Hard to Get - Leslie C. Bell 2013-03-08

Examines the love lives of twenty-something American women, revealing that young women have more opportunities and information than previous generations, but that unsatisfying sex and relationships tend to stem from sexual freedom.

[Carnal Nation](#) - Carellin Brooks 2000

It has long been held that the early Labour movement owed a debt to

Nonconformity, but relatively little attention has been paid to this relationship during the interwar years. "The Labour Party and the Free Churches 1918-1939" explores how, during this period, the party formalized, replaced the Liberals as the main party of the Left in Britain, and created a boundary between itself and the recently formed Communist Party. Peter Catterall demonstrates the influence on political Nonconformity on these developments, through the ideological, political

and electoral relationship between the Free Churches and the Labour Party. In contributing to the rethinking of the relationship between state, society and socialism, this book makes an original contribution to the history of 20th-century Britain and in particular to the history of the Labour Party and of the Churches, showing that the Labour Party's relationship with the Free Churches contributed a distinctive ethical character to British socialism.

The Hormone Diaries - Hannah Witton 2019-06-13

An honest, funny and feminist take on living with your period (and hormones!), by the award-winning sex education and body positivity champion, and author of *Doing It!*, Hannah Witton. When it comes to periods, we're often expected to cope with it quietly. But our periods and our hormones affect every area of our lives - so I am done with scuttling to the toilet with a tampon up my sleeve. It's clear that I'm not the only one aching to be more open about this. When I reached out to the online community, I received an outpouring of raw, real and hilarious stories about what we go through simply for having a uterus. From first periods to first coils, pimples to hot-water bottles and PCOS to endometriosis, *The Hormone Diaries* is your essential companion on the hormone rollercoaster. Filled with Hannah's insights, fascinating research and those priceless crowdsourced stories, it's the reassuring hug we all need. At least 50 per cent of the world has to deal with this stuff - it's time we started talking about it.

Sex and the Goddess - Karin E Weiss Ph.D. 2019-11-20

It has been over twenty years since the full manuscript of my book was edited for publication in 1998. I had begun writing it in the previous decade, the 1980's... a period of flourishing women's liberation movements against the patriarchal status quo. Books about women's sexuality and spirituality were flooding the bookstores, and many writers were producing profound studies of the untold heroism of women throughout history. I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School's "Program in Human Sexuality." In addition, I conducted women's self-enrichment groups and workshops in my private practice... "Woman's

Discovery Institute" ... where I also gave professional Astrology readings and classes. This rich mix of psychology, philosophy, spirituality, and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women's unsung heroism throughout history. It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi-layered lives. I based my theory on the lunar cycle, which is eternally linked to women's menstrual, emotional, and psychic cycles. With a friend, I created a series of workshops for women to celebrate their many-faceted selves and gain confidence to pursue their goals. Yet for various reasons my book manuscript remained in my own bookshelf, never getting published. Until now... the times again call for women to claim their autonomy and gain equality in an overly male-dominated and viciously callous world. I am blessed to find in Xlibris a publisher ready to take on the project with me. I am thrilled to finally see my "Life's Masterwork" in print. You will find many divergent ideas in these two volumes. No single woman encompasses all that are described, but as you read and recognize these characters in yourselves and your friends, I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers.

Tinder Sex Stories - Marcus Jordan 2019-12-14

A blowjob on the first date. Sex in public places. BDSM. Interracial sex. Sex during the period. Anal sex. Unusual orgasms. MILFs. Nymphos. This book has them all! And they are NOT made-up stories or erotic fantasies. Everything happened JUST as it's described! More than 500 matches. More than 100 dates. About 50 kisses and 30 sex experiences. 26 of them were really kinky or unusual, and have made it into this book. Real-life erotic short stories from Tinder as never told before, with all the intimate details. This was basically my life during the past 2 years. It was totally dedicated to the Tinder app and it was an involuntary Tinder experiment. Countless hours of chatting, hundreds of flirts, hundreds of nude pics and lots of dirty talking and sexting that never became a reality. But also lots of online dates, lots of experiences, both good and bad sex, Tinder hookup success stories, dreams and fantasies that came

true, but also lots of disappointments and Tinder fails. A lot of wasted time, but also some great memories. A lot of knowledge and new information about the nature of women. Among the chapters of this erotica short stories Kindle ebook you will find: -The Nympho-She Loved To Suck Cock-The Exorcism-So Many Orgasms-The Deepest Deepthroat-The Young & Slutty BDSM Lover-The Belgian MILF-So Much Blood-The 35 Years-Old Virgin-5 Fuck Buddies-The Set of Toys-The Porn Star-How Girls Use Tinder-And many more! I'll start this erotica short book by presenting some of the most interesting dating experiences I've had, and for obvious reasons all the names are fictional (each girl has a letter name from A to Z). Besides that, everything is written EXACTLY as it happened. Then, I'll present some of the Tinder bad stories too. I'll end up the erotic book Kindle short stories by saying a few general things about the Tinder app, about how its algorithm works and about how different the experience is for men and women. In this app the girls have the power. After releasing the book online, I added even more kinky chapters. If you liked the erotica taboo kinky stories, feel free to share the e-book with your friends and leave a review down below!

The Promise of Adolescence - National Academies of Sciences, Engineering, and Medicine 2019-08-26

Adolescence "beginning with the onset of puberty and ending in the mid-20s" is a critical period of development during which key areas of the brain mature and develop. These changes in brain structure, function, and connectivity mark adolescence as a period of opportunity to discover new vistas, to form relationships with peers and adults, and to explore one's developing identity. It is also a period of resilience that can ameliorate childhood setbacks and set the stage for a thriving trajectory over the life course. Because adolescents comprise nearly one-fourth of the entire U.S. population, the nation needs policies and practices that will better leverage these developmental opportunities to harness the promise of adolescence rather than focusing myopically on containing its risks. This report examines the neurobiological and socio-behavioral science of adolescent development and outlines how this knowledge can be applied, both to promote adolescent well-being, resilience, and

development, and to rectify structural barriers and inequalities in opportunity, enabling all adolescents to flourish.

The Vagina Book - Thinx 2020-08-18

The Vagina Book is an essential guide packed with invaluable information about sexual health that everybody should know, but might be too afraid to ask. With sections on anatomy, periods, hormones, sex, contraception, fertility, hair care, and so much more, this fun-to-read guide helps readers make healthy decisions for their bodies. Compelling personal essays from a diverse group of luminary figures—including Margaret Cho, Roxane Gay, and Blair Imani—are sprinkled throughout, enriching the pages with beauty, strength, and honesty. • From OB/GYN Dr. Jennifer Conti and the team behind the beloved Thinx period products • Dispenses with taboos and misinformation about vaginas and bodies • Provides the latest health research in easy-to-digest entries Advice includes yoga poses to help with PMS and cramping, a cheat sheet for making sense of contraception options, why you should care about your pelvic floor (plus easy strengthening exercises!), and the illustrated history of feminine hygiene products, from ancient Egypt through today. This groundbreaking guide is a perfect gift for every modern woman and a vital addition to every modern bookshelf. • A must-have handbook for anyone with a vagina • Presented in a luxe, cushioned case filled with more than a hundred vibrant illustrations • Perfect unique gift for anyone who is passionate about sexual health, feminism, and learning more about their body, as well as readers of *Refinery29* and *GOOP* • Add it to the shelf with books like *Come as You Are: The Surprising New Science that Will Transform Your Sex Life* by Emily Nagoski PhD; *WomanCode: Perfect Your Cycle, Amplify Your Fertility, Supercharge Your Sex Drive, and Become a Power Source* by Alisa Vitti; and *Pussy: A Reclamation* by Regena Thomashaue.

Sweet Secrets - Kathleen O'Grady 1997

The ideal resource for adolescent girls anticipating their first period all young women who want to learn more about the changes that a woman's body goes through during this time in her life "What's going on with my body?" "What does menstruation feel like?" "How will my friends react?"

Unlike the standard "just-the-facts" approach, this book of short stories and factual information provides the reader with her very own confidantes, others who share a common experience. Sweet Secrets dispels myths with current, up-to-date health information about menstruation. A unique and reassuring collection, it empowers young women to celebrate this rite of passage with informed confidence.

Period Power - Nadya Okamoto 2018-10-16

PERIOD founder and Harvard College student Nadya Okamoto offers a manifesto on menstruation and why we can no longer silence those who bleed—and how to engage in youth activism. Throughout history, periods have been hidden from the public. They're taboo. They're embarrassing. They're gross. And due to a crumbling or nonexistent national sex ed program, they are misunderstood. Because of these stigmas, a status quo has been established to exclude people who menstruate from the seat at the decision-making table, creating discriminations like the tampon tax, medicines that favor male biology, and more. Period Power aims to explain what menstruation is, shed light on the stigmas and resulting biases, and create a strategy to end the silence and prompt conversation about periods.

Victim of Sexual Fantasies: Passion, Sex, Lies - Simin Seksener 2020-02-07

"Let me see how much you desire" I'm Simin Seksener. After a successful school and business life, I started to get out of everything and write sections from my life. Life is my life, enjoy and live again, enjoy .. In this book, I explained the sexual hunger I had experienced in my life, once from my close friend Can's life. Another hero of my story, Şeyma, is my current partner. My stories in this book, which contains the fantasies that everybody can find a piece of his own life or cannot imagine, will affect my readers both male and female. While these events were happening to me, I tried to convey in detail the moments that I enjoyed in a sexual sense. I hope I was successful. All the stories in this book are taken from my real life. The characters are written by changing their names. +18 Contains erotic elements. Keywords: fantasy, relationship, motherhood, sexuality, lived sex stories, deception, love, eroticism,

Then, I'll present some of the bad

experiences too. I'll end up by saying a few general things about the Tinder app, about how its algorithm works and about how different the experience is for men and women. In this app the girls have the power.

Beauty, Sex and Power - Brett Dolman 2012

Charles II's reign was a period of revolutionary experimentation: in science, art and sexual etiquette. For the first time in British history, Royal mistresses - such as Nell Gwyn - played an active, public role in court life. Women sensed new possibilities and freedoms, appearing on stage, managing their own financial, matrimonial - and extra-marital - affairs. Encouraged by a licentious King, 'being beautiful' could get you what you wanted. But if beauty was admired and revered, praised by poets and idealised by artists, it was also distrusted and feared, pursued and possessed. Beautiful women were chased and abused, pilloried as whores. This equivocal nature of beauty explains the lives of some of the most charismatic and controversial men and women in British history - those Restoration mistresses and degenerate libertines who lived, loved and died amidst the bespangled luxury of the late Stuart Court. This beautiful book, published to accompany an exhibition at Hampton Court Palace, traces the rise and fall of the 'beautiful revolution' from the Restoration of Charles II to the death of Queen Anne in 1714. It is also a book about beauty itself: its ambiguity, its authority and its transience. This is a timeless tale about our continuing obsession with beauty, celebrity, power and love. AUTHOR: Brett Dolman is Curator of Collections at Hampton Court Palace and joint author of several publications including *The Royal Palaces of London*. SELLING POINTS: *Showcases familiar and little-known paintings from The Royal Collection and other public and private houses across the country *Features the 'Windsor Beauties' and the 'Hampton Court Beauties' - portraits of ladies at court by the leading royal artists, Peter Lely and Godfrey Kneller - each with their own stories to tell *Reveals Charles II's own exotic artistic tastes, and his own 'collection' of beautiful women 97 colour illustrations

50 Things You Need to Know About Periods - Claire Baker 2020-09-08

An essential, accessible resource championing period positivity It's time

to talk about periods. Women are taught not to discuss them in public; the subject is still rife with stigma and shame. In this book, Claire shares 50 life skills to help understand the internal rhythm that women move through each month(ish). It allows the reader to discover the tools they need to work with their body, rather than pushing against it, and ultimately sync social life, exercise, self-care, holidays, budgeting, projects, and sex life around each phase of the menstrual cycle to enhance well-being. Brimming with clear instructions, self-care strategies, honest stories, and current research, this empowering book at once reassures, educates, and amuses.

Vagina - Lynn Enright 2019-03-07

Winner of the Hearst Big Book Awards, 2019 - Women's Health's Book of the Year _____ Shocking, brilliant, important. A fine addition to the feminist canon. - Emma Jane Unsworth For the first time I feel like I PROPERLY understand my vagina! I wish I had read this 23 years ago! - Scarlett Curtis _____ From earliest childhood, girls are misled about their bodies, encouraged to describe their genitalia with cute and silly names rather than anatomically correct terms. In our schools and in our culture, we are coy about women while putting straight men's sexuality front and centre. Girls grow up feeling ashamed about their periods, about the appearance of their vulvas, about their own desires. They grow up without a full and honest sex education, and this lack of knowledge has serious consequences: the number of women attending cervical screening appointments in the UK is at a 20-year low while labiaplasty is the fastest growing type of plastic surgery in the world. Vagina provides girls and women with information they need about their own bodies - about the vagina, the hymen, the clitoris, the orgasm; about conditions like endometriosis and vulvodynia. It confronts taboos, such as abortion, miscarriage, infertility and masturbation. It tackles vital social issues like period poverty, female genital mutilation and the rights of transgender women. It is honest and moving as Lynn Enright shares her personal stories but this is about more than one woman - this is a book that will provoke thousands of conversations. We urgently need to talk about women's sexual and reproductive health, about our

experiences of sex and pregnancy and pain and pleasure. Vagina: A Re-Education will help us do just that.

Period Sex - Helene Yorke 2023-08-25

Are you ready to unlock a world of passion that defies boundaries? Prepare to dive into the tantalizing pages of "Exploring the Depths of Desire During Your Cycle," your guide to discovering the hidden delights of period sex! Break free from outdated taboos and embrace the natural rhythms of your body like never before. This groundbreaking book invites you to explore the sensual and intimate experiences that can arise during your menstrual cycle. Discover a journey filled with: - Sensual liberation: Learn how embracing your body's changes can lead to newfound pleasure and empowerment. - Enhanced connection: Explore how period sex can deepen your emotional and physical bond with your partner. - Self-confidence: Unleash your inner goddess as you embrace your body's sensuality during this time. - Real stories and advice: Read personal stories and expert insights to guide you on your own journey of exploration. "Exploring the Depths of Desire During Your Cycle" isn't just a book; it's your passport to a realm of intimate connection and heightened passion. Embrace the beauty of your body's natural rhythm, and open the door to a world of desire and intimacy that you never knew existed. Ready to embark on this liberating journey of passion and self-discovery? Your guide to a new level of desire is here. Grab your copy now and step into a world where passion knows no boundaries, and intimacy knows no limits! Don't miss out on this opportunity to enhance your connection and redefine your desires during your cycle.

Early Modern Hermaphrodites - R. Gilbert 2002-04-19

From the sixteenth century to the eighteenth century, hermaphrodites were discussed and depicted in a range of artistic, mythological, scientific and erotic contexts. *Early Modern Hermaphrodites* looks at some of those representations to explore the stories they tell about ambiguous sex and gender in early modern England. Gilbert examines the often contradictory ways in which hermaphrodites were represented as both spiritual ideals and sexual grotesques; as freaks, erotic objects and medical curiosities' and as literary metaphors and signs of social

decay.

The One-Sex Body on Trial: The Classical and Early Modern

Evidence - Helen King 2016-02-17

By far the most influential work on the history of the body, across a wide range of academic disciplines, remains that of Thomas Laqueur. This book puts on trial the one-sex/two-sex model of Laqueur's *Making Sex: Body and Gender from the Greeks to Freud* through a detailed exploration of the ways in which two classical stories of sexual difference were told, retold and remade from the mid-sixteenth to the nineteenth century. Agnodike, the 'first midwife' who disguises herself as a man and then exposes herself to her potential patients, and Phaethousa, who grows a beard after her husband leaves her, are stories from the ancient world that resonated in the early modern period in particular. Tracing the reception of these tales shows how they provided continuity despite considerable change in medicine, being the common property of those on different sides of professional disputes about women's roles in both medicine and midwifery. The study reveals how different genres used these stories, changing their characters and plots, but always invoking the authority of the classics in discussions of sexual identity. The study raises important questions about the nature of medical knowledge, the relationship between texts and observation, and the understanding of sexual difference in the early modern world beyond the one-sex model.

[Angela's Famous Sexual Adventures Volume One](#) - Angela Goodnight 2014-09-22

Angela Goodnight and Peter Stone have collected in a single volume, thirty-nine true stories of love, romance, sex and lovemaking. They were teenage lovers in the sixties, but were separated by circumstances, beyond their control. They didn't find each other again until forty-five years later. This collection of stories tells of their sexual adventures during that period and which they decided to write after they found each other again and married. As they lived their separate lives through their late teens, twenties, thirties, forties and fifties they encountered all sorts of sexual and relationship problems which they have recounted in their stories. Many of these stories are romantic, humorous, emotional and

filled with love. Most are also sexually explicit and this book is strictly for over eighteens. The authors claim writing their stories has made them extremely horny - they hope you will get the same result from reading them!

The Palgrave Handbook of Critical Menstruation Studies - Chris Bobel 2020-07-24

This open access handbook, the first of its kind, provides a comprehensive and carefully curated multidisciplinary and genre-spanning view of the state of the field of Critical Menstruation Studies, opening up new directions in research and advocacy. It is animated by the central question: "what new lines of inquiry are possible when we center our attention on menstrual health and politics across the life course?" The chapters—diverse in content, form and perspective—establish Critical Menstruation Studies as a potent lens that reveals, complicates and unpacks inequalities across biological, social, cultural and historical dimensions. This handbook is an unmatched resource for researchers, policy makers, practitioners, and activists new to and already familiar with the field as it rapidly develops and expands. [The Modern Period](#) - Lara Freidenfelds 2009-06-15

Winner, 2010 Emily Toth Award for Best Book in Women's Studies, Popular Culture Association/American Culture Association *The Modern Period* examines how and why Americans adopted radically new methods of managing and thinking about menstruation during the twentieth century. In the early twentieth century women typically used homemade cloth "diapers" to absorb menstrual blood, avoided chills during their periods to protect their health, and counted themselves lucky if they knew something about menstruation before menarche. New expectations at school, at play, and in the workplace, however, made these menstrual traditions problematic, and middle-class women quickly sought new information and products that would make their monthly periods less disruptive to everyday life. Lara Freidenfelds traces this cultural shift, showing how Americans reframed their thinking about menstruation. She explains how women and men collaborated with sex educators, menstrual product manufacturers, advertisers, physical education

teachers, and doctors to create a modern understanding of menstruation. Excerpts from seventy-five interviews—accounts by turns funny and moving—help readers to identify with the experiences of the ordinary people who engineered these changes. *The Modern Period* ties historical changes in menstrual practices to a much broader argument about American popular modernity in the twentieth century. Freidenfelds

explores what it meant to be modern and middle class and how those ideals were reflected in the menstrual practices and beliefs of the time. This accessible study sheds new light on the history of popular modernity, the rise of the middle class, and the relationship of these phenomena to how Americans have cared for and managed their bodies.
