Bath Tangle Georgette Heyer 2011-07-01 "Witty, humorous, a well-constructed plot."-Candace Camp, New York Times bestselling author of Suddenly A Delightful Tangle of Affairs... The Earl of Spenborough had always been noted for his eccentricity. Leaving a widow younger than his own daughter Serena was one thing, but leaving his fortune to the trusteeship of the Marquis of Rotherham ? the one man the same daughter had jilted ? was quite another. When Serena and her lovely young stepmother Fanny decide to move to Bath, Serena makes an odd new friend and discovers an old love. Before long, they're all entangled in a clutter of marriage and manners the likes of which even Regency Bath has rarely seen. What Readers Say: "Bath Tangle has all the fun and frolic that has delighted Ms. Heyer's fans for years" "Brilliant character portrayals, wity dialogue, vivid imagery, and smooth pacing...a novel not to be missed!" "Romance, history, nostalgia-who could ask for more? The story is...full of humorous suspense.

Love In The Library Cheryl Bolen 2013-10-07 The Beauty and the Scholar. . . The Brides of Bath are Back! Book 5 in The Brides of Bath series. Certain the "smart" Steffington twin is the person who can help her recover her late husband's nearly priceless stolen Chaucer manuscript, Catherine Bexley tearfully persuades the scholar to assist her. A deal is struck. She's particularly pleased that the Doctor of Letters is not interested in seducing her because she's finished with men (owing to her late husband's multitude of unfortunate alliances with. . .doxies). Regaining the manuscript and its subsequent sale will give her independence to ensure she never has to marry again. Once he learns the poor, delicate widow is in danger of losing her heavily mortgaged home if they cannot find the valuable hologram, Dr. Melvin Steffington vows to do everything in his power to restore the rare Canterbury Tales to her. It's obvious the pretty little thing needs a man to help her. Not normally the twin to take note of pretty little things, Melvin can't help but to observe that Mrs. Bexley's physical appearance is much like the beauties so admired by his twin brother. He hadn't counted on the fact he would have to pose as her husband as they race against the banker's ticking clock. He hadn't counted on the mysterious thief attempting to kill him. Most of all, he hadn't counted on how close he would become to the lovely widow or how the kissing of said widow would become the most pleasant experience in his entire seven and twenty years. . .

Though the lovely twins are identical, it is the scattered-looking one who catches the eye of Alex, the Duke of Axminster. She is the only woman he knows who shares his passion for politics. But how can he withstand the assault from her scheming mother who's determined he woo the wrong sister?

The Wallflower's Christmas Wish Cheryl Bolen 2022-10-18 At the age of four and twenty, Miss Diana Furness is a confirmed spinster. Not only is she possessed of a nondescript appearance, but a stepmother with two daughters of her own to launch has convinced Diana she's inconsequential. Only one thing has ever given her joy: her artistic talents. The marriages, one by one, of his circle of friends and siblings has left Sir Elvin Steffington feeling most bereft. Perhaps it's time for him to join their ranks. Unfortunately, there doesn't seem to be a single beauty in Bath for him to woo. Added to that dilemma, his sister, who's married and moved off to Yorkshire, has begged for his portrait as her Christmas present. He bloody well does not want to pose for a portrait, but his love for his sister wins. A chance encounter convinces him the exceedingly plain Miss Furness is the only person in Bath capable of painting his portrait, but he must first convince this talented amateur. After bribing the stepmother, Elvin and Diana are together on a daily basis while he poses for the portrait. This closeness reveals there's much more to the plain spinster than being a wallflower. Could he fall in love with a woman so vastly different from any woman to whom he's ever been attracted? Could an intelligent woman like her even be attracted to a sport-mad man such as he?

With His Ring Cheryl Bolen 2011-05-27 Glee Pembroke has turned down countless offers of marriage because she has secretly been in love with her brother's best friend, Gregory Blankenship, all her life. When she learns Gregory will lose his considerable fortune if he's not wed by his twenty-fifth birthday, she persuades him to enter into a sham marriage with her. What he doesn't know is that she plans to win his heart. She will do everything in her power to make him happy - including mimicking the ways of a "fast" woman since he's noted for alliances with women of that sort. Why did he ever allow himself to marry the maddening Glee? He'd thought they would have great fun, but at every turn, she exasperates him. Why does she persist in wearing the bodice of her dresses so blasted low? Why do other men persist in flirting with her, his wife? And why in the blazes has his heretofore complacent life been turned upside down by this sham marriage? He finds himself longing for a real marriage, but for reasons he cannot divulge, that can never happen.
