price 2014-12-22

The population over age 50 is larger than ever in history. According to the U.S. Census Bureau, 32.1 percent of the U.S. population were age 50 and over in 2011. This demographic is also healthier, more aware, more youthful, and more vocal than any previous older generation. Thanks to ongoing medical discoveries, the sexual revolution, and the Internet, today's seniors are also sexier than ever — or at least they're now willing to talk and ask about sex as never before. They are the generation that discovered clitoral orgasms, vibrators, and Viagra, and there's no stopping the thirst for knowledge and pleasure now. Since 2005, Joan Price has penned *Better Than I Ever Expected: Straight Talk About Sex After Sixty* and emerged as the go-to sexpert for the over-50 population. Price's savvy advice, honesty, helpfulness, and humor garnered awareness in the media, in professional circles of therapists and sex educators, and among the huge population of people over 50 who hunger for real information from an age appropriate author. Price tackles it all in this definitive guide to sex and aging: health, fun (and function), disability, dating, illness, orgasms, G-spots, P-spots, polyamory, kink, and much more.

Sexually Woke - Susan Hardwick-Smith
2020-09-29

What if it were possible to have the best sex of your life at 40, or even 70? With over twenty years of experience as a highly regarded physician and founder of the largest all-female-staffed OB/GYN practice in the nation, Dr. Susan Hartwick-Smith, also known as Dr. Susan, presents *Sexually Woke*, a surprisingly frank and thought-provoking look at midlife sexuality. This optimistic new perspective is based not only on wisdom gained from sharing intimate stories with thousands of patients, but also on her own very candid journey as a menopausal woman navigating life post-divorce. Through a unique and comprehensive research study and subsequent interviews, Dr. Susan outlines the misconception and conditioning around our attitudes to mature sex and shares the intimate

secrets of a cohort of women who have discovered the path to a vibrant, deeply connected and intimated sex life after 40. These women are the mysterious "Sexually Woke", and their surprising secrets are now available to all of us. Through her own story, as well as the raw and uncensored interviews with study participants that include the "Sexually Woke", Dr. Susan re-frames the second half of life as an open field of possibility in which to play, explore, and finally be your true self. While openly discussing our tremendous struggles-with kids, aging parents, changing careers, divorce, death, abuse, sexual trauma, and personal illness-she teaches us that the wisdom of midlife allows us to look inward in order to recognize the importance of sex in making our lives whole. A reawakened sex life, an essential step towards living life to its fullest, is no longer the secret knowledge of a few outliers. The path to deep sexual connection and satisfaction in midlife and beyond is available to anyone who is ready to commit and willing to embark on the journey with Dr. Susan and *Sexually Woke*.
