Story duet, Sam and Lucy discover that sometimes it's not about finding love, it's about saving it. Even when we were kids, the connection between us was overwhelming. I knew Sam and I were soulmates, destined to be together. Breaking that love would mean breaking us. And for a little while, that happened. I lost the man who had always been my other half. After too much heartache and too many years apart, we've finally found our way back to each other. But Sam's professional boxing career is getting in the way of our happy ending. I don't know how much longer I can watch him take another crushing punch, knowing each one knocks him closer to danger. He's killing himself. For me. For us. And for one tiny other... Then the blow comes. It's not the one I thought it would be--fist in glove--but the result is the same. We're on the verge of losing everything we fought for. Everything we sacrificed for. We thought we paid the price. We thought we had it all. But what if my love isn't

enough to bring Sam back to me? "Captivating, sexy, emotional and deeply romantic. If you love second-chance romances, you do not want to miss this duet that delivers all the feels." -Frolic Love Story Duet: Book 1: A Love Like Yours Book 2: A Story Like Ours

Love Like Ours - Melissa Foster 2018

One wrong move, and she meets a guy with all the right ones... Talia Dalton lives her life on cruise control. Despite her successful career as a professor, she prefers protecting her broken heart to taking chances. She's calm, cool, collected, and steady. Until the morning she takes her eyes off that familiar road and almost runs over the sexiest man she's ever seen. It may not be the best way to start the day, but it might be the type of shake-up she needs. Male dancer Derek Grant has goals, and nothing is going to get in the way of achieving them. As a graduate student and the sole caretaker of his ailing father, he hasn't much time for relationships. Then Talia crashes into his life. Sweet, pretty--

and so buttoned-up that he can't wait to help her cut loose. For Derek, falling in love was a beautiful accident waiting to happen. And it might be exactly what Talia needs--if she's willing to let go of the past and embrace every surprise Derek has to offer.

A Love Like Ours (A Porter Family Novel Book #3) - Becky Wade 2015-04-28

2016 RITA Award Finalist Former Marine Jake Porter has far deeper scars than the one that marks his face. He struggles with symptoms of PTSD, lives a solitary life, and avoids relationships. When Lyndie James, Jake's childhood best friend, lands back in Holley, Texas, Jake cautiously hires her to exercise his Thoroughbreds. Lyndie is tender-hearted, fiercely determined, and afraid of nothing, just like she was as a child. Jake pairs her with Silver

Leaf, a horse full of promise but lacking in results, hoping she can solve the mystery of the stallion's reluctance to run. Though Jake and Lyndie have grown into very different adults, the bond that existed during their childhood still ties them together. Against Jake's will, Lyndie's sparkling, optimistic personality begins to tear down the walls he's built around his heart. A glimmer of the hope he'd thought he'd lost returns, but fears and regrets still plague him. Will Jake ever be able to love Lyndie like she deserves, or is his heart too shattered to mend? Praise for Becky Wade "I wasn't ready for this story to end, but when it did, I sighed the happy/longing sort of sigh that romance readers know so well..."--USA Today on Undeniably Yours "They are a couple you'll be rooting for to have their Texas fairy-tale ending."--Romantic Times on Undeniably Yours "I adored this book. A Love Like Yours - Robin Huber 2019-05-21
In this "emotional and heartfelt" (Mia Sheridan) debut, childhood sweethearts have a second chance at true love--but can they overcome the past that tore them apart? I've been a fighter all my life, even before I made it my career. As a kid in the foster system, I didn't have any other choice. But I've never fought for something--for someone--as hard as I fought for Lucy. I was her

protector, her hero--and she was my everything. From the day we met, she made our grim days in Atlanta's notorious Brighton Park fade away--leaving only us. But we broke each other's hearts, and we did a damn good job of it. A decade has passed since I last saw her, but not a day goes by that I don't think of her clear blue eyes or easy smile. So when I see her at one of my matches--and find out that she's engaged--I need to understand why she turned her back on me all those years ago. Because no matter what I do, no matter how many guys I knock out in the boxing ring, I can't forget her. So I'm not giving up on her. I'm not walking away. I'm going to fight for Lucy one last time.
