[The Unbearable Lightness of Being - Milan Kundera 2020-11-09](#)

'A cult figure.' Guardian'A dark and brilliant achievement.' Ian

McEwan'Shamelessly clever ... Exhilaratingly subversive and funny.'

Independent'A modern classic ... As relevant now as when it was first

published. ' John BanvilleA young woman is in love with a successful

surgeon; a man torn between his love for her and his womanising. His

mistress, a free-spirited artist, lives her life as a series of betrayals; while

her other lover stands to lose everything because of his noble qualities.

In a world where lives are shaped by choices and events, and everything

occurs but once, existence seems to lose its substance and weight - and

we feel 'the unbearable lightness of being'.The Unbearable Lightness of

Being encompasses passion and philosophy, infidelity and ideas, the

Prague Spring and modern America, political acts and private desires,

comedy and tragedy - in fact, all of human existence.What readers are

saying:'Some books change your mind, some change your heart, the very

best change your whole world ... A mighty piece of work, that will shape

your life forever."One of the best books I've ever read ... A book about

love and life, full of surprises. Beautiful."This book is going to change

your life ... It definitely leaves you with a hangover after you're done

reading."A must read - loved it, such beautiful observations on life, love

and sexuality."Kundera writes about love as if in a trance so the beauty

of it is enchanting and dreamy ... Will stay with you forever."A beautiful

novel that helps you understand life better ... Loved it."One of those rare

novels full of depth and insight into the human condition ... Got me

reading Camus and Sartre."One of the best books I have ever read ... An

intellectual love story if ever there was one.'

The Second Sex - Simone de Beauvoir 1997

Of all the writing that emerged from the existentialist movement, Simone

de Beauvoir's groundbreaking study of women will probably have the

most extensive and enduring impact. It is at once a work of anthropology

and sociology, of biology and psychoanalysis, from the pen of a writer

and novelist of penetrating imaginative power.THE SECOND SEX

stands, five decades after its first appearance, as the first landmark in

the modern feminist upsurge that has transformed perceptions of the

social relationship of man and womankind in our time

Sexuality and Its Discontents - Jeffrey Weeks 2002-05-03

Few topics evoke so much anxiety and pleasure, pain and hope,

discussion and silence as sexuality. Throughout the Christian era it has

been a major moral preoccupation. Since the eighteenth century it has

also been the focus of 'scientific' exploration and political activity. But,

despite this obsessive concern, we are still as baffled as our predecessors

about the 'true' meaning of sex. In this book Jeffrey Weeks unravels the

dense web of historical, theoretical and political forces that have

culminated in the contemporary crisis of sexual meanings and values.

The book begins with a powerful evocation of our present discontents

and their potent signs: the rise of the New Right, the retreat of

progressive forces and a wave of moral panics around sex. It argues that

this crisis is rooted in a tradition which has ascribed an inflated

importance to sexuality, whilst claiming a privileged access to truth. The author then examines radical debates of recent years, and asks whether they contain the potentiality for taking us beyond the existing boundaries of sexuality. From this analysis emerges a controversial 'radical pluralist' approach to sexuality built on an acceptance of diversity and choice. By linking our present discontents to a clear understanding of the past, Jeffrey Weeks presents a rational, optimistic and challenging vision of a realizable future.

My Boss In My Ass While His Wife Drives : Anal Brats 6 (Anal Sex Erotica) - Kimmy Welsh 2021-07-20

It feels like Mr. Franklin's wife is driving us all around the state to pick up the garden supplies for their restaurant! He's forced into the backseat to make way for a plant and I wind up sat on his lap to free up more space. I start to feel something growing in his pants and I'm smitten by the notion of him getting excited because of me. When his wife leaves the two of us alone we go crazy, but he wants much more than I thought! Read as he puts himself somewhere naughty! (anal, anal sex, anal erotica, erotica, xxx, sex,

Games for Actors and Non-Actors - Augusto Boal 2005-06-29

Games for Actors and Non-Actors is the classic and best selling book by the founder of Theatre of the Oppressed, Augusto Boal. It sets out the principles and practice of Boal's revolutionary Method, showing how theatre can be used to transform and liberate everyone - actors and non-actors alike! This thoroughly updated and substantially revised second edition includes: two new essays by Boal on major recent projects in Brazil Boal's description of his work with the Royal Shakespeare Company a revised introduction and translator's preface a collection of photographs taken during Boal's workshops, commissioned for this edition new reflections on Forum Theatre.

The Arrangement 1 [Free] - Abby Weeks 2013-12-31

What would you do if you were forced to become the toy of some very rich and powerful men? That's the question that April Masterson has to answer in this stunning new series from Abby Weeks. This story is intended for a mature audience. It follows the journey of a girl whose husband becomes a partner in one of the most prestigious law firms in the country. But all is not as it seems, and pretty soon she is being humiliated and used by the partners in ways that she could never have imagined. The Arrangement follows the story of April Masterson whose life is about to be turned upside down. She is a devoted young wife and mother, even if her husband Walter can be domineering and possessive. She has always tried to keep him happy so that she and her children can enjoy a life of security and stability. When he is made partner at the firm she feels her life is entirely set up. They are showered with wealth and generosity and even receive a stunning new home in a secluded private community on the outskirts of the capital. But after the move, April begins to see just how drastically her life has changed. There is an arrangement that she never suspected. The partners always said that the firm was a family but she didn't realize just how literally they meant it!

Now she finds herself taking on a new role in her life and becoming a new person. She feels confident, powerful and wealthy. She realizes that she has what it takes to fulfill the desires of four of DC's most powerful and wealthy lawyers. She also realizes that she likes it!

Folk Devils and Moral Panics - Stanley Cohen 2011

'Richly documented and convincingly presented' -- New Society Mods and Rockers, skinheads, video nasties, designer drugs, bogus asylum seekers and hoodies. Every era has its own moral panics. It was Stanley Cohen's classic account, first published in the early 1970s and regularly revised, that brought the term 'moral panic' into widespread discussion. It is an outstanding investigation of the way in which the media and often those in a position of political power define a condition, or group, as a threat to societal values and interests. Fanned by screaming media headlines, Cohen brilliantly demonstrates how this leads to such groups being marginalised and vilified in the popular imagination, inhibiting rational debate about solutions to the social problems such groups represent. Furthermore, he argues that moral panics go even further by identifying the very fault lines of power in society. Full of sharp insight and analysis, *Folk Devils and Moral Panics* is essential reading for anyone wanting to understand this powerful and enduring phenomenon. Professor Stanley Cohen is Emeritus Professor of Sociology at the London School of Economics. He received the Sellin-Glueck Award of the American Society of Criminology (1985) and is on the Board of the International Council on Human Rights. He is a member of the British Academy.

What I Did For a Duke - Julie Anne Long 2011-02-22

"A fresh voice that stands out....Delicious and delightful!" —Karen Hawkins Romance superstar Amanda Quick calls Julie Anne Long, "a fantastic writer," and says, "her writing glows." Suzanne Enoch calls Long's work, "warm, witty, and fabulous!" This rapidly rising star of historical romance dazzles once again with *What I Did For a Duke*—the next fabulous installment in her sensual and emotionally charged Pennyroyal Green series. This Regency delight focuses on a dark duke with a sinful reputation and his determined efforts to seduce and ruin the innocent sister of his enemy—only to fall victim himself to the gentle lady's good nature and passionate soul. *What I Did For a Duke* follows Long's delightful *I Kissed an Earl*, continuing the colorful feud between the Eversea and Redmond families, and it's one of the most scandalously entertaining love stories in many a season.

Science And Human Behavior - B.F Skinner 2012-12-18

The psychology classic—a detailed study of scientific theories of human nature and the possible ways in which human behavior can be predicted and controlled—from one of the most influential behaviorists of the twentieth century and the author of *Walden Two*. "This is an important book, exceptionally well written, and logically consistent with the basic premise of the unitary nature of science. Many students of society and culture would take violent issue with most of the things that Skinner has to say, but even those who disagree most will find this a stimulating book." —Samuel M. Strong, *The American Journal of Sociology* "This is a remarkable book—remarkable in that it presents a strong, consistent, and all but exhaustive case for a natural science of human behavior...It ought to be...valuable for those whose preferences lie with, as well as those whose preferences stand against, a behavioristic approach to human activity." —Harry Prosch, *Ethics*

Imperial Leather - Anne McClintock 2013-10-01

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take

credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

The Handmaid's Tale - Margaret Atwood 2017

Dangers of Control - Resistance : Bad Boy Billionaire BDSM Romance (Series Book One) - Jessica Whitethread 2017-02-09

"Good," he breathed. "Look at how far we've come. It wasn't that long ago I'd have you going all to pieces on me just for a little tie-up. But you've learned I can be good to you, haven't you?" "Yes, sir," she breathed. "And you've learned I don't have to be, too." The answering shiver, nervous and aroused and eager, jerked through the leather strap of the belt tied at her throat. "Yes, sir." Her voice was barely audible. For the man who can have anything, she's the perfect plaything. But he's not who she thinks he is, and the more she comes under his spell, the less he's willing to pretend. Reader Advisory: This story is part of a series intended for mature audiences only and which features intensely erotic situations, forced exhibition, public humiliation, discipline, dominance, and rough sex. All characters are 18 or older.

Power Play - Raymond Boyle 2009-05-21

The fully revised and updated version of this classic text examines the link between three key obsessions of the 21st century: the media, sport and popular culture. Gathering new material from around the 2007 Rugby World Cup, the Beijing Olympics and the rise of new sports stars such as boxing's Amir Khan and cycling's Victoria Pendleton, the authors explore a wide range of sports, as well as issues including nationalism, gender, race, political economy and the changing patterns of media sport consumption. For those interested in media and sport the second edition combines new and original material with an overview of the developing field of media sport, and examines the way in which the media has increasingly come to dominate how sport is played, organized and thought about in society. It traces the historical evolution of the relationship between sport and the media and examines the complex business relationships that have grown up around television, sponsors and sport. Covers the following topics: the history of media in sport; television, sport and sponsorship; why sport matters to television; sports stars; sports journalism; fans and the audience; sport in the digital media economy.

eGirls, eCitizens - Valerie Steeves 2015-04-23

eGirls, eCitizens is a landmark work that explores the many forces that shape girls' and young women's experiences of privacy, identity, and equality in our digitally networked society. Drawing on the multi-disciplinary expertise of a remarkable team of leading Canadian and international scholars, as well as Canada's foremost digital literacy organization, MediaSmarts, this collection presents the complex realities of digitized communications for girls and young women as revealed through the findings of The eGirls Project (www.egirlsproject.ca) and other important research initiatives. Aimed at moving dialogues on scholarship and policy around girls and technology away from established binaries of good vs bad, or risk vs opportunity, these seminal contributions explore the interplay of factors that shape online environments characterized by a gendered gaze and too often punctuated by sexualized violence. Perhaps most importantly, this collection offers first-hand perspectives collected from girls and young women themselves, providing a unique window on what it is to be a girl in today's digitized society.

Radio Production - Robert McLeish 2015-09-16

Radio Production is for professionals and students interested in understanding the radio industry in today's ever-changing world. This book features up-to-date coverage of the purpose and use of radio with detailed coverage of current production techniques in the studio and on location. In addition there is exploration of technological advances, including handheld digital recording devices, the use of digital, analogue and virtual mixing desks and current methods of music storage and playback. Within a global context, the sixth edition also explores American radio by providing an overview of the rules, regulations, and purpose of the Federal Communications Commission. The sixth edition includes: Updated material on new digital recording methods, and the development of outside broadcast techniques, including Smartphone use. The use of social media as news sources, and an expansion of the station's presence. Global government regulation and journalistic codes of practice. Comprehensive advice on interviewing, phone-ins, news,

radio drama, music, and scheduling. This edition is further enhanced by a companion website, featuring examples, exercises, and resources: www.focalpress.com/cw/mcleish.

Hell's Angels - Hunter S. Thompson 2012-08-01

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

The Contract - J. G. Leathers 2012-05-04

Illustrations ONLY available in Paperback version. To live the full experience, please purchase the paperback. *The Contract*, by JG-Leathers was previously published as two separate books by Gord Books. The author has not only combined these powerful stories into one stunning novel, but added 40,000 words and ten of his own sketches. The complete complement of all the original illustrations by Simon Benson are also included; made available with the gracious permission of Gord." Susan Henderson is a bored young woman looking for some spice in her life. Upon reading an advertisement in an up-scale women's magazine that stated excellent pay was being offered for a five year, foreign service position, provided the applicant passed rigorous intelligence, appearance, and aptitude tests. She is soon enticed into a world of ever-increasing, inescapable bondage, then soon held deep in the fastness of a

Middle Eastern Palace. Here she learns her true place in life, discovering a world within her own mind that also cannot be escaped or evaded. Susan Henderson's voyage continues when she is inducted into different deviant training programs. Much to her distress, she soon discovers what it is like to be a domestic animal and spends a substantial length of time in this role. She is eventually freed to be taken on a shopping expedition in the real world, controlled thoroughly at all times. Soon after, she becomes a human equine, undergoing intense training as a Horse Woman, then as a four legged, ridden Pony Girl, and finally, as one of the Sheik's famous Lipizzaner Mares. JG Leather's proves he is the professor of prose with his finely tuned descriptions.

Hacker, Hoaxer, Whistleblower, Spy - Gabriella Coleman 2015-10-06

The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the *Huffington Post* says "knows all of Anonymous' deepest, darkest secrets" "A work of anthropology that sometimes echoes a John le Carré novel." —*Wired* Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside-outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of "trolling," the ethics and metaphysics of hacking, and the origins and manifold meanings of "the lulz."

Distinction - Pierre Bourdieu 2013-04-15

Examines differences in taste between modern French classes, discusses the relationship between culture and politics, and outlines the strategies of pretension.
