**Sex with Shakespeare** - Jillian Keenan 2016-04-26

A provocative, moving, kinky, and often absurdly funny memoir about Shakespeare, love, obsession, and spanking. When it came to understanding love, a teenage Jillian Keenan had nothing to guide her—until a production of *The Tempest* sent Shakespeare's language flowing through her blood for the first time. In *Sex with Shakespeare*, she tells the story of how the Bard's plays helped her embrace her unusual sexual identity and find a love story of her own. Four hundred years after Shakespeare's death, Keenan's smart and passionate memoir brings new life to his work. With fourteen of his plays as a springboard, she explores the many facets of love and sexuality—from desire and communication to fetish and fantasy. In *A Midsummer Night's Dream*, Keenan unmasks Helena as a sexual masochist—like Jillian herself. In *Macbeth*, she examines criminalized sexual identities and the dark side of "privacy." *The Taming of the Shrew* goes inside the secret world of bondage, domination, and sadomasochism, while *King Lear* exposes the ill-fated king as a possible sexual predator. Moving through the canon, Keenan makes it abundantly clear that literature is a conversation. In *Sex with Shakespeare*, words are love. As Keenan wanders the world in search of connection, from desert dictatorships to urban islands to disputed territories, Shakespeare goes with her—and provokes complex, surprising, and wildly important conversations about sexuality, consent, and the secrets that simmer beneath our surfaces.

[Vagina Problems](#) - Lara Parker 2020-10-06

"In *Vagina Problems*...Lara Parker unpacks the personal and economic costs of endometriosis." —*Vanity Fair* "A refreshingly honest read about living with chronic pain." —*Hello Giggles* With unflinching honesty, Lara Parker, the Deputy Director for BuzzFeed, shares her day-to-day challenges of living, working, and loving with chronic pain caused by endometriosis in this raw, darkly humorous, and hopeful memoir. I wasn't ready to be completely honest about my vagina yet, and the world wasn't ready for that either. But I was getting there. I wanted the world to know that all of this pain I had been feeling...that it was related to my vagina. Thus, *Vagina Problems* was born. It was a cutesy name. It was my way of taking this pain and saying, "Whatever. I'm here. I have it. It sucks. Let's talk about it." In April 2014, Deputy Editorial Director at BuzzFeed Lara Parker opened up to the world in an article on the website: she suffers from endometriosis. And beyond that? She let the whole world know that she wasn't having any sex, as sex was excruciatingly painful. Less than a year before, she received not only the diagnosis of endometriosis, but also a diagnosis of pelvic floor dysfunction, vulvodynia, vaginismus, and vulvar vestibulitis. Combined, these debilitating conditions have wreaked havoc on her life, causing excruciating pain throughout her body since she was fourteen years old. These are her *Vagina Problems*. It was five years before Lara learned what was happening to her body. Five years of doctors insisting she just

had "bad period cramps," or implying her pain was psychological.

Shamed and stigmatized, Lara fought back against a medical community biased against women and discovered that the ignorance of many doctors about women's anatomy was damaging more than just her own life. One in ten women have endometriosis and it takes an average of seven years before they receive an accurate diagnosis—or any relief from this incurable illness' chronic pain. With candid revelations about her vaginal physical therapy, dating as a straight woman without penetrative sex, coping with painful seizures while at the office, diet and wardrobe malfunctions when your vagina hurts all the time, and the depression and anxiety of feeling unloved, Lara tackles it all in *Vagina Problems: Endometriosis, Painful Sex, and Other Taboo Topics* with courage, wit, love, and a determination to live her best life.

**Sex Without Pain** - Heather Jeffcoat (DPT.) 2014-02-15

*Very First Time* - Sarah Pain

□ INTRODUCTION: Get the ten of Sarah Pain's lesbian stories in one exclusive bundle. This anthology has stories that have never been published in any other collection! Stories in this Collection are Very Hot and Seductive beyond what you would expect from typical lesbian romance short stories collection. This amazing Lesbian Short Stories contains TONS of romantic, steamy and highly passionate sexual encounters that you would definitely LOVE to read again and again for experiencing abundance of PLEASURE like never before. This book includes ten lesbian stories: - BEAUTIFUL ANGEL - BETWEEN THE TWO - CHANCE - CHANGES - MORE THAN SEX - NAVIGATIONS - RECORD STORE - THE DESIRES - THE RENOVATION - TIME AND AFFECTION ♦ GENRE: Lesbian / LGBT □ WARNING: This Book contains mature language and content intended for 18+ readers only!

**My First Time** - Jen Thorpe 2012

As women, we all have a story within us about a sexual experience that was unforgettable. Perhaps it was incredible, earth shattering, life changing, and wonderful. Perhaps it wasn't romantic or pleasurable, but awkward, painful or forced upon us. Many of us have kept our experiences secret because, by exposing our stories, we expose ourselves and our feelings around sex. In *My First Time*, southern African women have shared their stories about their significant first time experiences of sex and sexuality. This is a collection of honest, powerful, and brave accounts. Some joyful, others funny and some heartbreaking, but all of them important for women, and hopefully men, to read. This is the perfect book for you to read to reflect on your own first times. This is the perfect book to share with your mother, sisters, and friends.

*Sexless in the City* - Kat Harris 2021-04-20

Discover a renewed biblical vision for sex, singleness, and relationships, and transform into an empowered woman of faith equipped to navigate today's dating culture with vision, clarity, and freedom. Let's face it:

being single in today's culture as a woman of faith can be a STRUGGLE FEST. But it doesn't have to be. With real talk and straight wisdom, speaker, podcaster, and founder of The Refined Woman Kat Harris says it's time for a new conversation about singleness, sex, and desire. Growing up at the height of the purity movement, Kat knew this much: good Christians don't have sex until marriage. But approaching 30 and thrust into the New York City dating scene, she found a set of rules was not a compelling enough reason to keep her clothes on. Caught between purity culture's rules and popular culture's do what feels good, Kat began a multi-year journey searching for answers to the biggest questions about sexuality and faith: What does the Bible really say about sex? Why does almost everyone deal with some sort of sexual shame? But really--what's a single girl to do with her sexual desire? What if we never get married . . . then what? It turns out Kat was asking questions that countless women were dying to ask but didn't know they had the permission to do so. Hungry for clarity, she researched, wrestled, and discovered a God who wasn't afraid or ashamed of sex and desire as she thought He might be. In actuality, God created sex and desire within humanity and called it very good. Now she believes God desires to restore a generation disillusioned with purity culture and Christian dating, discouraged about their singleness, ashamed of their sexual desire, and uncertain how to practically walk this season out well. Join Kat on her messy, sometimes painful, and always honest journey to discovering God's heart for sexuality, desire, singleness, and our purpose within it all.

**'the Pain of Love [revised Version]** - Kebaneilwe GAREBATHO  
2022-04-13

This book reflects five things which keep a relationship running smoothly especially in Botswana, Africa. Botswana is a middle income country with majority of the people having difficulties in having adequate money. If you are having any problem in your relationship, even if your partner is cheating on you, check within the five things to see what can be the cause of your problem. The five things are; \*MONEY. If money is not there in the relationship, conflict is bound to be there. Or if money is there and one of the two is misusing it, conflict is also bound to be there. Or if money is there and the two cannot agree on what to do with it having different opinions, conflict is also bound to be there. And as money is physical as well as spiritual, when someone has money, he/she becomes untouchable and uncooperative to the other until money gets finished. This is so as majority of the people in the country are having financial problems. It is not everybody who has adequate money. \*FOOD. If there is no food and the two are hungry, the two will then focus more on hunger than anything else. The two will be stressed, weak and can't concentrate on their love affair. This can drive one of the two to find somebody who can provide food in exchange either for sex or something else. That person can spend more time with the person who is providing food for him/her than his/her permanent partner. And this can end up not going well with the partner who is attention starved. For someone especially when extended family members are around, when he/she has money and bought food thinking that the food is going to sustain them for the whole month, if food gets finished before the expected time, when the one who bought it is told of the situation, he/she starts to get angry accusing extended family members of finishing food in the house. Suppose the two are staying together having no extended family members, one of the two has money and the other one doesn't, one of the two buys food only to find the partner with friends, eating the food one has bought. The one who has bought it will start to complain saying he/she is buying food only for the other to throw a party with friends in the house fully knowing that he/she is not the one buying it. \*SEX. If one of the two is denied that sexual encounter he/she will spend endless days angry and is irritated by anything. He/she will complain about anything. Some of the things he/she complains about are trivial. Because of being denied that sexual encounter, everything that his/her partner does is wrong. Because a sexually hungry person is a very angry person. He/she cannot differentiate between serious and small matters. Facts and wild thoughts. Other people starve their partners sexually and expect their partners to produce a smile the following day in the morning when they wake up. Majority of the people can't take that kindly as they feel that that is total torture to them. Other people expect to be told that they are deeply loved and are the best people to be in love with after denying their partners sex. If the one denied sex thinks of pronouncing his/her deepest love for the other after spending a sleepless night in an attempt to persuade the partner to have it with him/her to no avail, when he thinks of saying "I love you" he/she better think of saying "you know what, when I look at you, I'm feeling disgusted and feeling like vomiting.

\*ACCOMMODATION. If the two are not staying under the same roof, one of the two can be influenced by the environment one is living in and end up doing something which can affect the other badly. \*LACK OF GOOD COMMUNICATION AND RESPECT. A lot of people are losing their relationships because of poor communication and lack of respect for the other. Other people are finding themselves on the rocks because of the words they use to their partners while others are losing their relationships just because they fail to apologize to their partners. While others are car

**Pain, Sex and Time** - Gerald Heard 1939

**Pain, Sex and Time; a New Hypothesis of Time** - 1940

**Hurts So Good** - Leigh Cowart 2021-09-14

An exploration of why people all over the world love to engage in pain on purpose--from dominatrices, religious ascetics, and ultramarathoners to ballerinas, icy ocean bathers, and sideshow performers Masochism is sexy, human, reviled, worshipped, and can be delightfully bizarre. Deliberate and consensual pain has been with us for millennia, encompassing everyone from Black Plague flagellants to ballerinas dancing on broken bones to competitive eaters choking down hot peppers while they cry. Masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is about feeling bad, then better—a phenomenon that is long overdue for a heartfelt and hilarious investigation. And Leigh Cowart would know: they are not just a researcher and science writer—they're an inveterate, high-sensation seeking masochist. And they have a few questions: Why do people engage in masochism? What are the benefits and the costs? And what does masochism have to say about the human experience? By participating in many of these activities themselves, and through conversations with psychologists, fellow scientists, and people who seek pain for pleasure, Cowart unveils how our minds and bodies find meaning and relief in pain—a quirk in our programming that drives discipline and innovation even as it threatens to swallow us whole.

[Listen to Him](#) - Kandéa V Angel 2022-11-13

Each and every one of you I spoke of; you encouraged me to keep pushing. Most of my plans fell apart and I still chose to push through because I believed. That's FAITH! As painful as those times were, God never left me. Having many broken hearts, I have to say.... if I did not meet the person I still love today (Messiah), yet alone fall so sick and madly in love with him, I'm not sure if I'd be writing a book or rather completing it. I do have a lot to say. He did say one time that I write movie scripts due to my stories, but it was a joke. I might as well have turned it into a book. Would he ever return and stay true to his family? If it weren't for him breaking my heart more terribly, I wouldn't have reached this far in closing. I've taken on Entrepreneurship in Leadership and Management, Software Engineering, and becoming an author/entrepreneur...as well as a healthier diet, and a better lifestyle overall because of him. Also, had he stayed with me presently during the times I went from state to state being homeless, he wouldn't have accomplished the success he has today with his business.... nor would I be able to add the struggle to my story or book to let you all know that nothing is truly impossible. He's innovative and smart, and I knew that he had the potential to become more than he could ever think of. I knew he had a dream to chase, so I encouraged him. I am glad that I supported the jump off for his entrepreneurial success. Had he stayed, we would've probably been married and had more children instead first. Sometimes what we want for ourselves does not line up with what God has for us. Thanks to Messiah, it was proven that I could take on and handle the responsibilities of a mother, a potential wife, a partner, and a true friend all together. By his distant love and lectures, and by God's grace and mercy, I'm getting to know all that I can be! My love, you are the flame to my candle for me to shine. Forever my heart; I love you!!!

*Better When It Hurts* - Skye Warren 2015-06-04

**7 Steps to Pain-Free Sex** - Claudia Amherd 2013-10-05

This book was written for you, if you experience vaginal tightness or suffer from vaginismus, vulvodynia, sexual pain after giving birth, vaginal stenosis after radiation of the pelvis, pain after gynaecological surgery and other conditions concerning chronic pelvic pain. The main part of this book is an easy to follow program to overcome these conditions. In 7 simple steps you will learn how to overcome successful sexual pain, vaginismus or chronic pelvic pain using empowering exercises. You'll learn how you activate, train and relax the pelvic floor, the muscles that

surround your vagina. You'll learn a short but effective relaxation technique, the progressive muscle relaxation. After these steps you will learn how you insert your finger or a medical dilator without pain or a burning sensation. Yes, it takes time, practice, and effort. If you want to get results using this programme, you will have to do something. You will have to take action. But if you are willing to follow these 7 simple Steps of the author's programme - and don't give up when you run into challenges or setbacks - you will be amazed by the results, just like so many women who've followed this program have been.

*Love Sex and Time Travel* - Stan Rogers 2008-02-27

The story of Matt and Romilly, who find themselves re-living their 1981 lives at the beginning of their passionate but doomed love affair. But are they dreaming or is this time travel or maybe even something else entirely. Why is Romilly keeping her life in 2007 a closely guarded secret from Matt and are these secrets the cause of her harrowing and frequent nightmares?

*Pain, sex, and time* - Gerald Heard 1939

[When Sex Hurts](#) - Andrew Goldstein 2011-01-11

For the 20 million women who suffer from painful intercourse, two noted experts have written the first book to address the multiple causes and available treatments.

**Healing Painful Sex** - Deborah Coady 2011-11-01

Healing Painful Sex covers the following symptoms and conditions: Pelvic floor dysfunctionVulvodinia, pudendal nerve pain, and clitorodyniaPelvic organ problems, endometriosis, painful bladder, and irritable bowelSkin disorders, such as lichen sclerosiHormonal, surgical, and post-cancer causes of sexual pain Millions of women suffer from sexual and pelvic pain in America today, yet it is frequently misdiagnosed?or not diagnosed at all.In *Healing Painful Sex*, Deborah Coady, MD and Nancy Fish use their combined professional expertise as a doctor and therapist who specialize in sexual pain to provide readers with an understanding of its many causes and how to treat them, from both a physical and psychological standpoint. Organized into three parts?naming the problem, getting a diagnosis, and overcoming pain?Healing Painful Sex includes medical checklists, illustrations, vignettes based on interviews with women and their healthcare professionals, treatment options, and guidance for moving forward after healing. Coady and Fish speak honestly and directly to sexual pain sufferers' experiences, helping them address the problem of chronic pain, understand and prevent misdiagnoses, define medical terms and conditions, and regain sexual joy. Comprehensive, multi-dimensional, and deeply insightful, *Healing Painful Sex* offers women the tools to successfully take on the many challenges of sexual pain and move toward a healthy, happy future.

**Stop Painful Sex** - Maree Stachel-williamson 2013-12-24

A book for women suffering from vaginismus (painful sex as a result of clenching vaginal muscles) and loved ones who want to help them. What

exactly is vaginismus? What causes it? Most importantly: how you can heal from it! This book will help you understand vaginismus and take you through a healing step-by-step process that you can take in your own time. Discover more about your individual situation through exercises, techniques and workbook questions that will guide you towards having an enjoyable sex life. Topics also include: Psychological processes behind vaginismus, understanding sexual arousal and the biology of vagina. You will learn how beliefs and traumatic memories can change. Learn relaxing breathing techniques, explore body-focused exercises and discover ways in which you can share your healing journey with a partner. The author, Maree Stachel-Williamson, includes the extremely honest story of her personal experience of vaginismus and what helped her get rid of it. Comprehensive, informative and straightforward - this book will give you the tools you need to take the matter into your own hands.

**Studies in the Psychology of Sex** - Havelock Ellis 2017-12-30

This book has been deemed as a classic and has stood the test of time. The book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations.

*Sex, Love, Back Pain and You* - Barry Sloan 2012-12-16

This book is a practical, and yet medically informed guide for those suffering from Chronic Back Pain - especially its effect on intimacy, its negative effect on sexuality and intimate relations. One of the most important tasks of the book is identification of subtle (indeed, nearly invisible) physical and psychological damages be back injury, pain and even treatment. The single most important reason to read this book is its grounding in the lives of patient with formidable problems. Few, if any texts go into the homes and or discuss sexual problems. This was work, but critical work if relationships were to survive. In this text, the years of wisdom gathered from couples made romance possible to regain with months - not years. Only a very small percentage of texts like this one try to see the depth of back pain patients' problems. Here we see the patient, couple, dating teens, and retired bakers throughout the day and into the night. Diagnostic medical tools reveal physical problems, but not those that come up at home and in the workplace. A first edition of this text attempted to generate solutions based on short office visits. Yet we all knew that in today's clinics, office time is short. Too often, the end with little discussion beyond perscriptions and referalls. The interviews in this book captured experiences revealed from extensive hours and identifying specific situations. The book also looks carefully at the rise of pain control medication: the right to live without pain but balanced by the need to stay connected to friends, families and responsibility to remain lucid and not "hide" from pain, which medications can allow. If we have not provided the means to achieve that, we will return to homes that must be visited, and return to the keyboard as well. With luck, we will be armed with information richer in detail, from both patients and practitioners alike.
