Hot Mama - Kathi Lipp

2015-08-25

If you ask the average woman how much sizzle there is in her marriage, she'll probably answer, "Not enough!" Being a mom is overwhelming, and it's easy for moms to slip into the habit of allowing responsibilities for kids, work, and church to interfere with their relationship with their husbands. They don't have the energy or the ideas they need to have a spicy, satisfying sex life. Hot Mama to the rescue! Kathi Lipp and Erin

MacPherson set out on a mission to find out what it takes for busy moms to feel confident and sexy. In this witty book, they share hilarious stories and creative ideas from moms all over the country that will help readers build a relationship with their spouse that's happy, healthy, and fun. From building confidence and banishing guilt to flirting (remember that?) and wearing clothes that make you--and him--feel hot, Kathi and Erin offer women all the

encouragement, motivation, and know-how they need to take their sex lives from ho-hum to hot.

*Secrets, Sex, and Spectacle -*

Mark D. West 2008-09-15

A leader of a global superpower is betrayed by his mistress, who makes public the sordid details of their secret affair. His wife stands by as he denies the charges. Debates over definitions of moral leadership ensue. Sound familiar? If you guessed Clinton and Lewinsky, try again. This incident involved former Japanese prime minister

Sosuke Uno and a geisha. In *Secrets, Sex, and Spectacle*, Mark D. West organizes the seemingly random worlds of Japanese and American scandal—from corporate fraud to baseball cheaters, political corruption to celebrity sexcapades—to explore well-ingrained similarities and contrasts in law and society. In Japan and the United States, legal and organizational rules tell us what kind of behavior is considered scandalous. When Japanese and American scandal stories differ, those rules—rules that define what’s public and what’s private, rules that protect injuries to dignity and honor, and rules about sex, to name a few—often help explain the differences. In the cases of Clinton and Uno, the rules help explain why the media didn’t cover Uno’s affair, why Uno’s wife apologized on her husband’s behalf, and why Uno—and not Clinton—resigned. *Secrets, Sex, and Spectacle* offers a novel approach to viewing the phenomenon of scandal—one that will be applauded by

anyone who has obsessed over (or ridiculed) these public episodes.

**True Mom Confessions** - Romi Lassally 2009-04-07

Mothers' hilarious, outrageous, heartfelt admissions

"Sometimes I lock myself in the bathroom." "I put an educational DVD on so I could have sex. It wasn't with my husband." Romi Lassally provides a judgment-free zone where women can reveal their mommy misdemeanors. From not feeling like cleaning up vomit in the middle of the night, to barking something completely inappropriate to the children, to wanting to be pawed by hands that aren't covered in jelly, the confessions pour in daily. Heartfelt and hilarious, naughty and nasty, frank and outrageous, the confessions culled together for this book represent the best-or the worst?-of those humbling hidden secrets of motherhood in all its glorious messiness as improvisation and triage. They dare to suggest that it's okay for moms to make mistakes, to

have unkind thoughts, to publicly or privately embarrass themselves-and above all to be human.

The Secret Sex Life of a Single Mom - Delaine Moore  
2012-03-06

For seven years, Delaine Moore devoted herself to being the perfect wife and stay-at-home mom. Then, one day, she discovers her husband's infidelities, and suddenly she finds herself in a new role: 37 years old, mother of three . . . and going through a divorce. In the midst of this emotional turmoil, Moore discovers that her long-dormant libido has suddenly come alive—and, surprising even herself, she decides to listen to what it's saying. *The Secret Sex Life of a Single Mom* is the funny and empowering story of the physical and spiritual self-discovery that results from Moore's sexual awakening. Connecting with a fiery, daring side of her personality that has been subsumed by motherhood and marriage, Moore tries out everything from sex clubs and young gigolos to bondage and multi-partner sex—testing her limits, reclaiming her body, and taking control of her life along the way. More than the story of a woman's breaking and remaking after divorce, *The Secret Sex Life of a Single*

Mom is a humorous, thoughtful exploration of what it means to be a mother and a sexual being, and a reminder that when life slams you down, a little fire won't burn you—it will awaken you.

## My Girlfriend's Mother -

Avery Rowan

Spring break was to be Brad's last hoorah before his college graduation. He looked forward to hitting the nightclubs with his girlfriend, Susan, and dancing the night away. However, Susan has other plans, and soon, Brad finds himself back at her house, keeping her mother company. Not the vacation he desired when he thought he would have long nights in Susan's arms. Adding insult to injury, they're not even allowed to sleep in the same room! Turns out, that's a good thing as Susan's mother makes Brad's trip worthwhile, making up for her daughter's frigidity. The nights have never been hotter! One-click My Girlfriend's Mother now to see how Susan's mother makes Brad's spring break simmer. As women, we all have a story within us about a sexual experience that was unforgettable. Perhaps it was incredible, earth shattering, life changing, and wonderful. Perhaps it wasn't romantic or pleasurable, but awkward, painful or forced upon us. Many of us have kept our experiences secret because, by exposing our stories, we expose ourselves and our feelings around sex. In My First Time, southern African women have shared their stories about their significant first time experiences of sex and sexuality. This is a collection of honest, powerful, and brave accounts. Some joyful, others funny and some heartbreaking, but all of them

important for women, and hopefully men, to read. This is the perfect book for you to read to reflect on your own first times. This is the perfect book to share with your mother, sisters, and friends.

[Craigslist Confessional](#) -

Helena Dea Bala 2020-07-07

“Touching.” —The New York Times For fans of Humans of New York and PostSecret, a collection of raw, urgent, and heartfelt stories, shared anonymously. Helena Dea Bala was an exhausted and isolated DC lobbyist, suffocating under the weight of her student loan debt, when she decided to split her lunch with a man who often panhandled near her office. They chatted effortlessly as they ate; there were no half-truths or white lies, and no fear of judgment. Helena felt connected and unburdened in a way she hadn't in years. Inspired, she posted an ad on Craigslist promising to listen, anonymously and for free, to whatever the speaker felt he or she couldn't tell anyone else. Emails from people desperate to connect flooded her inbox, and she listened. Within months, Helena quit her job, deferred her loans, and dove into listening full time. The forty first-person confessions in this book are vivid, intimate, and real; they range from

devastating traumas, to lost loves, to reflections on hard choices. Some accounts are quotidian, like that of one increasingly estranged husband: "I want to feel that we're not just roommates—that we're not just waiting for the kids to grow up so that we can move on." Others are deeply disconcerting, like that of a sex addict employed by a religious organization and several are heartening, like that of a mother who dares to hope that her daughter, born with life-threatening heart defects, will one day walk down the aisle: "Sometimes you need to have the audacity to believe that it will all be okay, that it is okay to have the same kinds of dreams as everyone else." In its complex portrayal of the common human experience, Craigslist Confessional challenges us to explore the depths of our vulnerability and expand the borders of our empathy.

Call Me Sasha - Geena Leigh  
2014-01-01

After suffering sexual abuse at the hands of her father, Geena

Leigh ran away from home at 15. Discovering that she could earn large amounts of money a few nights a week, and without any education or options, Geena fell into prostitution, first of all in Brisbane's Fortitude Valley and later in Sydney and overseas...During the years that followed much of the time Geena was addicted to drugs; she endured a failed marriage, a miscarriage, a failed attempt at IVF and charging a housemate with rape. Despite all this she managed to clean up her act, to complete her secondary schooling and go on to get a double university degree. Today she has a successful career and loving relationship...Geena's story is an honest and compelling account of her adventures, misadventures, and ultimate salvation...' I gazed intently into my blue eyes as I wiped off the thick layer of foundation, eye-shadow and ultra-glossy scarlet-red lips. I applied a light, fresh-faced amount of make-up and put my hair in a soft ponytail. I took the money

from my work handbag and stuffed it into my jeans pocket, leaving the handbag itself on the dressing table. I didn't leave via the back entrance. I had no reason to hide. I didn't say goodbye to anyone. I walked purposefully across the floor for the last time and advised the receptionist, 'I

know I've said this about seven times before, but this time I'm serious. I don't work here anymore.'..'OK. Sasha. All the best!' she said...I'd worked there for sixteen years. Felt like I grew up there. This time I walked out and never went back. I was free! '
