**From Granny Panties to Thongs** Penny Burke 2013-04-06 It has been said that, over the course of a lifetime, a person will use only a fraction of the brain's capacity to learn. This would also be true of the heart's boundless capacity to love. This book is a collection of true stories spoken from the hearts of widowed women. Each was eager to crack open the door to her private world, and allow us an entrance inside. Many of the ladies have never told these stories to anyone, including immediate family. Their individual reasons for wanting to contribute vary, but they all share a common thread... to empower other widowed women. They speak candidly about being the single one at the dinner table, their desire to date again, and even the first time between the sheets. This treasured book will offer insight to those who are curious about dating and moving forward. From Granny Panties to Thongs is the portable paperback cheerleader for widows who hope to one day find love again.

But Elsa doesn't want to celebrate. She is lost, lonely, and full of rage, and only wants to sink as low as the drugs and alcohol will take her. On Catalina, her determined unraveling and recklessness expose painful memories and dark desires, putting everyone in the group at risk. With the creeping menace of Patricia Highsmith and the bender-chic of Bret Easton Ellis, Liska Jacobs brings you inside the mind of an angry, reckless young woman hell-bent on destruction—every page taut with the knowledge that Elsa's path does not lead to a happy place. Catalina is a compulsive, deliciously dark exploration of beauty, love, and friendship, and the sometimes toxic desires that drive us.
