

# Sex Pistols Record

[Anger is an Energy: My Life Uncensored](#) - John Lydon 2014-10-09

John Lydon has secured prime position as one of the most recognizable icons in the annals of music history. As Johnny Rotten, he was the lead singer of the Sex Pistols - the world's most notorious band, who shot to fame in the mid-1970s with singles such as 'Anarchy in the UK' and 'God Save the Queen'. So revolutionary was his influence, he was even discussed in the Houses of Parliament, under the Traitors and Treasons Act, which still carries the death penalty. Via his music and invective he spearheaded a generation of young people across the world who were clamouring for change - and found it in the style and attitude of this most unlikely figurehead. With his next band, Public Image Ltd (PiL) Lydon expressed an equally urgent impulse in his make-up - the constant need to reinvent himself, to keep moving. From their beginnings in 1978 he set the groundbreaking template for a band that continues to challenge and thrive in the 2010s. He also found time for making innovative new dance records with the likes of Afrika Baambaata and Leftfield. Following the release of a solo record in 1997, John took a sabbatical from his music career into other media, most memorably his own Rotten TV show for VH1 and as the most outrageous contestant ever on I'm a Celebrity.... Get Me Out of Here! He then fronted the Megabugsseries and one-off nature documentaries and even turned his hand to a series of much loved TV advertisements for Country Life butter. Lydon has remained a compelling and dynamic figure - both as a musician, and, thanks to his outspoken, controversial, yet always heartfelt and honest statements, as a cultural commentator. The book a fresh and mature look back on a life full of incident from his beginnings as a sickly child of immigrant Irish parents who grew up in post-war London, to his present status as a vibrant, alternative national hero. [I Swear I Was There - Sex Pistols, Manchester and the Gig that Changed the World](#) - David Nolan 2016-06-02

'A f\*\*king great book' PETER HOOK, JOY DIVISION 'A fascinating insight into a gig that really did change the world' ROCKSOUND On 4 June 1976, four young men took to the tiny stage of the Lesser Free Trade Hall in Manchester. The noise they made changed everything... The NME named it as the most important gig of all time. When the Sex Pistols played Manchester in '76 they set off a series of musical detonations that are still being felt today. Despite thousands claiming they were in attendance, only a handful of people were actually there - but those that were went on to form bands including The Smiths, Buzzcocks, Joy Division, New Order and The Fall. They kick-started the Manchester music scene, created Factory Records and laid the foundations for the world-famous Hacienda nightclub. Forty years on, music journalist David Nolan tells the true story of that legendary gig, plus the Pistols' follow up performance and the band's first ever TV appearance at Manchester's Granada TV a few weeks later. The question has truly become one of rock 'n' roll's greatest mysteries: Who really saw the Sex Pistols at the Lesser Free Trade Hall in 1976? So how does David Nolan finally solve it? By trying to track down the whole audience! In an updated edition comprised of scores of exclusive, extensive interviews with key players and audience members, and featuring previously unpublished photos, I Swear I Was There is the true story of the electrifying gig that changed the music scene forever. 'The gig that truly heralded the punk revolution. Who was there? David Nolan should know, he wrote a bloody book about it! Here he separates fact from fiction' NME 'Excellent, in-depth study...Hilarious eyewitness testimonies' UNCUT 'One of the greatest rock stories ever told' GQ [I Was a Teenage Sex Pistol](#) - Glen Matlock 2006

Matlock describes in a personal, anecdotal, and honest way how the Sex Pistols formed, worked together, and spurred the punk movement in the U.S. and the world. The first account of the rise and fall of the group to be written by a former member of the band, this fascinating expose sets the record straight, and tells the real story. Photographs.

**Sex Pistols: The Graphic Novel** - Jim McCarthy 2011-01-01

From the creator of *Godspeed: The Kurt Cobain Graphic* and *Eminem: In My Skin* comes an explosive new

graphic novel about the rise and fall of The Sex Pistols. Thanks to Steve Parkhouse's wonderfully vivid illustrations and Jim McCarthy's clever distillation of the script that rewrote rock 'n' roll and much else besides, the Pistols' story returns to the rough and tumble of the comic strip from which it derived so much of its initial inspiration. England's original punks explode from the pages with the same disrespect for authority that had the British establishment up in arms during the Queen's 25th anniversary jubilee. And no one would have enjoyed this take on the Pistols more than the tale's real casualty, Sid Vicious, who devoured comics almost as much as he did the destructive stuff.

**The Sex Pistols** - Alan Cross 2012-06-26

Alan Cross is the preeminent chronicler of popular music. Here he provides a history of punk-rock revolutionaries The Sex Pistols. This look at the band—"Delivering Anarchy to the UK"—is adapted from the audiobook of the same name.

[God Save the Sex Pistols](#) - Gavin Walsh 2003

In their brief life as a band the Sex Pistols managed to create a resounding legend that lives on today. More than 20 years after their break-up, the band regrouped and achieved commercial success they never enjoyed in their heyday. Their memorabilia is even sold at Christie's and Sotheby's. *God Save the Sex Pistols*, which lists of all the LPs, singles, CDs, bootlegs, magazines, posters, and merchandise, is both a practical handbook for thousands of dedicated fans and a compendium of facts chronicling the band's history."

*Punk* - Stephen Colegrave 2005-10-11

Recreating the complete story of the punk phenomenon — including where it came from and what it turned into — *Punk* is a massive and visually stunning record of five years that changed the world: from 1975 to 1979. Collecting the testimony of more than 260 artists, record producers, designers, and journalists — including John Cale, Debbie Harry, Joe Strummer, Maureen Tucker, Gerard Malanga, Lou Reed, Johnny Rotten, Danny Fields, Legs McNeil, Bob Gruen, David Byrne, Iggy Pop, Tommy Ramone, William S. Burroughs, Terry Southern, Cherry Vanilla, and Malcolm McLaren, former manager and ringleader of the Sex Pistols — *Punk* brings to life the profound effect punk music had on global popular culture in the words of those who created it. With reverberations in style, fashion, attitude and philosophy, the birth of punk music released the greatest shockwaves in the popular culture since The Beatles. *Punk* tells the story through the words of the people who were closely tied to the mania and through hundreds of contemporaneous color and black-and-white photographs.

**England's Dreaming** - Jon Savage 2011-02-17

WINNER OF THE RALPH J. GLEASON AWARD INCLUDES FOREWORD BY JOHNNY MARR Award-winning, Sunday Times bestselling author Jon Savage's definitive history of punk, its progenitors, the Sex Pistols, and their time: the late 1970s. A pop-culture classic full of anecdote, insight and exclusive interviews, *England's Dreaming* tells the sensational story of the meteoric rise and rapid decline of the last great rock 'n' roll band and the cultural moment they came to define. 'The definitive history of the English punk movement.' NEW YORK TIMES BOOK REVIEW 'Still the strongest history of punk.' GUARDIAN 'The best book about punk rock and pop culture ever.' NME

*Rebel Rock* - Dennis Morris 1985-01-01

**Sex Pistols - Uncensored on the Record** -

[101 Essential Rock Records](#) - Jeff Gold 2016-01-11

A passionate tribute to vinyl, spotlighting rock's most influential records - 101 Essential Rock Records celebrates the Golden Age. A thoughtful essay on each album accompanies the original vinyl cover artwork,

with rare variations from around the world. Also included are provocative interviews with musicians discussing the albums and artists who changed their lives. Susanne Vega, Peter Dinklage (REM), Johnny Marr (The Smiths), Devendra Banhart and more contribute original texts. 101 Essential is the perfect accompaniment and guide to digging in the bins for that quintessential vinyl experience.

**Rotten** - John Lydon 1995-02-15

The leader of the notorious punk rock group, The Sex Pistols, offers his own opinionated, witty reflections on the punk movement, alongside the memories of other musicians and taste-makers of the time, including Chrissie Hynde, Billy Idol, and others. Reprint.

**Lonely Boy** - Steve Jones 2016-11-17

SOON TO BE A LIMITED SERIES DIRECTED BY DANNY BOYLE \_\_\_\_\_ Foreword by Chrissie Hynde Without the Sex Pistols there would be no punk rock, and without Steve Jones there would be no Sex Pistols. It was Steve who formed Kutie Jones and his Sex Pistols, the band that eventually went on to become the Sex Pistols, with his schoolmate Paul Cook and who was its original leader. As the world celebrates the 40th anniversary of Punk - the influence and cultural significance of which is felt in music, fashion and the visual arts to this day - Steve tells his story for the very first time. Rising from the streets of Hammersmith, Steve Jones was once a lonely, neglected boy living off his wits and petty thievery. Given purpose by the glam art rock of David Bowie and Roxy Music, he became one of the first generation of punks taken under the wings of Malcolm McLaren and Vivienne Westwood. For the very first time Steve describes the neglect and abuse he suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a potential life of crime. From the Kings Road of the early seventies, through the years of the Sex Pistols, Punk Rock and the recording of Never Mind the Bollocks (ranked number 41 in Rolling Stone magazine's Best Albums of All Time), to his self-imposed exile in New York and Los Angeles where he battled with alcohol, heroin and sex addiction - caught in a cycle of rehab and relapse - Lonely Boy, written with music journalist and author Ben Thompson, is the story of an unlikely guitar hero who, with the Sex Pistols, changed history.

**Lonely Boy** - Steve Jones 2016

Foreword by Chrissie Hynde Without the Sex Pistols there would be no Punk. And without Steve Jones there would be no Sex Pistols. It was Steve who formed Kutie Jones and his Sex Pistols, the band that eventually went on to become the Sex Pistols, with his schoolmate Paul Cook and who was its original leader. As the world celebrates the 40th anniversary of Punk - the influence and cultural significance of which is felt in music, fashion and the visual arts to this day - Steve tells his story for the very first time. Steve's modern Dickensian tale begins in the streets of Hammersmith and Shepherd's Bush, West London, where as a lonely, neglected boy living off his wits and petty thievery he is given purpose by the glam art rock of David Bowie and Roxy Music and becomes one of the first generation of ragamuffin punks taken under the wings of Malcolm McLaren and Vivienne Westwood. For the very first time Steve describes the sadness of never having known his dad, the neglect and abuse he suffered at the hands of his step father, and how his interest in music and fashion saved him from a potential life of crime spent in remand centres and prison. From the Kings Road of the early seventies, through the years of the Sex Pistols, Punk Rock and the recording of Never Mind the Bollocks (ranked number 41 in Rolling Stonemagazine's Best Albums of All Time), to his self-imposed exile in New York and Los Angeles where he battled with alcohol, heroin and sex addiction - caught in a cycle of rehab and relapse - Lonely Boy, written with music journalist and author Ben Thompson, is the story of an unlikely guitar hero who, with the Sex Pistols, changed history. Publication coincides with the 40th anniversary of the release of the Sex Pistols first record, 'Anarchy in the UK', and of Steve's infamous confrontation on Bill Grundy's Todayprogramme - that interview ushered in the 'Filth and the Fury' headlines that catapulted Punk into the national consciousness.

**Sex Pistols** - Peter Smith 2018-11-15

The Sex Pistols simply, and seemingly effortlessly, blew away all that had come before them, setting an entirely new bar for rock acts that followed in their wake. Peter Smith explores the impact the band had on the launching of the punk movement as well as its embodiment of 1970s' disenfranchised youth and tense

political climate.

**Sex Pistols** - Brian Southall 2017

Here is the story of how the Sex Pistols shocked and shamed EMI--the UK's most revered and profitable record company--and ended up £40,000 the richer thanks to manager Malcolm McLaren's cunning business strategy. A must read for any punk or Sex Pistols music fan, written by a true insider, Brian Southall, the former EMI PR executive who was there during the whole affair.

**Sex Pistols** - John Scanlan 2017-05-15

The explosive story of the Sex Pistols is now so familiar that the essence of what they represented has been lost in a fog of nostalgia and rock 'n' roll cliché. In 1976 the rise of the Sex Pistols was regarded in apocalyptic terms, and the punks as visitors from an unwanted future bringing chaos and confusion. In this book, John Scanlan considers the Sex Pistols as the first successful art project of their manager, Malcolm McLaren, a vision born out of radical politics, boredom, and his deep and unrelenting talent for perverse opportunism. As Scanlan shows, McLaren deliberately set a collision course with establishments, both conservative and counter-cultural, and succeeded beyond his highest expectations. Scanlan tells the story of how McLaren's project—designed, in any case, to fail—foundered on the development of the Pistols into a great rock band and the inconvenient artistic emergence of John Lydon. Moving between London and New York, and with a fascinating cast of delinquents, petty criminals, and misfits, Sex Pistols: Poison in the Machine is not just a book about a band, it is about the times, the ideas, the coincidences, and the characters that made punk; that ended with the Sex Pistols—beaten, bloody, and overdosed—sensationally self-destructing on stage in San Francisco in January 1978; and that transformed popular culture throughout the world.

**Triggers** - Glen Matlock 2023-10-12

A fascinating new book charting the life and career of Sex Pistols legend Glen Matlock through the lens of thirty of his most formative songs - from the ones that influenced him as a child to the ones he wrote and played on as a star. Sharing insider tales of the Sex Pistols' earliest gigs and stormiest reunions, as well as their most idiosyncratic inter-band dynamics, Triggers offers a vivid insight into the ultimate icons of punk. Yet, having performed and recorded with so many musical luminaries over the decades, Glen also reflects on his time with the likes of Iggy Pop, David Bowie, the Faces, Blondie, Primal Scream and many more, bookending his account with two 'winters of discontent': 1976 and 2022. This is the story of an outspoken, uncompromising man and remarkable, game-changing musician.

*The Sex Pistols Never Mind the Bollocks* - Dennis Morris 1991-01-01

**The Sex Pistols - 1977: The Bollocks Diaries** - the Sex Pistols 2017-10-26

'...short, sharp, to the point, minimal. 'Never Mind the Bollocks' is a blackmail note - and we got you all to pay up!' - JOHN LYDON 'When we first went in Wessex [recording studios] we went in through this side door. Freddie Mercury was there doing a vocal take and we walked right through with our guitars. He threw a wobbler.' - STEVE JONES "God Save The Queen" was definitely the pinnacle. It all went sour after that.' - PAUL COOK 'Malcolm was a shit-stirrer. I think he's got a short attention span. He played this game of pitching me against John. Now we realise there was a lot of false information going between us.' - GLEN MATLOCK On the 40th anniversary of the release of 'Never Mind the Bollocks, Here's the Sex Pistols', The Sex Pistols - 1977: The Bollocks Diaries is the official, inside story of the whirlwind year of 1977- the recording and release of 'Never Mind the Bollocks...' and the year the Sex Pistols changed everything. From 'God Save the Queen' to 'Holidays in the Sun' and everything in between, it was a year of chaos and creation. Straight from the mouths of the Sex Pistols and their collaborators, with first-hand stories of secret gigs, recording sessions, fights, record label meltdowns and a media storm like nothing ever seen before, The Sex Pistols - 1977: The Bollocks Diaries is the inside line, told by the people who were there. Packed with photography and rare items from the Sex Pistols archives - from gig posters and early album art to master tapes and notes from recording sessions - this is the final word on a year like no other.
