**The Very Secret Sex Lives of Medieval Women** - Rosalie Gilbert  
2020-10-27

A “wickedly entertaining, informative and thought-provoking” look at romance, courtship, and other intimacies behind closed Medieval doors (Dr. Markus Kerr, PhD, MDR). Were medieval women slaves to their husband’s desires, jealously secured in a chastity belt in his absence? Was sex a duty or could it be a pleasure? Did a woman have a say about her own female sexuality, body, and who did or didn’t get up close and personal with it? No. And yes. It’s complicated. The intimate lives of medieval women were as complex as for modern women. They loved and lost, hoped and schemed, were lifted up and cast down. They were hopeful and lovelorn. Some had it forced upon them, others made aphrodisiacs and dressed for success. Some were chaste and some were lusty. Having sex was complicated. Not having sex, was even more so. Inside *The Very Secret Sex Lives of Medieval Women*, a fascinating book about life during medieval times, you will discover tantalizing true stories about medieval women and a myriad of historical facts. Learn about: The true experiences of women from all classes, including women who made history The dos and don’ts in the bedroom Sexy foods and how to have them All you need to know for your wedding night, and well as insider medical advice How to get pregnant (and how not to), and more “Quite compelling and hilariously funny. I have been chuckling out loud and my husband says he thinks he ought to read it if it’s such a tonic. God forbid!” —Susanna Newstead, author of the *Savernake Novels*

*Secret Sex Confessions* - D. D. Jensen 2015-04-19

The *Secret Sex Confessions* book series is a compilation of first person confessions of dirty sex secrets that the story teller experienced... and now describes - in their own words. *Secret Sex Confessions 1 (Role Reversal)* is a husband's account of how his wife made him switch roles with her - wanting him to experience the other side of things - so he would see how it feels to completely surrender all control to someone - becoming nothing more than a sex slave; forced to do anything she tells him to do - only to learn that his wife has quite an eccentric taste when it comes to role reversal sex - a taste that includes the need to bend him over and feed him her long strap on from behind - but not before making him go to the adult sex toy store so that she can watch him pick out the one that she's going to use on him - with only one requirement... it's got to be a big one! *Secret Sex Confessions 2 (She Wants to Lick Me)* is a woman's account of how she and her husband had to move in with her husband's friend and his wife due to financial struggles... and her confession of how she seduced the wife while their husband's were at work. Things are bound to get naughty when two housewives are left home alone together without a chaperone. Masturbation just can't compare with the touch of another woman. But the art of self-pleasuring can do wonders when one woman is trying to lure another... to cum join

her. Secret Sex Confessions 3 (I Made Him Watch Me Do His Friend) is a wife's account of how she got her husband to agree to let her sexually tempt one of his closest friends right in their own home... while he is forced to hide and watch them in silence. Secret Sex Confessions 4 (Mom For a Week) is a college student's account of what he experienced during Spring Break after being invited by a friend to come along with him as he drove back home to spend the vacation at his mom's house. The only problem is that his friend's mom is incredibly hot and now he can't keep his eyes off her.

**Sex, Secrets, and Lies** - Marie Miranti Burnett Ph. D. 2005-02

In *Sex, Secrets, and Lies*, author Marie Miranti Burnett, PhD, encourages husbands and wives to rethink their vows and consider whether sexual exclusivity should remain the rigid foundation of a good marriage, an ideal that too often leads to secrets and lies and the dissolution of relationships meant to last a lifetime. To strengthen the vow "until death do us part" it may be necessary to place less importance on the vow "to forsake all others." Honest conversations about our sexual needs could lead to real changes in the institution of marriage for the twenty-first century. To guide the conversation, Dr. Burnett draws on her thirty years of clinical experience, listening to the secrets of men and women grappling with their warring needs for freedom and commitment. She shares the stories told to her by urban, educated, thirty-something clients whose values and struggles reflect the significant changes in our sex lives over the past half-century. In *Sex, Secrets, and Lies*, Dr. Burnett informs couples that a solid marriage consists of an honest, ongoing conversation requiring courageous disclosure and respectful listening that promotes understanding and forgiveness--and that having someone to count on for a lifetime may be the true meaning of monogamy.

[The Seven Powerful Secrets of Emotional Sex](#) - A. Vishwanath 2005

The Seven Powerful Secrets of Emotional Sex will reveal to you that the greatest discoveries in sex are not found in the path of sex but in the emotional connectors which lead to sex. These emotional connectors of religion, culture, relationships, and attraction are what constitutes the darker side of sex, and the sexual energy within us is what perpetuates

the inner beauty to be reflected outwards. We have always been speaking on behalf of sex; we have never allowed sex to speak on its own. The Seven Powerful Secrets of Emotional Sex is an attempt in this direction.

[NASA Secret Files: From Sex in Space to Alien Encounters](#) - Igor Kryan 2019-03-05

100 Billion humans lived and died on this planet and only 539 have been to the outer space. 21 of them never returned back. Those who survived returned as heroes. However, they also returned forever changed men and women because of what they saw, felt or heard out there. This book will take you to the alien empty void and show you from the first hand accounts that it's not so empty after all. Strange things are happening there: from weird sex in space to downright straight forward extraterrestrial alien encounters that cannot be explained by science and kept in the deepest secrecy by NASA. Astronauts and cosmonauts are bound to remain silent about anything unusual by signing Non Disclosure Agreements but several of them choose to speak with Igor Kryan and other investigative journalists - some on the condition of anonymity, while others did not hesitate to come forward with the mind blowing facts that forever will change your mind about leaving mother earth and going into the space.

**Secret Sins** - David Russell Davies 2012-11-15

Sleepy rustic Carmarthenshire was secretly a hotbed of debauchery, violence and drunkenness according to Russell Davies in a new edition of his very successful book, 'Secret Sins'. Behind the facade of idyllic rural life, there was a twilight world of mental illness, suicide, crime, vicious assaults, infanticide, cruelty and other assorted acts of depravity. This almost anecdotal historical study is often funny, sometimes disturbing, always revealing.

Secret Sex - Iris Finz 2007-04-01

Iris and Steven Finz have an uncanny knack for getting people to talk about the intimate details of their sex lives. For more than a decade, they have been interviewing people from all segments of society and, with the permission of their subjects, passing the stories along to their readers. They've talked to regular housewives and hard-working husbands, confirmed bachelors, computer techies, nurses, ski instructors -- people from every walk of life -- to find out how they keep their sex lives fresh and exciting. Their books about the sexual experiences and fantasies of real people have become standard night-table fare in bedrooms all around the world. Readers use them not only to add erotic parks to their own relationships, but also to develop a better understanding of the sexual behavior of others. In *Secret Sex: Real People Talk About Outside Relationships They Hide From Their Partners*, the Finzes take an explicit and provocative look at sex outside a committed relationship. Through various tales of sexual adventures people keep hidden from their significant others, the Finzes reveal how extramarital sex sometimes damages or destroys a relationship, and sometimes helps or even strengthens it. Working to understand the sexual behavior of the people described in this book will help readers to better understand his or her

own sexuality. While we learn the most through observation, the civilized world provides little opportunity to observe others having sex.

Consequently, many people form opinions based on the exaggerated worlds of novels and pornography. While these worlds are exciting, forming opinions based on fiction can lead to skewed perceptions of sexual behaviors occurring outside the realm of our own personal experience. In their unique approach, Iris and Steven Finz provide candid accounts and explicit information, both of which are essential to a true understanding of sexuality.

**Secret Sex Lives** - Suzy Spencer 2012-10-02

New York Times bestselling author Suzy Spencer posted a simple online request: "Need to talk about sex..." Suzy Spencer set out to investigate sex in America—to go beyond the talk and find out what people are really doing in their private (or not so private) lives. What she discovered online, at sex clubs, and elsewhere was truly eye-opening. She started talking to men and women—from across America of all ages and sexual orientations—who make no apology for how they fire their imaginations and satisfy their desires. Soon she found herself invited to be a voyeur—listening in on phone sex, reading e-mails describing sexual encounters in graphic detail, and attending BDSM mixers and workshops. It was all astonishing... and enticing. At every turn she felt herself pulled deeper into people's secret lives and began questioning her own choices about relationships and sex. *Secret Sex Lives* is an intimate account of a journalist who is seduced by her subject; a woman who sets out to look behind closed doors but ends up on a personal, revealing journey to find herself...

**Darwin'S Secret Sex Problem** - F. Lagard Smith 2018-03

Darwins Secret Sex Problem What Darwin Ignored . . . For all his revolutionary insight into the fascinating processes of evolution so useful to current scientific research, health care, and technology, Darwin never seriously confronted the crucial, insurmountable gap in his grand theory between asexual replication and sexual reproduction. Nor could Darwins famed natural selection have provided simultaneous on-time delivery of the first male/female pair of millions of sexually unique species required for evolutions bedrock premise of common descenta fundamental flaw fatal to the romanticized microbe-to-man Evolution Story. Darwins Secret Sex Problem is a witty, engaging, scientifically sound exploration of perhaps the greatest secret of sexualitythe utter inability of Darwinian evolution to explain its origin (John E. Silvius, PhD, Senior Professor Emeritus of Biology, Cedarville University). I highly recommend this book by F. LaGard Smith, a nonspecialist whose careful research demonstrates that he understands the crucial issues surrounding evolutions fatal sex problem, and who has a remarkable ability to communicate complex concepts to a broad audience (Geoff Barnard, PhD, MA, retired Reproductive Endocrinologist and Cambridge University Research Scientist).
