Date Like a Girl Marry Like a Woman - Jessica R Bunevacz 2016-03-17

Navigating our romantic lives can be filled with incredible highs and unfathomable lows. Everyone enters relationships with a unique idea of what makes connection work. But even with our differences, we have a common thread running through all of us: the deep desire to love and be loved. Based on her experiences, and with the help of her closest friends and the men in her life, author Jessica R. Bunevacz created a series of guidelines for women looking to enjoy dating and romance and avoid common pitfalls and difficulties. Whether you're dating, getting ready to walk down the aisle, or are already married and looking to take your marriage to the next level, it's profoundly important to celebrate where you are on your journey and make every day special and meaningful for yourself and those around you. "Date like a Girl, Marry like a Woman" incorporates Bunevacz's own stories of love, dating, and marriage with practical advice for today's modern relationship and reminds readers not to settle for anything less than the best.

The Man's Guide to Women - John Gottman 2016-02-02

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned

relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.
