**It's Perfectly Normal** - Robie H. Harris  
 2021-05-18

Fully and fearlessly updated, this vital new edition of the acclaimed book on sex, sexuality, bodies, and puberty deserves a spot in every family's library. With more than 1.5 million copies in print, It's Perfectly Normal has been a trusted resource on sexuality for more than twenty-five years. Rigorously vetted by experts, this is the most ambitiously updated edition yet, featuring to-the-minute information and language accompanied by new and refreshed art. Updates include: \* A shift to gender-neutral vocabulary throughout \* An expansion on LGBTQIA topics, gender identity, sex, and sexuality—making this a sexual health book for all readers \* Coverage of recent advances in methods of sexual safety and contraception with corresponding illustrations \* A revised section on abortion, including developments in the shifting politics and legislation as well as an accurate, honest overview \* A sensitive and detailed expansion on the topics of sexual abuse, the importance of consent, and destigmatizing HIV/AIDS \* A modern understanding of social media and the internet that tackles rapidly changing technology to highlight its benefits and pitfalls and ways to stay safe online Inclusive and accessible, this newest edition of It's Perfectly Normal provides young people with the knowledge and vocabulary they need to understand their bodies, relationships, and identities in order to make responsible decisions and stay healthy.

**How to Talk to Your Child About Sex** - Linda Eyre 2007-04-01

Linda and Richard Eyre stress that it's never too soon-or too late-to start discussing sex and values with your children, and they've got proven strategies to make it easier. For parents who want to go beyond the birds and the bees talk, *How to Talk to Your Child About Sex* provides thoughtful, clear, specific guidance on when and, most important, how to help children begin to learn and understand sex, love, and commitment from the most positive viewpoint possible. Preliminary "as needed" talks with three-to eight-year-olds The age eight Big Talk Follow-up talks with eight-to thirteen-year-olds Behavior discussions and guidelines with eleven-to sixteen-year-olds Discussions of perspective and personal standards with fifteen-to nineteen-year-olds

*A Kid's First Book about Sex* - Joani Blank 1989  
 An introduction to sexuality for young readers, discussing feelings, bodies, and developing a positive self-image.

Kids Gone Wild - Joel Best 2014  
 The myths and truths of teen's sexual behavior. Winner of the 2015 Brian McConnell Book Award presented by the International Society for Contemporary Legend Research To hear mainstream media sources tell it, the sex lives of modern teenagers outpace even the smuttiest of cable television shows. Teen girls "sext" explicit photos to boys they like; they wear "sex bracelets" that signify what sexual activities they have done, or will do; they team up with other girls at "rainbow parties" to perform sex acts on groups of willing teen boys; they form "pregnancy pacts" with their best girlfriends to all become teen mothers at the same time. From

*Downloaded from

 by guest*

The Today Show, to CNN, to the New York Times, stories of these events have been featured widely in the media. But are most teenage--or younger--children really going to sex parties and having multiple sexual encounters in an orgy-like fashion? Researchers say no--teen sex is actually not rampant and teen pregnancy is at low levels. But why do stories like these find such media traffic, exploiting parents' worst fears? How do these rumors get started, and how do they travel around the country and even across the globe? In *Kids Gone Wild*, best-selling authors Joel Best and Kathleen A. Bogle use these stories about the fears of the growing sexualization of childhood to explore what we know about contemporary legends and how both traditional media and the internet perpetuate these rumors while, at times, debating their authenticity. Best and Bogle describe the process by which such stories spread, trace how and to where they have moved, and track how they can morph as they travel from one medium to another. Ultimately, they find that our society's view of kids raging out of control has drastic and unforeseen consequences, fueling the debate on sex education and affecting policy decisions on everything from the availability of the morning after pill to who is included on sex offender registries. A surprising look at the truth behind the sensationalism in our culture, *Kids Gone Wild* is a much-needed wake-up call for a society determined to believe the worst about its young people.

*It's So Amazing!* - Robie H. Harris 2014-09-09  
 "An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for *It's Perfectly Normal*." —Booklist (starred review)  
 How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and babies—and about sex and sexuality, too. *It's So Amazing!* provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of *It's Perfectly Normal*, this forthright and funny book has been newly updated for its fifteenth anniversary.

**You Know, Sex** - Cory Silverberg 2022-04-12  
 A completely new approach to learning about puberty, sex, and gender for kids 10+. Here is the much-anticipated third book in the trilogy that started with the award-winning *What Makes a Baby* and *Sex Is a Funny Word*. In a bright graphic format featuring four dynamic middle schoolers, *You Know, Sex* grounds sex education in social justice, covering not only the big three of puberty—hormones, reproduction, and development—but also power, pleasure, and how to be a decent human being. Centering young people's experiences of pressures and joy, risk and reward, and confusion and discovery, there are chapters on body autonomy, disclosure, stigma, harassment, pornography, trauma, masturbation, consent, boundaries and safety in our media-saturated world, puberty and reproduction that includes trans, non-binary, and intersex bodies and experience, and more. Racially and ethnically diverse, inclusive of cross-disability experience, this is a book for every kind of young person and every kind of family. *You Know, Sex* is the first thoroughly modern sex ed book for every body navigating puberty and adolescence, essential for kids, everyone who knows a kid, and anyone who has ever been a kid.

[How and When to Tell Your Kids about Sex](#) - Stan Jones 2019-08-06

One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Stan and Brenna Jones help parents establish a biblical view of sexuality in their homes. Building on a biblical foundation, they discuss how to talk with your children about sexual issues and when it's appropriate to tell them what. With stark honesty and practical suggestions, they address Building a Christian understanding of sex and sexuality Developing a healthy dialogue with children about sexuality How and when to explain sexual intercourse Preparing for the physical changes of puberty Preparing for dating: dealing with romance and sexual attraction Encouraging a commitment to chastity What to do if you're getting a late start telling your kids about sex Now revised and updated with helpful material on the dangers of pornography, sexual orientation, and gender identity.

**Mummy Laid an Egg!** - Babette Cole 2000

A play/workbook that invites children to learn about their changing bodies and feelings to promote a positive self-image. Ages 5-11.

Kid's First Book about Sex - Joani Blank 1993-09-01

An introduction to sexuality for young readers, discussing feelings, bodies, and developing a positive self-image.

**The Amazing True Story of How Babies Are Made** - Fiona Katauskas 2015-08-01

THE GO-TO BOOK FOR PARENTS WANTING HELP WITH THAT TALK ... SHORTLISTED FOR THE 2016 CHILDREN'S BOOK COUNCIL BOOK OF THE YEAR AWARDS It's one of the most amazing stories ever told -- and it's true! Funny, frank and embarrassment-free, THE AMAZING TRUE STORY OF HOW BABIES ARE MADE gives a fresh take on the incredible tale of where we all come from. REVIEWS: 'If you're looking for a book for children that's accessible but honest, sex positive and inclusive, THE AMAZING TRUE STORY OF HOW BABIES ARE MADE is pretty much perfect.' -- Child Magazine 'Common sense, facts, the delightful humour and illustrations will enable this book to be universally accessible and a joy to be shared. A must buy for all parents.' -- Buzzword Books 'Highly recommended ... a necessary addition to every parent library' -- ReadPlus.com.au 'It's the inclusive nature of the book as well as its light touches of humour that make it a worthy update of a perennially interesting subject' -- Sydney Morning Herald 'terrific, funny and explicit-in-a-good-way ... Destined to become a classic.' -- Weekend West

*More Than Just the Talk* - Jonathan McKee 2015-03-10

Have Real Conversations With Your Kids About Sex The old ways of having the "sex talk" just won't cut it anymore. Sadly, the number one place today's young people go to for answers about sex is Google. Meanwhile, kids view nearly 14,000 sexual references a year on television,

and 70 percent of teenagers have encountered pornography on the Internet. If we want our children to know the truth about healthy sexuality, we need to create a comfortable climate of continual conversations. Jonathan McKee will show you how to move beyond the initial awkwardness of this subject into an ongoing communication with your kids about God's amazing gift of sex. He equips you with what you need to talk openly about dating, temptation, porn, and purity, and you will find answers to tough questions and relevant Scripture on sexual issues. It's normal for kids to be curious about sexuality, and they need to know that their parents are the most reliable source of information. Be the one your kids turn to on this crucial topic. "In a world full of explicit lies, today's kids need parents who aren't afraid to tell them the explicit truth. This book provides parents with the tools they need to have these candid and continual conversations."--Dr. Kevin Leman, New York Times bestselling author of *Have a Happy Family* by Friday "Jonathan McKee is one of America's premier youth specialists, and this book will help you navigate the rough waters of teaching your kids healthy sexuality."--Jim Burns, PhD, president, HomeWord and author "Parents, take a deep breath. This book pulls no punches. But it will give you exactly what you need to walk alongside your kids at this time when they most need it."--Shaunti Feldhahn, social researcher, speaker, and bestselling author "A thorough, straightforward, and engaging resource that will both equip and inform a parent for effective, culturally relevant, and God-honoring conversations about sexuality and all its implications. It is a critical read in critical times."--Brian Berry, generation ministries pastor, Journey Community Church, La Mesa, California; and author "SO many parents I know don't feel equipped to talk to their kids about sex. This book helps you overcome the (guaranteed) awkwardness of conversations like that, and provides both tools AND motivation. I wish every parent would read it."--Scott Rubin, director of middle school ministry, Willow Creek Community Church "Jonathan McKee provides clarity and practical knowledge so that you and I can do more than just give a nervous 'talk' to our kids; we can be loving and consistent parents for

them as well."--Terry Linhart, PhD, educator, author, Bethel College--Indiana "Kids need parents who are educated, aware, and relevant when it comes to sex. Thankfully, Jonathan McKee gives us powerful, poignant, and practical tools to help us win in this delicate and scary parenting arena."--Doug Fields, co-founder of DownloadYouthMinistry.com, youth pastor for thirty years at Saddleback & Mariners Church, speaker, and author "McKee is a frontline youth worker with current and regular interactions with Christian teenagers wrestling with the intersection of their faith and their sexuality. Never condescending, Jon brings his writing style to a subject I wish more parents were talking about with their teens."--Mark Oestreicher, partner, The Youth Cartel and author "Jonathan McKee's book helps us to remember that 'the talk' is a myth at best, and a terrible strategy at worst. A lifestyle of preparation, a strategic series of discussions, and a proactive commitment to conversation is what our kids need, and this book will help any parent to walk with their kids in confidence."--Chap Clark, professor of youth, family, and culture, Fuller Theological Seminary  
*Sex is a Funny Word* - Cory Silverberg  
 2015-07-28

2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, *Sex Is a Funny Word* is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," *Sex Is a Funny Word* opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated *What Makes a Baby*, from sex educator Cory Silverberg and artist Fiona Smyth, *Sex Is a Funny Word* reimagines "sex talk" for the twenty-first century.

**It's Not the Stork!** - Robie H. Harris  
 2011-08-09

From the expert team behind IT'S PERFECTLY

NORMAL and IT'S SO AMAZING! comes a book for younger children about their bodies — a resource that parents, teachers, librarians, health care providers, and clergy can use with ease and confidence. Young children are curious about almost everything, especially their bodies. And young children are not afraid to ask questions. What makes me a girl? What makes me a boy? Why are some parts of girls' and boys' bodies the same and why are some parts different? How was I made? Where do babies come from? Is it true that a stork brings babies to mommies and daddies? IT'S NOT THE STORK! helps answer these endless and perfectly normal questions that preschool, kindergarten, and early elementary school children ask about how they began. Through lively, comfortable language and sensitive, engaging artwork, Robie H. Harris and Michael Emberley address readers in a reassuring way, mindful of a child's healthy desire for straightforward information. Two irresistible cartoon characters, a curious bird and a squeamish bee, provide comic relief and give voice to the full range of emotions and reactions children may experience while learning about their amazing bodies. Vetted and approved by science, health, and child development experts, the information is up-to-date, age-appropriate, and scientifically accurate, and always aimed at helping kids feel proud, knowledgeable, and comfortable about their own bodies, about how they were born, and about the family they are part of.

**What Makes a Baby** - Cory Silverberg  
 2013-05-07

Geared to readers from preschool to age eight, *What Makes a Baby* is a book for every kind of family and every kind of kid. It is a twenty-first century children's picture book about conception, gestation, and birth, which reflects the reality of our modern time by being inclusive of all kinds of kids, adults, and families, regardless of how many people were involved, their orientation, gender and other identity, or family composition. Just as important, the story doesn't gender people or body parts, so most parents and families will find that it leaves room for them to educate their child without having to erase their own experience. Written by a certified sexuality educator, Cory Silverberg,

and illustrated by award-winning Canadian artist Fiona Smyth, *What Makes a Baby* is as fun to look at as it is useful to read.

**Everything You Never Wanted Your Kids to Know about Sex, (but Were Afraid They'd Ask)** - Justin Richardson 2003

Written by two Harvard-trained doctors, this one-of-a-kind survival guide helps parents stay sane through every stage of their child's sexual development—from infancy to the teen years and beyond. Our generation was supposed to have sex all figured out. We knew it was healthy. We were too cool to ever get flustered. Then we had kids. And when those kids showed up with sexual ambitions of their own, suddenly we didn't feel so cool anymore. In fact, the confusion, fear, and (let's face it) outright panic we felt the moment our five-year-olds started asking, "Mommy, do you like to rub your wiener, too?" might have done our own parents proud. Well, understanding kids' sexuality doesn't have to be an angst-ridden enterprise. With confidence, wisdom, and humor, Dr. Justin Richardson, a psychiatrist and noted consultant on youth and sex, and Dr. Mark A. Schuster, a pediatrician and leading researcher on parenting strategies and adolescent sexuality, help us regain our equilibrium with this remarkable book. Smart, frank, and occasionally hilarious, this comprehensive guide offers practical and often surprising answers to the questions that bedevil parents at every stage in their children's coming-of-age. What do you say when your four-year-old daughter walks in on you having sex? What about when you walk in on her and the girl next door finger painting each other's bottoms? What, exactly, should you tell your third-grader about sex, and if he says, "That's gross!" does that mean you've said too much? And what about teenagers? Should you buy your son condoms? Should you try to prevent your daughter from having sex? Does telling her to wait actually work? Drs. Richardson and Schuster tackle these and countless other crucial challenges you're likely to face in the first twenty or so years of your children's lives. Packed with the latest research on parenting techniques and childhood sexuality and filled with helpful stories from real parents about what worked (and what didn't) with their kids, this authoritative volume offers advice and comfort to anyone who is hoping to

have a productive dialogue with young people about sex. Whether your focus is on protecting your teens from STDs or raising your little ones to understand their bodies, *Everything You Never Wanted Your Kids to Know About Sex (But Were Afraid They'd Ask)* is an indispensable resource that is sure to leave you educated, entertained, and relieved.

**Making a Baby** - Rachel Greener 2021-06-22

This inclusive guide to how every family begins is an honest, cheerful tool for conversations between parents and their young ones. To make a baby you need one egg, one sperm, and one womb. But every family starts in its own special way. This book answers the "Where did I come from?" question no matter who the reader is and how their life began. From all different kinds of conception through pregnancy to the birth itself, this candid and cozy guide is just right for the first conversations that parents will have with their children about how babies are made.

**Talk to Me First** - Deborah Roffman 2012-07-31

We live in a time when kids of all ages are bombarded with age-sensitive material wherever they turn; "sexting" and bullying are on the rise at an increasingly younger age, and teen moms are "celebrified." What is a concerned -- and embarrassed -- parent to do? With wit, wisdom, and savvy, Deborah Roffman translates her experiences gleaned from decades of teaching kids and parents, and as a mom, into strategies to help parents navigate this tricky terrain. *Talk to Me First* is for any parent who wants to become and remain the most credible and influential resource about sexuality in their children's lives.

**The Every Body Book** - Rachel E. Simon 2020-06-18

AASECT Book Award for Children under 18 years old American Library Association 2021 Rainbow Book List Top 10 Title for Young Readers This vibrant and beautifully illustrated book teaches children sex, gender and relationships education in a way that is inclusive of all sexual orientations and gender identities. Covering puberty, hormones, pregnancy, consent, sex, babies, relationships and families, it uses gender-neutral language throughout and celebrates diversity in all its forms, including race, ethnicity, faith, bodies, gender and sexuality. For use with children aged 8-12, it will

Downloaded from [legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-04-28 by guest

help answer their questions and spark open discussion with parents, carers and teachers. With informative illustrations and further resources and a guide for adults, The Every Body Book is the ultimate sex, gender and relationships education resource for children.
