They are those simple, innocently asked little questions girls ask boys, women ask men...which answers, although the female guarantees are "not important", if wrong, might possibly ignite

the most miserable explosion of questions and attitude as only an upset female can unleash. These are the RIGHT ANSWERS and the RIGHT WAY to answer those questions!" A superb understanding of the female mind stated in a practical format. Outlined in chapters which are easy to find, read and understand. Not a book of advice, a culmination of 10 years of research with thousands of men and women. ANSWERS...A HANDBOOK FOR MEN clarifies what women do and do not want to hear. It boldly contradicts centuries of 'bad advice' passed on for generations. * What you should never, ever discuss during or after sex. * When a woman says one thing and MEANS ANOTHER. * Safe ways for men to 'avoid the truth'.

99 Questions You Must Ask a Man Before Sleeping with Him and Definitely Before Having SEX - Armani Valentino 2008-01-01

The great author and lecturer Napoleon Hill taught that one of the main causes of failure was IMPROPER SELECTION OF A MATE IN MARRIAGE. Would you believe a man who grew up the only male in a household full of women, has probably written one of the best (if not the best) books on dating for single people, and definitely for single ladies looking to find the right mate? Well, Armani Valentino's national bestselling book, *99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX*, just might be that book. It is a practical straight forward guide that will leave you enlightened on all levels. The book covers every area of what could possibly come up in a relationship. Big Boom, Steve Harvey's best friend and Bodyguard, Best-selling author and the self-proclaimed "Bodyguard for Women's Heart's" says, "Armani is right on point. His generation and others need this book." Armani Valentino believes that his book is a great tool for those wanting to be in a relationship and for those already involved. He says, "Most of the time people don't really know what to ask. Many people like to avoid asking questions for fear of finding out something they don't want to know. The sad part about this is, STD's are on the rise. Even if you don't contract an STD, you may get involved with a total basket case that might abuse you emotionally and physically. These things along with so many other possibilities are usually due to not asking enough of the right questions before you get emotionally and sexually involved." Some women feel that the man will lie to them anyway. Therefore, Mr. Valentino has included his chapter, "The Art of Asking Questions." This chapter teaches you how to become an interview expert. Fortune 500 companies use this to process to choose the best candidates. Armani feels that women should treat themselves as if they are Fortune 500 companies. Armani Valentino says, "My book is a spiritually based book that all people can benefit from in some way. No matter if you are single, dating, engaged, and even married. You will find something in the book that will enrich your life or others around you." He also says, "The non-physical side of SEX is something that we need to talk more openly about. I think my book helps individuals to do this. That's why Chapter 4 of the book is probably my favorite. Chapter 4 is "Love & SEX...The Two Most Powerful Energies and How Not to Get the Two Confused." The 3-year National Best-seller, "99 Questions," written by one of the nation's premiere dating/relationship experts, Armani Valentino, is now available in all ebook formats. "The Most USEFUL DATING BOOK on the market!" ~DFW Singles Magazine "Armani Valentino's book, *99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX*, is one book that you must have in your library." - Street Pop

Magazine This book has helped thousands get a better understanding of the person that is pursuing them or the one that they are pursuing. Many women and men, both young and seasoned, have purchased numerous copies of this book for themselves or a loved one. Everyone knows someone that can benefit from this book. Armani Valentino says, "Most of the time we think we know what to ask before getting involved with someone. Although we probably do, we don't have that information in front of us in a manner like this when we need it. Therefore, my book acts a reference guide to help in the process. It's kind of like dating insurance."

The Good Girl's Guide to Great Sex - Sheila Wray Gregoire 2012-03-06

Candid and contemporary, this book gives you a Christian place to turn for answers to your most intimate--and embarrassing--questions. Billions of people have had sex. Far fewer have made love. In *The Good Girl's Guide to Great Sex*, author Sheila Wray Gregoire helps women see how sexual intimacy was designed to be physically stupendous but also incredibly intimate. Whether you're about to walk down the aisle, newly married, or you've been married for decades, *The Good Girl's Guide to Great Sex* will lead you on a wonderful journey of discovery toward the amazing sex life God designed you for. With humor, research, and lots of anecdotes, author Sheila Wray Gregoire helps women see how our culture's version of sex, which concentrates on the physical above all else, makes sex shallow. God, on the other hand, intended sex to unite us physically, emotionally, and spiritually. Gregoire walks through these

three aspects of sex, showing how to make each amazing, and how to overcome the roadblocks in each area we often encounter. Drawing on survey results from over 2,000 people, she also includes lots of voices from other Good Girls, giving insight into how other women have learned to truly enjoy sex in marriage.

Sex, Purity, and the Longings of a Girl's Heart - Kristen Clark 2019-04-30
For the modern Christian woman living in today's sexually charged society, embracing God's design for sex and purity can often feel like an impossible pursuit. As the culture seeks to normalize things such as pornography, erotica, and casual sex, both single and married women of all ages feel immense pressure to conform. With alluring temptations constantly inviting them to join in, they might even begin to question whether God's design is truly good. They wrestle with questions like - What is the purpose of my sexuality? - What does it mean to pursue purity? - Are my sexual longings good or bad? In this encouraging book, Kristen Clark and Bethany Beal share honestly about their own struggles and victories, and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality. Kristen and Bethany help women understand why God's design for sexuality is good, relevant, and leads to true hope and lasting freedom.

Subjugated Man - A.D. Ford 2012-01-23

Would the world be a better place if women were in charge? Heads of state and world leaders are now women, they have changed the world to be how they want it to be. With women in charge they have stopped the days of mail order brides, now we live in a world of rental husbands. We live in a world where men are secondary, used for whatever women want. Men are trained to be whatever their owner wants them to be: enforcer, worker, bodyguard or personal slave. Sold into slavery when he was a baby, Scott Magentas life is to be seen not heard, to be touched but never loved. His life is filled with death and pain while he is forced to be nothing but a glorified one night stand for the rich and powerful. Slaves are treated like show animals, they make their owner money and if they misbehave they can be punished by their owner. When the whole world doesnt see you as a person how can you be one?

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop

evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
