

Sex Without Love

Perspectives on Sexuality - James L. Malfetti
1971

Sex Without Love - Russell Vannoy 1980
"Here, in a break from traditional philosophical views of sex and love, Russell Vannoy presents a radical defense of sexual enjoyment without love. Vannoy argues that truly humanistic and fulfilling sex is found only when it is enjoyed for its own sake and it is divorced from traditional forms of love. The book contains insightful analyses of the philosophies of Sartre, Freud, Schopenhauer, Reich, Nagel, de Sade, and others." -- back cover.

Thinking Your Way to Freedom - Susan T. Gardner 2009-01-16

This is a critical-thinking textbook with a difference. Rather than focusing exclusively on improving college students' academic achievement, Gardner seeks to change how students think through issues that are important in their lives beyond school.

Madonna/Whore Complex: Love Without Sex; Sex Without Love - Pat Gaudette
2011-06-01

For Some Men, Love and Sex Do Not Go Together There are many names for it: Madonna/Whore Complex; Madonna-Whore Syndrome; Virgin/Whore Complex; Prostitute-Versus-Madonna Syndrome; Virgin-Prostitute Syndrome; Pedestal/Gutter Syndrome; Madonna-Whore Dichotomy; Virgin-Madonna-Whore

Complex; Madonna vs. Harlot; Obscenity-Purity Complex; Good Girl-Bad Girl Dichotomy. Regardless of the name, it refers to the male sexual dysfunction in which some men believe that sex is a dirty act that is only enjoyed by "bad" women-whores. For these men, all women are divided into two very different groups: the whores/prostitutes/harlots, women who are easily seduced and who enjoy the dirty act of sex; and the Madonnas/virgins-as in the Virgin Mary-pure women of virtue who would never enjoy sex and who should not be degraded by the sex act. These men, who love their wives too much to have sex with them, marry virgins but save their passion for whores. For a woman brought up believing "good girls don't," marriage is supposed to be when "good girls do." She may link marriage, love, and sex together but marriage to a man with the Madonna/Whore Complex will be essentially sexless. A man diagnosed with the Madonna/Whore Complex does not want to have a wife "who is a lady in

public and a whore in the bedroom." He expects his wife to be a lady in public and in private. He does not want her to be sexually aggressive or act whorish (in his opinion). He wants her to be pure in mind and body, virginal in every way. For him, love does not equal sex nor does sex equal love. Table of Contents: Introduction The Madonna/Whore Complex Warning Signs The Virginity Issue The Making of a Madonna Wife Is He or Isn't He? The Wives and Girlfriends The Husbands and Boyfriends Can the Madonna/Whore Complex Be Cured? The Dark Side of the Madonna/Whore Complex Sources [Prostitution and Pornography](#) - Jessica Spector 2006

This collection of new and classic writings about the sex industry asks us to think about the differences between our society's treatment of prostitution and pornography, while investigating how liberalism deals with the sex industry in general.

We spend so much time worrying about the little things in life, money, objects, bills, insignificant things really. We give these things much more importance than they deserve because these things are so truly trivial when compared to the significant things in life like love, health, family, and friends. We allow these trivial things to constantly overwhelm us and worry us sick. We always wish for the future, as opposed to rejoicing in the present and appreciating life for what it truly is, a gift, an opportunity to love and to be loved and by doing so opening our eyes to a truly beautiful reality, a reality we fail to see without love. We fail to see the true beauty of life, the beauty of a brand new morning, the beauty of a butterfly resting in a rose, or the sweet melodies the bird sing. Instead, we focus on the petty things, and by so doing we keep ourselves from achieving the true happiness we seek. Time and time again I have encountered unhappiness in life and particularly in relationships. People do not understand why

their relationships are not going in the right direction. People wonder why they are not as happy as they wish they could be, and usually the reason for this is not an insurmountable one. This unhappiness is mostly caused by a lack of communication, lack of trust, lack of honesty, lack of attention or understanding. Sometimes a combination of these prevents us from achieving true happiness, but they can be overcome, and with my help and your willingness to change, you will achieve just that. These problems, unfortunately, are very common, but there is a solution, a simple solution I want to share with you. I want to change the status quo by providing you with the tools you will need to overcome these problems. I want to provide you with the tools you need to more successfully approach your love interest, to better deal with your significant other, and to even improve your marriage and everyday life. I will show you how to communicate, appreciate, and better understand your partner; above all, I will help

you love again. The reason behind this book being written is the beautiful feeling one feels as soon as one falls in love, a feeling that should never disappear. It should evolve and become more objective, but no less beautiful; the flame of love should never vanish. The honeymoon period, whether you are married or have just entered into your first relationship, should not fade and pass; it should just transform and it can! It will require a little effort and awareness of each other's preferences, but remember all worthwhile endeavors do. The origin of this book then rests in the predominant lack of understanding between the sexes, in the predominant complaint, "My boyfriend pays more attention to his car than to me," as well as "My wife is always nagging; no matter what I do, she's never happy." The origin of this book is due to the strong belief that I can change that, that I can provide you, the reader, with a happy medium. I strongly believe that I can show you how to meet halfway, and become a happier

person and a happier couple in the process. I believe that I can help change those statements to something more positive. I believe I can change those statements to something like: "my boyfriend enjoys spending time working on his car, but he loves me; I'm the most important thing in his life" or "my wife is the greatest - she knows how much I love her, and she knows any opportunity I get I want to be with her because I'm the most important person in her life." Myabe you noticed the use of "thing" and "person" and that is a purposeful mistake, as you will soon learn.

The Scientific American Book of Love, Sex and the Brain - Judith Horstman 2011-11-15

Who do we love? Who loves us? And why? Is love really a mystery, or can neuroscience offer some answers to these age-old questions? In her third enthralling book about the brain, Judith Horstman takes us on a lively tour of our most important sex and love organ and the whole smorgasbord of our many kinds of love-from the

bonding of parent and child to the passion of erotic love, the affectionate love of companionship, the role of animals in our lives, and the love of God. Drawing on the latest neuroscience, she explores why and how we are born to love-how we're hardwired to crave the companionship of others, and how very badly things can go without love. Among the findings: parental love makes our brain bigger, sex and orgasm make it healthier, social isolation makes it miserable-and although the craving for romantic love can be described as an addiction, friendship may actually be the most important loving relationship of your life. Based on recent studies and articles culled from the prestigious Scientific American and Scientific American Mind magazines, The Scientific American Book of Love, Sex, and the Brain offers a fascinating look at how the brain controls our loving relationships, most intimate moments, and our deep and basic need for connection.

Why do women have sex without love? - Alice Meyer 2022-01-29

In fact, everything is simple: women simply adopted some rules of modern dynamic reality. It used to be a long and languid sigh, expecting a favorite postal pigeon. Now all the processes have accelerated simply incredibly. Therefore, it became convenient for some women to enjoy themselves in a short way. You do not need to picture anybody, you can not be obedient, innocent and weak, if in fact you are completely different...

The Sexual Contract - Carole Pateman 2018-06-05

Carole Pateman is one of the foremost political theorists writing in English today. In this outstanding new work, she presents a major reinterpretation of modern political theory. She shows how standard discussions of social contract theory tell only half the story. The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned. In a wide-ranging and scholarly discussion, Pateman examines the significance of the political fictions of the original contract and the slave contract. She also offers a sweeping challenge to conventional

understandings - of both left and right - of actual contracts in everyday life: the marriage contract, the employment contract, the prostitution contract and the new surrogacy contract. By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes, she is able to shed new light on the fundamental problems of freedom and subordination. The Sexual Contract will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy, women's studies, sociology and jurisprudence.

Bisexual and Gay Husbands - Fritz Klein

2014-02-04

What happens when married men face their gay/bisexual needs? This astonishing volume offers an intimate look into the lives and thoughts of bisexual men. Already married to women, these men are undeniably attracted to other men. Their struggle with conflicting needs, desires, and loyalties is not filtered through theories or evoked in brief interviews. It comes straight from their own keyboards. The stories told in *Bisexual and Gay Husbands* are taken from an Internet mailing list, which allows people to speak freely and in anonymity, yet also encourages the development of a tightly knit community. Men at all stages of the coming-out process share their experiences, their secrets, their pain, shame, anger, and hope. One man writes, "I have found the answer to my bisexual needs and am afraid to embrace it. I need help and advice to know what to do. What you people

have done in your lives may hold the key to helping me decide on a course of action. I am either going to create a dream come true or hell on earth as I destroy my marriage. I can't tell which, and of course you can't either. But you CAN tell me how you are handling the problems I am facing." Bisexual and Gay Husbands includes advice and information on the issues that touch these men most deeply, including: how do I tell my wife and kids? what does it mean to self-identify as bisexual or gay? what kinds of relationships do I want with men? can triads work? how do I deal with my children's reaction? do I have to leave my wife? The insight, intelligence, and honesty revealed in Bisexual and Gay Husbands make it a riveting read, but it also has great clinical and historic value for therapists, sex theorists, and bisexual men and their families.
