

Pomosexuals Challenging Assumptions About Gender And Sexuality

Global Perspectives on Gender and Sexuality in Education - Elinor L. Brown 2017-05-01

International Advances in Education: Global Initiatives for Equity and Social Justice is an international research monograph series that contributes to the body of inclusive educational policies and practices focused on: empowering society's most vulnerable groups; raising the ethical consciousness of those in positions of authority; and encouraging all to take up the mantle of global equity in educational opportunity, economic freedom and human dignity. Each themed volume in this series draws on the research and innovative practices of investigators, academics, educators, politicians, administrators, and community organizers around the globe. This volume consists of three sections; each centered on an aspect of gender equity in the context of education. The chapters are drawn from a wide range of countries including: Australia, China, Gambia, India, Italy, Kenya, Kyrgyzstan, Laos, Slovenia, Swaziland, Grenada, Jamaica, Trinidad, Tobago, The United States, and Turkey addressing issues of gender equity, citizenship education, egalitarianism in sexual orientation, and strategies to combat human trafficking. The 15 chapters document both the progress and challenges facing those who strive for gender equity in access to education, the portrayal of women in curricula, and the acceptance of diverse sexual orientations within differing country contexts and provide an overview of promising policies, practices and replicable successful programs.

Gender and Sexual Diversity in Schools - Elizabeth J. Meyer 2010-06-16
Issues related to gender and sexual diversity in schools can generate a lot of controversy, with many educators and youth advocates under-prepared to address these topics in their school communities. This text offers an easy-to-read introduction to the subject, providing readers with

definitions and research evidence, as well as the historical context for understanding the roots of bias in schools related to sex, gender, and sexuality. Additionally, the book offers tangible resources and advice on how to create more equitable learning environments. Topics such as working with same-sex parented families in elementary schools; integrating gender and sexual diversity topics into the curriculum; addressing homophobic bullying and sexual harassment; advising gay-straight alliances; and supporting a transgender or gender non-conforming student are addressed. The suggestions offered by this book are based on recent research evidence and legal decisions to help educators handle the various situations professionally and from an ethical and legally defensible perspective.

Finding Out - Michelle A. Gibson 2013-02-14

By combining accessible introductory and explanatory material with primary texts and artifacts, this text/reader explores the development and growth of LGBT identities and the interdisciplinary nature of sexuality studies. Authors Meem, Gibson, and Alexander clearly situate debates and readings within clear contexts (History, Literature and the Arts, Media and Politics), providing students with a coherent framework and comprehensive introduction to LGBT studies. While this emerging field is complex, multifaceted, and interdisciplinary (and therefore often inaccessible to students), *Finding Out* - through its instructional apparatus, primary texts, and organization - provides the ideal introduction for today's students. Contents: I. HISTORY 1. Before Identity: The Ancient World through the Nineteenth Century 2. Sexology: Constructing the Modern Homosexual 3. Toward Liberation 4. Stonewall and Beyond II. POLITICS 5. Nature, Nurture, and Identity 6. Inclusion and Equality 7. Queer Diversities 8. Intersectionalities III. LITERATURE

AND THE ARTS 9. Homo-sexed Art and Literature 10. Lesbian Pulp Novels and Gay Physique Pictorials 11. Queer Transgressions 12. Censorship and Moral Panic IV. MEDIA 13. Film and Television 14. Queers and the Internet 15. The Politics of Location: Alternative Media and the Search for Queer Space

The Legacy of John Paul II - Tim Perry 2007-10-16

- Redemptoris missio, into all the world / Terrance L. Tiessen.

Bisexuality and Transgenderism - Fritz Klein 2012-12-06

Explore the common ground—and the important differences—between bisexuality and transgenderism! This book, guaranteed to provoke debate and discussion of sexuality and gender, is the first devoted exclusively to the relationship between transgenderism and bisexuality. Combining the work of scholars and activists, professional writers and lay people, *Bisexuality and Transgenderism: InterSEXions of the Others* presents ideas, thoughts, feelings, and insights from a variety of contributors who are committed to understanding—and deepening our understanding of—gender and sexuality. You'll find scholarly essays, narratives, poetry, and a revealing interview with four male-to-female transsexuals, two of whom are married to women who also participate in the discussion. In addition, the book includes insightful chapters by well-known advocates of transgenderism, including Jamison "James" Green, Coralee Drechsler, and Matthew Kailey. The editors of *Bisexuality and Transgenderism: InterSEXions of the Others* make the provocative but crucial claim that the larger queer community looks at "B" and "T" lives as mere "add-ons" to "L" and "G." In this book they focus attention on bisexuality and transgenderism—moving the "margins" to center stage and exploring how sexuality, gender, desire, and intimacy are constructed and circulate in our society. The book's inclusion of voices and scholarship from Eastern cultures challenges our understanding of sexuality and gender constructions all the more, giving this collection a global scope. Here is a sample of what *Bisexuality and Transgenderism: InterSEXions of the Others* examines: biphobia and transphobia within the United States' gay and lesbian community the bi/trans and subversive aspects of the works and images of cultural icons Angelina

Jolie and Sandra Bernhardt how bisexual and transgendered identities are socially constructed through relationships the false promise of pomosexual play—why the concepts of postmodern sexuality fail to rewrite the construction of gender why swingers who practice bisexual and transgender behavior are often disdained and marginalized by other GLBT people suicidal thoughts and other mental health concerns of bisexual males and females, as well as transgender people Eastern perspectives on sexual/gender identities—with revealing chapters on gender identity in Japan and Indonesia

Sexuality and the Law - Vanessa Munro 2007-05-07

'Rediscovering' the peculiarity of feminist perspectives, rather than examining the broader range of gender-oriented analyses, in the area of legal regulation and sexuality, this edited collection avoids the 'reductionist' and 'essentialist' shortcomings of 'feminism unmodified'. With a substantial introductory chapter, written by the editors, summarizing the state of the law on core aspects of sexuality and providing a critical appraisal of the key themes and concerns, it analyzes and transcends the traditional dichotomised thinking (e.g coercion/choice, victim/agent) about the regulation of gender issues. It addresses a broad range of key themes including: crime the family and child contract law jurisprudence public and international law. Offering a space in which to re-vitalize a feminist conception of sexuality, this book is an essential read for law students interested in the legal implications of gender and sexuality.

Pomosexuals - Carol Queen 1997

PoMoSexual: the queer erotica reality beyond the boundaries of gender, separatism, and essentialist notions of sexual orientation.

The Spectre of Promiscuity - Christian Klesse 2016-03-03

Wide-ranging research suggests that partners in gay male and bisexual relationships do not necessarily expect monogamy, or see it as an important issue. Although the frequency of gay male and bisexual non-monogamous partnerships tends to be widely acknowledged in social science literature, these relationships have rarely been explored in more detail. By providing rich empirical data, thoughtful analysis and

theoretical debate, this book makes a significant contribution to the sociological literature on sexual and intimate relationships. More specifically it explores the diversity of gay male and bisexual relationship practices in the context of heteronormative citizenship and intra-social movement conflict, and highlights the complexity of power relations that circumscribe queer people's relationships and sexual lives. Written in an accessible and engaging manner, *The Spectre of Promiscuity* provides important insights for further studies on sexual culture, discourse, citizenship, politics and ethics.

The Therapist's Notebook for Lesbian, Gay, and Bisexual Clients - Joy S. Whitman 2013-12-19

Most therapy is set up in a heterosexist context. Explore the issues facing your gay, lesbian, and bisexual clients--and how to deal with them! *The Therapist's Notebook for Lesbian, Gay, and Bisexual Clients* offers therapists treating lesbian, gay, and bisexual clients innovative, practical interventions plus homework and hands-on activities tailored to these populations. Use the notebook to explore the issues surrounding coming out, homophobia in the workplace, spirituality, identity formation, and issues that require a non-heterosexist approach, such as domestic violence and relationship concerns. Grounded in current theory, each chapter explains the rationale for the activity it proposes, includes contraindications, and provides a list of helpful resources for therapists and clients. Here are just a few of the issues this extraordinary book explores in its four thoughtfully planned sections: Section I: Homework, Handouts, and Activities for Coming Out and Managing Homophobia and Heterosexism addresses: conflicts in self-perceptions obstacles to the growth of a healthy GLB identity dealing with the trauma and anxiety that result from discrimination using semi-hypnotic visualization to treat internalized homophobia helping bisexuals decide whether to come out or to "pass" coping with internalized homophobic messages dealing with heterosexism in the workplace or at school Section II: Homework, Handouts, and Activities for Relationship Issues will help you and your clients understand and work on issues involving: choosing the right partner intimacy and gender roles financial stability assimilation, queer

pride, and everything in between how ethnicity and coupling impact sexual identity negotiating a healthy open relationship sexual concerns, sexual dysfunction, and pleasuring sexual role values for bisexual and lesbian women Section III: Homework, Handouts, and Activities for Gender, Ethnic, and Sexual Identity Issues addresses "who am I" issues: sexual orientation and gender identity the intersection of sexual and ethnic identity oppression on multiple fronts gender exploration for lesbians Section IV: Homework, Handouts, and Activities for Specific Issues tackles concepts including: enhancing resilience through spirituality reconciling with religion spiritual wellness and the spiritual autobiography body image disturbances unwanted sexual behavior creating a safety plan in case of same-sex domestic violence alienation and finding a caring community medication adherence for HIV+ clients the difficulties faced by coupled lesbians with children family care planning addiction and recovery healing from the wounds of homophobia relationships with ex-partners managing workplace stress If you're new to treating lesbian, gay, and bisexual clients you'll find rich material, based in current literature, to guide your work. If you've already worked extensively with LGBT clients, the activities and fresh, innovative strategies in *The Therapist's Notebook for Lesbian, Gay, and Bisexual Clients* will expand and invigorate your skills.

Sexuality and Society - Gargi Bhattacharyya 2005-07-08

In this broad-ranging introduction to the study of sexuality, Gargi Bhattacharyya guides students through the key theoretical debates in the area from the early history of sexology, through Foucault's technologies of self to Judith Butler on the performance of identity. Bhattacharyya shows how these theoretical positions apply to sexuality as it is experienced in contemporary society, and covers key topics such as: * the ideology of heterosexuality * sex and the state * sex, race and 'the exotic' * age and sexuality * sex education and pornography. The book argues that the study of sexuality is an essential part of broader debates on gender, race, citizenship and community. Topical and original, it provides a systematic overview of theory combined with up-to-the minute discussion of social and race issues. It gives students a lucid map of the

terrain, and an exciting starting point for their own investigations.

Among Women - Nancy Sorkin Rabinowitz 2009-06-03

Women's and men's worlds were largely separate in ancient Mediterranean societies, and, in consequence, many women's deepest personal relationships were with other women. Yet relatively little scholarly or popular attention has focused on women's relationships in antiquity, in contrast to recent interest in the relationships between men in ancient Greece and Rome. The essays in this book seek to close this gap by exploring a wide variety of textual and archaeological evidence for women's homosocial and homoerotic relationships from prehistoric Greece to fifth-century CE Egypt. Drawing on developments in feminist theory, gay and lesbian studies, and queer theory, as well as traditional textual and art historical methods, the contributors to this volume examine representations of women's lives with other women, their friendships, and sexual subjectivity. They present new interpretations of the evidence offered by the literary works of Sappho, Ovid, and Lucian; Bronze Age frescoes and Greek vase painting, funerary reliefs, and other artistic representations; and Egyptian legal documents.

Trans-Gender - Justin Sabia-Tanis 2018-06-25

"Rev. Dr. Justin Sabia-Tanis is a creative queer theologian and activist with a wealth of pastoral experience. His classic, *Transgendered--Theology, Ministry and Communities of Faith*, is now available again for faith communities and university students struggling to include trans-people. It is a primer for understanding the spiritual journeys of transgendered people, examining the biblical support for inclusion, and provides faith communities guidelines for hospitality. His notion of 'gender as a calling' is a creative theological proposal for all of us to recognize our own gender calling and the diverse callings of the marginalized. Sabia-Tanis imaginatively uses the image of twilight space of dawn and dusk, in-between space occupied by trans-people. His theology impacted my own commitment to transgendered rights and inclusion. At this time of conservative religious targeting the advances of trans-gendered people, we need the prophetic theological voice of Justin Sabia-Tanis' compassionate inclusion." --Rev. Dr. Robert E. Shore-Goss

Queer Theologian and author of *Jesus Acted Up* "Justin gives tremendous insight into life at the intersection of gender identity and faith. As a transgender Latina religious leader and psychotherapist, I have referenced Justin's book in workshops and discussion groups to help allies and advocates of the transgender community to understand and promote acceptance of the transgender community. Justin's book is a must-read for clergy who want to integrate transgender community members in to their congregations." --Nicole M. Garcia, MDiv, MA LPC
"Transgendered: Theology Ministry and Communities of Faith remains a trailblazing work in the exploration of transgender identities, gender variance and Scripture, and responses of exclusion and inclusion conveyed by communities of faith. Dr. Sabia-Tanis' wide-ranging research and candid conversations about transgender persons seeking faithful spiritual identity provides a helpful framework for transgender people; and for families, friends, and communities who want to support us. Outlining explicit and implicit barriers to participation, Sabia-Tanis challenges faith communities to offer genuine hospitality and welcome to transgender and gender non-conforming people, offering several ways to extend such welcome, including liturgical resources created specifically for the transgender community. This text continues to be a valuable resource for my parish ministry, pastoral care, professional writing, and personal reflection. I am grateful to see it back in print." --Rev. Dr. David Weekley

Integral Voices on Sex, Gender, and Sexuality - Sarah E. Nicholson 2014-07-16

Brings the insights of Integral Theory to the consideration of sex, gender, and sexuality. This volume takes a unique approach to the question of what it is to be a gendered, sexual self in a postmodern world, offering insights informed by the Integral paradigm of theory and practice. With the inquiry into sex, gender, and sexuality having become so broad and diverse within both academia and popular culture, the Integral approach can help sift through and make sense of the cacophony of theories and agendas that seek to stake their ground in this collective conversation. Informed by the work of thinkers such as Sri Aurobindo, Gregory

Bateson, Jean Gebser, Ervin Laszlo, and, most directly, Ken Wilber, the Integral approach acknowledges and works with multiple and contradictory experiences, theories, and realities. Dealing with a variety of topics, including feminism, the men's movement, sexual identity, queer history, and spirituality, the work's contributors speak from across the spectrum of personal and political backgrounds, academic and practitioner orientations, and male and female perspectives. The combination of voices aims to bring forward a more complex and integrated understanding of what it means to be woman, man, human. Sarah E. Nicholson teaches at the University of Western Sydney and the University of Notre Dame Australia. She is the author of *The Evolutionary Journey of Woman: From the Goddess to Integral Feminism*. Vanessa D. Fisher is a Canadian writer, poet, and independent scholar who received the Award for Best Academic Research and Writing at the second biennial Integral Theory conference. *Gender and Love: Interdisciplinary Perspectives, Second Edition* - Noemi de Haro Garcia 2019-01-04

[Bisexual Women in the Twenty-First Century](#) - Dawn Atkins 2013-11-19
 Bisexual Women in the Twenty-First Century reflects the "brave new world" of bisexual women's lives through an eclectic collection of articles that typifies an ongoing feminist process of theory grounded in life experience. The book's broad scope addresses a "world" created in response to lesbian-feminism, homophobia within the mainstream women's movement, and sexism within the gay rights movement. The book includes Carol Queen's memoirs of the swinging lesbian scene in the 1970s, a critical examination of Alice Walker's novel *The Temple of My Familiar*, and a look back at the controversy surrounding bisexual inclusion in the Northampton Lesbian and Gay Pride March in Massachusetts in the early 90s. Previous groundbreaking work on bisexuality had to focus on breaking the silence around bisexual invisibility. This collection works from that foundation to explore the complexities and histories of bisexual women's lives. *Bisexual Women in the Twenty-First Century* examines: tensions between lesbians and

bisexual women the shifting place of bisexual women in society the use of skin color as a charged metaphor the inclusion of bisexuality into queer theory groundbreaking new work on bisexual youth the creative use of the "sacred whore" archetype *Bisexual Women in the Twenty-First Century* is an essential source of social and political critique, and a vital resource for anyone interested in the complex dynamics of human sexuality, regardless of sexual orientation.

The Politics of Sexuality - Barry Michael Dank
Sexuality and Culture serves as a compelling forum for the analysis of ethical, cultural, psychological, social, and political issues related to sexual relationships and sexual behavior. These issues include, but are not limited to: sexual consent and sexual responsibility; sexual harassment and freedom of speech and association; sexual privacy; censorship and pornography; impact of film/literature on sexual relationships; and university and governmental regulation of intimate relationships. The central theme of this volume is the politics of sexuality. Theoretical essays, research reports, and book reviews examine the topics of sexual harassment law as a sexual control mechanism, censorship of sexual materials, and criminalization of commercialized sexuality. A special section focuses on the Clinton-Lewinsky affair with contributions by David Steinberg, John Furedy, and Joseph Fulda. Other articles include: "Trends Towards Increased Sexual Repression in the Final Two Decades of the Twentieth Century" by Elizabeth Allgeier; "Naked but Unseen: Sex and labor conflict in San Francisco's Adult Entertainment Theaters" by Kerwin Kay; "A test of the Biopolitics Hypothesis" by Kenneth Westhues; "Scientific and Fictive Sociology: The Viability of Research" by Edwina Taborsky and Reena Sommer; and "Sex Entertainment for Women on the Web" by Marjorie Kibby. Also included are reviews of books, including *Faculty-Student Sexual Involvement: Issues and Interventions*, by Virginia Stamler and Gerald Stone; *Heterophobia: Sexual Harassment and the Future of Feminism*, by Daphne Patai; *Sex among Allies: Military Prostitution in US-Korea Relations*, by Katharine H. Moon; and *American Homo* by Jeffrey Escoffier. *The Politics of Sexuality* will be of interest to general

readers as well as to scholars (sociologists, psychologists, legal analysts), policymakers, and members of the sex work and sex entertainment communities.

Bisexuality - D. Joye Swan 2018-03-07

This pathbreaking volume brings together a diverse body of sexual, behavioral, and social science research on bisexuality. Arguing for a clear, evidence-based definition of bisexuality and standardized measures for assessing sexual orientation, it spotlights challenges that need to be addressed toward attaining these goals. The book's deep trove of findings illuminates the experiences of bisexual men and women in key aspects of life, as well as common mental health issues in the face of stigma, prejudice, and outright denial from the heterosexual and homosexual communities. Throughout, contributors examine the paradoxical invisibility of bisexuality even as society and science have become more inclusive of lesbians and gay men, and emphasize the critical role of thoughtful, respectful support across societal and mental health domains. Among the topics covered: Defining bisexuality: challenges and importance of and toward a unifying definition. Plurisexual identity labels and the marking of bisexual desire. Binegativity: attitudes toward and stereotypes about bisexuals. Female bisexuality: identity, fluidity, and cultural expectations. Romantic and sexual relationship experiences among bisexual individuals. Bisexuality is a substantial reference for psychologists, scholars and graduate students in LGBTQIA+ studies, and clinicians seeking both theoretical and applied perspectives on the research into bisexuality. It also offers instructors a supplemental research-based textbook option for teaching courses related to sexuality and bisexuality.

The Ashgate Research Companion to Queer Theory - Noreen Giffney 2016-03-23

This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work - identity, discourse, normativity and relationality. The terms 'queer' and 'theory' are put under interrogation by a combination of distinguished and emerging scholars

from a wide range of international locations, in an effort to map the relations and disjunctions between them. These contributors are especially attendant to the many theoretical discourses intersecting with queer theory, including feminist theory, LGBT studies, postcolonial theory, psychoanalysis, disability studies, Marxism, poststructuralism, critical race studies and posthumanism, to name a few. This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking, while also signposting several fruitful avenues for future research. This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom.

Christology from the Margins - Thomas Bohache 2008

Provides a comprehensive queer discussion of Christology, concluding with the view of Christ's person and work from a queer perspective. Suitable for undergraduate study.

[The International Encyclopedia of Communication Theory and Philosophy, 4 Volume Set](#) - Jefferson D. Pooley 2016-10-31

The International Encyclopedia of Communication Theory and Philosophy is the definitive single-source reference work on the subject, with state-of-the-art and in-depth scholarly reflection on key issues from leading international experts. It is available both online and in print. A state-of-the-art and in-depth scholarly reflection on the key issues raised by communication, covering the history, systematics, and practical potential of communication theory. Articles by leading experts offer an unprecedented level of accuracy and balance. Provides comprehensive, clear entries which are both cross-national and cross-disciplinary in nature. The Encyclopedia presents a truly international perspective with authors and positions representing not just Europe and North America, but also Latin America and Asia. Published both online and in print. Part of The Wiley Blackwell-ICA International Encyclopedias of Communication series, published in conjunction with the International Communication Association. Online version available at Wiley Online Library.
