Lightness In My Dark - Denise Baer 2022-08-08

A Three-Year Marriage Contract. Financial Freedom. All she has to do is sign on the dotted line. Finn Trevino's principal goal is to become CEO of his family's business at Trevino Holdings. To do so, he needs to change his ways. Finn is like the calm before the storm—magnetic energy—waiting to release its force. He has everything, except a trustworthy wife to devote her time to him and keep his secrets. Knotted by her clandestine past, Wren Jagger keeps to herself, preferring quiet and appearing

reserved to those around. By accident, Wren stumbles her way into Finn's life after losing her job. She does not know how much she'll have to weather the storm and prays it will break soon. If she survives Finn's behavior, she'll be financially set for life. For the volatile Finn to crack, and the battered Wren to trust, they must become the lightness in each other's dark. Author's Note: Lightness In My Dark is a standalone, slow burn, steamy, dark contemporary romance sprinkled with humor. My characters are flawed and reckless. They're tangled and raunchy... and sometimes downright adorable. The story delves into unpleasant but real issues. It contains adult content and triggers. Reader discretion is advised. Games We Play - PG Forte
2023-01-23

PG Forte's "three for the holidays" trilogy, the *Games We Play* series, is now available in a convenient e-boxed set! Truth or Dare Gwyn has her hands full these days trying to help save the family business--a quirky hotel on the Jersey Shore. She has no time for romance. But when the two men with whom she once spent a drunken ménage weekend show up with a sexy proposition, how can she resist? Berke and Cam might have broken her heart seven years ago, but Gwyn is older now and wiser. She's not looking for forever. She just wants a good time. And, after all, it is Valentine's Day. For

Berke and Cam, the weekend isn't just about fun, or adding some spice to their marriage; it's about winning back the woman who got away, and convincing her to give a committed three-way relationship a shot. They each have skills that could help make the hotel a success—and they're not above bartering to get what they want. but first they have to get past the walls Gwyn's built to keep them out. But while Cam's biggest concern is making sure Gwyn doesn't break Berke's heart a second time, Berke is worried about what Cam will think if he learns about Berke's part in screwing things up the last time around. Never Have I Ever Kristy loves Luke but if anything was clear to her back when they were kids, it was that gawky, awkward, tomboys didn't stand a chance with the king of the schoolyard. She watched her older brothers set their caps for Luke's glamorous cousins, and get shot down. So she did what she had to in order to salvage her friendship with Luke. She hid her true

feelings and her need for him to take control. Luke wants Kristy in the worst way-- actually, in all the worst ways: tied up, held down, bitten, whipped. But he knows he has no chance of ever having her. They'd been childhood friends and sweethearts, until she friend-zoned him in the fifth grade. He knows he can either keep her as a friend, or take her to bed and lose her forever. His biggest mistake--so far-- was in hiring her to work alongside him in the bar he and his cousins inherited from their grandmother. He knows Kristy needs the money and the job, but Luke's self-control can't take the constant contact with the girl he wants to dominate-- both in and out of the bedroom. Something has to give--and soon! Two Truths and a Lie All work and no play has been the story of Brenda Donovan's life for the past few months. Concerned about the future of her family's inn, she's been searching for a buyer for the business--without her cousins finding out what she's up to. She has no time for

relationships. But pretending to date sexy Max Murphy, the hotel scout who's there to assess the property? That's totally doable. Especially when games, role-playing, and light bondage are part of the package. Falling in love was never supposed to be part of the package, however, and now her heart's in play. Max has no problem with hiding his true identity from Brenda's cousins. But are they the only ones he's deceiving? When all is finally revealed will the cousins lose the Wild Geese Inn? Or will they add another member to their growing family? Note: All of the stories in this set were previously released as single titles.

- Ann Caruso 2012-03

Diary of a Sorority House Mom recount's Ann Caruso's first two years as house director for a female version of "Animal House," where the women of the house set and enforced their own rules. When the girls asked if they could recycle liquor bottles during their first meeting, she knew she was in trouble. Though the house director contract and manual mandated that Ms Caruso was responsible for the safety of the girls, she had no authority to carry out that task. There was no tab on the manual for "what happens if a drunk girl falls out of the third floor window, gets raped, or dies of alcohol poisoning." It was common to find kegs icing in the bathtub, bottles of alcohol used as room decorations, and when she asked the risk-management vice president if she wanted to know when a guy spent the

night, her response was, "Why? Has someone complained."

Diary of a Sorority House Mom will make you laugh out loud, and bring you to tears. It is sometimes hysterical, and at others disturbing or disgusting, but it was her life for two years. Her first sorority girls gave her eighteen of the happiest and six of the saddest months of her life. And for the most part, she wouldn't have changed a thing.

Every Last Psycho - Zarina Macha 2019-06-05

Every Last Psycho contains two tales of two girls: *Every Last Thought* and *Psycho Girl*. One girl hears voices screaming in the shadows; the other burns with self-absorbed hunger.

Every Last Thought 'Rocking backwards and forwards; deep breaths in and out' Sixteen-year-old Tess Davis suffers from schizophrenia, triggered six years ago by the onset of her twin brother's death. She's felt broken ever since. But when new guy Ed moved to her school two years ago, life gave her a reason to live joyously.

Ed made her happy, becoming

the friend she needed. But she didn't plan to fall in love with him, and love isn't always requited. Distracted by Ed's new girlfriend and a horrific trauma Tess endures, she finds herself spiraling out of control and into cocaine-fueled delusions. Will she be able to regain a grip on life? Psycho Girl 'Deep inside, I feel nothing. I am nothing.'

Eighteen-year-old Evelyn Baxter is beautiful, confident, popular and well off. Everyone loves her; her friends, her family, her boyfriend. She is all set to apply to the University of Cambridge to study Law. But when another girl in her year gets accepted into Cambridge and she doesn't, Evelyn's perfect mask starts to peel away. Murder, deceit and manipulation show Evelyn to be the monster she truly is. But will those around her realize it? One is the victim of cruelty, the other creates it. One lives in the concrete jungle of London, the other in the suburban town of Bletchfield. Both novellas are in one binding, echoing the dark horrors within.
