Screening Asian Americans - Peter X. Feng 2002

A Choice Outstanding Academic Title "Cover to cover, *Screening Asian Americans*, a collection of 15 essays, is fabulous."--AsianWeek.com "This scholarly book uses 15 contributors to explore the various images of Asians, many of which have been negative."-Burlington County Times This innovative essay collection explores Asian American cinematic representations historically and socially, on and off screen, as they contribute to the definition of American character. The history of Asian Americans on movie screens, as outlined in Peter X Feng's introduction, provides a context for the individual readings that follow. Asian American cinema is charted in its diversity, ranging across activist, documentary, experimental, and fictional modes, and encompassing a wide range of ethnicities (Filipino, Vietnamese, Indian, Japanese, Korean, Chinese, and Taiwanese). Covered in the discussion are filmmakers--Theresa Hak Kyung Cha, Ang Lee, Trinh T. Minh-ha, and Wayne Wang--and films such as *The Wedding Banquet*, *Surname Viet Given Name Nam*, and *Chan is Missing*. Throughout the volume, as Feng explains, the term screening has a twofold meaning-referring to the projection of Asian Americans as cinematic bodies and the screening out of elements connected with these images. In this doubling, film representation can function to define what is American and what is foreign. Asian American filmmaking is one of the fastest growing areas of independent and studio production. This volume is key to understanding the vitality of this new cinema. A volume in the *Depth of Field Series*, edited by Charles Affron, Mirella Jona Affron, and Robert Lyons Peter X Feng teaches English and women's studies at the University of Delaware.

Careers Digest - 1977

Reading 'Bollywood' - S. Banaji 2006-05-23

This book explores representations of gender, sexuality and ethnicity in Hindi films, in the socio-political context and in terms of how young audiences in India and the UK construct them. In-depth interviews, observations and photographs provide insights into spectatorship and comparison with theories about Hindi film and popular culture. Movies, Masculinity, and Modernity - Steve Derne 2000-03-30 Men in India are attracted to Hindi films partly because of their attraction to depictions of modern lifestyles. Derne argues that films help men handle their ambivalence about modernity by rooting their sense of Indianness in women's acceptance of traditional food habits, clothing, and gender subordination. The book is one of the first ethnographic studies of filmgoing and one of the first to focus on mainstream male audiences. Derne considers the effects of films' eroticization of domination and submission on men's sexuality. The study provides ethnographic support for Mulvey's argument that filmgoing prompts men to make women the object of a controlling look. The book shows how films invent new ideologies of male dominance by associating Indianness with limitations on women's movements, and by portraying men as rational and modern, and women as emotional and traditional. One of the first ethnographic studies of filmgoing and one of the first to focus on mainstream male audiences, the book contributes to a rethinking of some key arguments in media studies. While media studies have rightly focused on how films prompt men to gaze at women, this study shows that films simultaneously encourage men to see themselves as the object of controlling looks. Derne exposes as one-sided the scholarly emphasis on how Indians value hierarchy and group guidance, asserting that Indian films instead celebrate individualism and love.

Women Filmmakers in Contemporary Hindi Cinema - Aysha Iqbal Viswamohan 2023-01-28

This book is a comprehensive anthology comprising essays on women film directors, producers and screenwriters from Bollywood, or the popular Hindi film industry. It derives from the major theories of modernity, postmodern feminism, semiotics, cultural production, and gender performativity in globalized times. The collection transcends the traditional approaches of looking at films made by women filmmakers as 'feminist' cinema, and focuses on an extraordinary group of women filmmakers like Ashwini Iyer Tiwari, Bhavani Iyer, Farah Khan, Mira Nair Vijaya Mehta, and Zoya Akhtar. The volume will be of interest to academics and theorists of gender and Hindi cinema, as well as anybody interested in contemporary Hindi films in their various manifestations.

Young Muslim Women in India - Kabita Chakraborty 2015-12-14

This book, based on extensive, original research, details the changing lives of youth living in slum communities (bustees) in Kolkata (formerly Calcutta). Using young people's own photos, art and narratives, the book explores how Muslim girls and young women are contributing to, and impacted by, changing youth culture in India. We are invited into the risky world of mixed-sex dance taking place in clandestine spaces in the slums. We join young people on their journeys to find premarital romance and witness their strategic and savvy risk taking when participating in transgressive aspects of consumer culture. The book reveals how social changes in India, including greater education and employment opportunities, as well as powerful middle class Muslim reform discourses, are impacting youth the very local level. More than

just fantasy we see that Bollywood is an important role model which young people consult. By carefully negotiating risks and performing multiple identities inspired by modernity, globalization and, most of all, Bollywood culture, young people actively participate in a changing India and disrupt dominant discourses about slum youth as poor victims who are excluded from social change.

20 Practice Sets IBPS Bank Clerk Main Exam 2021 Hindi - Ritesh Ranjan 2021-09-14

1. Bank Buddy' is an exam oriented series for IBPS exams 2. The book provides with 30 practice sets of IBPS Bank Clerk 3. The book is divided into 3 main sections 4. Qualifiers: 10 sectional tests for English, Numeral Ability and Reasoning Ability 5. Knock Outs: 20 Full lengths practice sets 6. Real Nuts:3 Previous years papers IBPS has recently announced 5830 clerical cadre posts that are to be recruited for the year 2021-22.

Keeping in mind the exact need and expectations of banking, 'Bank Buddy' is an exam oriented book series for IBPS exams. The book "IBPS Bank Clerk Pre Exam - 20 practice sets - Main Examination" is strategically designed to provide the systematic practice to aspirants giving different elements arranged orderly in different sections. Section 1 - Speed Boosters: Contains 5 sectional tests for each Reasoning and Quantitative Aptitude, giving equal grip on all the section, Section 2 - Exam Cracker: Consists of 20 Question papers, providing full length Practice Sets exactly based on latest Exam pattern for real time practice, after completing Qualifiers round. Section 3 - The Real Nuts: Contains Last Years' Papers of IBPS Bank Clerk, giving the exact idea of the level and pattern of the exam. Answers with detailed explanations are provided for every question and in each section for quick revision of concepts. Practice done from this book can prove to be a perfect tool for the upcoming IBPS Clerk exam. TOC Section I Speed Boosters, Section II Exam Cracker, Section III Real Nuts

Dangerous Sex, Invisible Labor - Prabha Kotiswaran 2011-07-05

Popular representations of third-world sex workers as sex slaves and vectors of HIV have spawned abolitionist legal reforms that are harmful and ineffective, and public health initiatives that provide only marginal

protection of sex workers' rights. In this book, Prabha Kotiswaran asks how we might understand sex workers' demands that they be treated as workers. She contemplates questions of redistribution through law within the sex industry by examining the political economies and legal ethnographies of two archetypical urban sex markets in India. Kotiswaran conducted in-depth fieldwork among sex workers in Sonagachi, Kolkata's largest red-light area, and Tirupati, a temple town in southern India. Providing new insights into the lives of these women--many of whom are demanding the respect and legal protection that other workers get--Kotiswaran builds a persuasive theoretical case for recognizing these women's sexual labor. Moving beyond standard feminist discourse on prostitution, she draws on a critical genealogy of materialist feminism for its sophisticated vocabulary of female reproductive and sexual labor, and uses a legal realist approach to show why criminalization cannot succeed amid the informal social networks and economic structures of sex markets. Based on this, Kotiswaran assesses the law's redistributive potential by analyzing the possible economic consequences of partial decriminalization, complete decriminalization, and legalization. She concludes with a theory of sex work from a postcolonial materialist feminist perspective.

Behavioural Sciences (Bilingual Edition) - Dr. S. Victor Devasirvadham, Selvan MR/Hindi Authors-Rajkumar Chaudhary, Girish Pratap Singh 2020-01-01
 Explore the fascinating world of Behavioural Science (Manovigyan and Samajshastra) with this insightful book. Gain a deep understanding of human behavior, psychology, and the social sciences. Dive into topics like cognitive processes, social interactions, personality development, and more. This comprehensive guide is designed to expand your knowledge and provide practical insights. Unlock the secrets of human behavior and society with this engaging book on Behavioural Science. Perfect for students and enthusiasts seeking a comprehensive understanding of the subject.

Rajasthan - K. S. Singh 1998

Same-Sex Love in India - R. Vanita 2000-09-11

Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a nineteenth-century invention, uncovering instead complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have translated these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles, medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

Love's Rite - Ruth Vanita 2021-08

(This) Absorbing New Book Shows How Subtly And Imaginatively Indian Attitudes Toward Same-Sex Unions Have Evolved Over The Centuries&And Offers A Marvelously Global Perspective Characterized By Profound Historical Understanding, Impeccable Scholarship, And A Rare And Delightful Precision Of Feeling. - Terry Castle, Professor At Stanford University, Editor Of The Literature Of Lesbianism. Why Should The State S Refusal To Recognize A Union As Marriage Mean That The Union Is Not A Marriage? In Love S Rite Ruth Vanita Asks This Challenging Question In Order To Emphasize That Mutual Consent And Family And Community Recognition Validate A Marriage-And This Support Frequently Extends To Same-Sex Marriages As Well. When People Claim The Right To Marry, Their Sex Or Sexuality Is Not Intrinsic To That Right, Although Social Prejudice Makes It Appear So. Moreover, It Cannot Be Denied That A Multitude Of Events And Depictions In Vastly

Different Cultures, Times And Places, All Point To The Possibility Of Same-Sex Love And Commitment Being Recognized And Accepted. Marriage Is A Universal Rite Of Passage That Can, In The Right Circumstances, Become The Perfect Ceremony Of Love S Rite . Vanita Examines The Twin Phenomena Of Same-Sex Weddings And Same-Sex Joint Suicides (Mostly Female) That Have Been Reported From Many Parts Of India. She Argues That These Couples, When They Choose To Marry Or Die Together, Invoke Long-Standing But Fluid Indian Legal, Religious, And Literary-Cinematic Traditions To Declare Their Love To The World. Using Her Intimate Knowledge Of Ancient Indian Textual History, The Author Demonstrates That Same-Sex Love And Relationships Are Deeply Rooted In Indian Culture- And Compares The Cultural And Legal Implications Of Same-Sex Marriage In India With Those In The West. The International Debate On Same-Sex Marriage Is Relevant To All Democratic Societies Today. Ruth Vanita Brings A Fresh Perspective To This Debate, Suggesting That Same-Sex Marriage Dwells At The Heart, Not On The Margins, Of Culture. An Effortless Combination Of Empathy, Moral Conviction And Deep Cultural Sensitivity -Ashis Nandy

Language Ideologies and the Vernacular in Colonial and Postcolonial South Asia - Nishat Zaidi 2023-09-29

This volume critically engages with recent formulations and debates regarding the status of the regional languages of the Indian subcontinent vis-à-vis English. It explores how language ideologies of the “vernacular” are positioned in relation to the language ideologies of English in South Asia. The book probes into how we might move beyond the English-vernacular binary in India, explores what happened to “bhasha literatures” during the colonial and post-colonial periods and how to position those literatures by the side of Indian English and international literature. It looks into the ways vernacular community and political rhetoric are intertwined with Anglophone (national or global) positionalities and their roles in political processes. This book will be of interest to researchers, students and scholars of literary and cultural studies, Indian Writing in English, Indian literatures, South Asian

languages and popular culture. It will also be extremely valuable for language scholars, sociolinguists, social historians, scholars of cultural studies and those who understand the theoretical issues that concern the notion of “vernacularity”.

The Continuum Complete International Encyclopedia of Sexuality - Robert T. Francoeur 2004-01-01

--A completely updated one-volume edition of the 4-volume International Encyclopedia of Sexuality--Includes nearly 60 countries and places--12 not previously covered--by more than 200 authorities--It is the only reference work of its kind in any language

Indian Feminisms - Geetanjali Gangoli 2016-05-23

Contributing to debates on feminism, this book considers the impact made by feminists in India from the 1970s. Geetanjali Gangoli analyses feminist campaigns on issues of violence and women’s rights, and debates on ways in which feminist legal debates may be limiting for women and based on exclusionary concepts such as citizenship. She addresses campaigns ranging from domestic violence, rape, pornography and son preference and sets them within a wider analysis of the position of women within the Indian state. The strengths and limitations of law reform for women are addressed as well as whether legal feminisms relating to law and women's legal rights are effective in the Indian context. The question of whether legal campaigns can make positive changes in women’s lives or whether they further legitimize oppressive state patriarchy is considered. The recasting of caste and community identities is also assessed, as well as the rise of Hindu fundamentalism and the ways in which feminists in India have combated and confronted these challenges. Indian Feminisms will interest researchers and students in the areas of feminism, law, women’s movements and social movements in India, and South Asia more generally.

Lovestruck Sweetheart Edition - Ronald Molmisa 2015-09-15

Green is in! Idamay mo na ang lovelife mo sa healthy living mo. Ready ka na bang i-give up ang high blood, insomnia at migraine sa kakaisip kung compatible kayo? You-and-me-against-the-world ba ang peg mo kahit may mali sa sitwasyon ninyo? Linya mo ba ang "Walang makakapigil sa

amin!" masunod lang ang puso mo? Gusto mo nang palitan ang relationship status mo nang seryosohan pero tingin mo naman sa pag-aasawa ay bahay-bahayan lang. Alamin kung ano ang itsura ng maayos at tamang relasyon that will stand the test of time. Bago mo ibook ang dream wedding venue mo, basahin mo muna ang librong ito. Maniwala kang may forever dahil may isang klase ng love na talaga namang pang-out of this world.

A Bibliography of Bertrand Russell - Kenneth Blackwell 2003-09-02
From 1895, the year he published his first signed article, to four days before his death in 1970 when he wrote his last, Bertrand Russell was a powerful force in the world of mathematics, philosophy, human rights and the struggle for peace. During those years he published 70 books,

almost as many pamphlets and over 2,000 articles, he also contributed pieces to some 200 books. The availability of the Bertrand Russell Archives at McMaster University since 1968 has made it possible for the first time to compile a full, descriptive bibliography of his writings. The Collected Papers are based on it. Fully annotated, the Bibliography is textually oriented and will guide the scholar, collector and general reader to the authoritative editions of Russell's works. It includes references to the locations of all known speeches and interviews, and reproductions of the dust-jackets of Russell's books. Blackwell, Ruja and Turcon have cooperated for nearly 20 years on the new Bibliography. Lord Russell saw the extensive additions for it near the end of his life and declared: 'I am impressed.'
