Along the Shore - L. M. Montgomery 1990

Along The Shore: Tales by the Sea is the second charming collection of L.M. Montgomery's rediscovered stories to be reprinted from Rea Wilmshurst's collection. A companion to Akin to Anne: Tales of Other Orphans, this book offers a wide-ranging selection of Montgomery's tales that exemplify her story-telling art. Linked by the presence of the sea, these sixteen tales are eloquent statements of Montgomery's love for the "wonderful purple shores and sweeps of shimmering blue water" of her native Prince Edward Isl children's adventures, poignant romances, humorous and tragic stories combine to form a memorable volume.

Montgomery spent half her life away from her beloved Island, but when she died her body was returned to the Cavendish cemetery, to lie within sight and sound of the sea she loved so well. These stories live as vivid reminders of that love.

Red, White & Royal Blue - Casey McQuiston 2019-05-14

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read!
