But when his wife finds out and he moves to another city with his family, Sarah is heartbroken. She drifts from one meaningless relationship to the next, seeking but never finding what she shared with Daniel. Seven years later, Daniel walks back into her life, and they fall once again into an irresistible spiral of desire, eventually leading her to places darker than she ever imagined she wanted to go.

The Future of Humanity - Murray Robertson 2015-06-14

The thought of preaching or teaching on the book of Revelation can be extremely daunting. Compared to the straightforward narrative of the Gospels or the New Testament letters, Revelation seems confusing to understand and difficult or even impossible to apply to a particular situation. As a result of these

challenges many preachers are reluctant to engage with Revelation and overlook some of the powerful messages of hope found within, especially for those facing trials and persecution for their faith. In this book, Murray Robertson breaks down Revelation 4 to 22 so that the concept, context, tone and contemporary message can be fully realised by those reading and preaching this apocalyptic text. Containing questions for discussion at the end of every chapter and a few sample sermon outlines, this is a very practical handbook for anyone committed to authentic biblical preaching.

Expository Notes, with Practical Observations on the New Testament of Our Lord and Saviour Jesus Christ - William Burkitt 1856

Revelation - William C. Weinrich 2005-12-09
The Revelation to John—with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth—was widely read, even as it was variously interpreted in the early church. Drawing heavily on both Eastern and Western ancient commentators, much appearing in English for the first time, this ACCS volume is a treasure trove of early interpretation.

The Monarch's Mate - Miranda Bridges
 2019-11-11

My life sucks. All the other human breeders have males who are head over heels for them, but do I get that? Nope. Not even close. My alien is the future king of the Dravian race and believe me, he acts like a royal jerk. Yeah, sure, he's hot as

hell, but that is not the point. Anyway, I'm still trying to figure out how to get him to do what I want when I stumble onto plans for an assassination. I decide to get involved because if anyone is going to kill the sexy prince it's going to be me. Especially if he calls me his "namori" one more time. Whatever that means. So now I'm trying to keep us alive, but he's making everything difficult with his kisses and his... well let's just say I better keep my mind focused and my legs, er... mouth closed.

Cutie and the Beast - Smartypants Romance 2020-04-14

Living with her mother seemed like a good idea at the time. But Elliott Donovan's living arrangements are not working for her anymore. Desperate to get back on her financial feet after a divorce and out from under her mother's thumb, Elliott takes a job in the child care center at Weight Expectations, a local gym. It has everything she needs - family friendly hours, more pay than she expected, and a super cute trainer who just happens to have part of his house for rent. Abel DiSoto was living the good life until his wife walked out taking half of the family income with her. The blow to his ego was bad enough, but after a fire at the gym scattered Abel's clients, and consequently his commissions, he's stuck figuring out how to

make ends meet, too. Renting out the master suite of his house to his new co-worker seems like an easy solution. They're both mature adults, they both have eight-year-old daughters, and their work schedules coordinate so they can lend each other a helping hand to ease the burden of single parenthood. The only downside? Living like a blended family when you're not actually a family can present some challenges. Welcome back to Weight Expectations, where the unexpected is likely to happen. 'Cutie and the Beast' is a full-length contemporary romantic comedy, can be read as a standalone, and is book #3 in the Cipher Office series, Knitting in the City World, Penny Reid Book Universe.

The Beast - Megan Derr 2019-11-19
Alcor has it all: wealth, popularity, power. Whatever he wants, he has only to snap his fingers. He spends his days doped on dragonweed and enjoying the latest person seduced into his bed. He is cold, selfish, and cruel. Then a dark faerie shows up at his birthday party, and a night of drugs and debauchery turns into a nightmare of fire and blood, killing everyone-except Alcor. Instead of death, Alcor is left disfigured and cursed, unable to die, forced into a life of solitude, and his only hope for salvation is that someone can learn to love a beast... Author's note: This book was originally part of Fairytale Slashed Volume 2. It has not changed significantly for this release.
