The Yearning Heart of Yasmine Hearn - Ucci Khan 2020-10-27

Affairs of The Heart is a series of short story fantasies that delve heavy in eroticism, yet further serve to inspire and uplift; while being suspensefully entertaining at the same time. *****Yasmine is a 30 some odd rain, Black Goddess. A 6-foot building erected by God himself, carrying an active 170 pounds of Earth. Her hair is soulfully locked and oft ponytailed. Her eyes are dark and rhyme with her lips- moderately whet with a blackberry gloss. Her features are those of an Egyptian Goddess; striking and

profound. Her smoked mahogany skin is soft and emollient. Her sex appeal is vim and comely, yet she does not fully believe in it, thus she does not permit it to fully breath. She has a natural sashay. It is as if she moves to an inaudible composition of horns, flutes and wind. It is breathtaking and intoxicating. It makes my heartbeat fast. Yasmine is educated and well rounded. She is a social worker and has sincere concerns about the conditions of the world. She is a deep-thinking Sagittarius who writes in her spare time. She has a thing for Jazz, Afrocentric Art and Poetry. She was born and raised in New Orleans by her mother, who passed when she was 25. She has no siblings and has been living in Harvey, Illinois, since she graduated from DePaul University in Chicago. She has been unhappily married for 5 years and is without child. It is in fact her unhappiness that has made her the Star of this Fantasy. I comprehend her needs and worthiness and will come to no longer respect the arrangement between her and her bitter half, Mr. Lance Hearn. Mr. Hearn is 10 years older than Yasmine and the CFO of a prosperous Investment Firm. Irrespective of his position and know how, he fails to wisely invest in his Wife! And so- he will lose her.

The Roland and Otuel Romances and the Anglo-Norman Otinel - Susanna Fein 2020-09-30

This edition contains four Middle English Charlemagne romances from the Otuel cycle: Roland and Vernagu, Otuel a Knight, Otuel and Roland, and Duke Roland and Sir Otuel of Spain. A translation of the romances' source, the Anglo-French Otinel, is also included. The romances center on conflicts between Frankish Christians and various Saracen groups, and deal with issues of racial and religious difference, conversion, and faith-based violence.

Sweet Mystery - Ellen M. Peck 2020

"Rida Johnson Young (ca. 1869-1926) was one of the most prolific female playwrights of her time, as well as a lyricist and librettist in the musical theater. She wrote more than thirty full-length plays, operettas, and musical comedies, 500 songs, and four novels. Despite her extensive output, no significant study of her work has been produced. This book examines her musical theater works with in-depth analyses of her librettos and lyrics, as well as her working relationships with other writers, performers, and producers, particularly Lee and J. J. Shubert"--

A Dictionary of Slang and Unconventional English - Eric Partridge 2002

Eric Honeywood Partridge, renowned philologist, etymologist and lexicographer, dedicated his life to the study of language but it is for his work on slang, and in particular for his flagship dictionary, *The Dictionary of Slang and Unconventional English*, that he is most widely remembered and admired. Now for the first time from Routledge, the eighth, and current, edition of Partridge's renowned dictionary is available in paperback. Originally published in 1984, this edition was published posthumously but had been worked upon by Partridge until six weeks before his death. Its place in the history of the lexicography of slang is assured as the last edition to feature original work by Partridge himself. Book jacket.

A Life of Rhyme - JDS Majess 2011

Jay-Z: The King of America - Mark Beaumont 2017-10-02

Jay-Z: King of America is the first in-depth biography to dissect the life and music of the most successful rapper of all time. From crack dealing on the mean streets of New York to million dollar deals at the highest echelons of music industry, Jay-Z's story is a whole new kind of American Dream. Updated to include recent turbulence with Kanye West, rumours of an affair with Rhianna, his latest album *Magna Carta Holy Grail* and troubles with his streaming service Tidal, this is the most complete biography of Jay-Z available. Author Mark Beaumont has interviewed Jay-Z, Kanye West, Busta Rhymes, LL Cool J, Damon Dash, Dr Dre, Rick Rubin and more. Revealing insights from these encounters inform this no-holds-barred biography of a great American success story. Along his winding path Jay-Z shattered barriers in rap music and has done more than anyone to make the genre the global crossover success it is today. This book includes detailed accounts of all 12 of his albums, including the seminal classic *Reasonable Doubt*, the landmark *Blueprint* trilogy and his latest gem, *Magna Carta Holy Grail*. Mark Beaumont traces Jay Z's ascent to hip-hop's throne and his pivotal role in forging modern rap music. Taking in all of the drug busts, knife attacks, entrepreneurial brilliance, premature retirements and secret weddings, this is Jay-Z's hard knock life fully exposed... "Definitely THE book to own this Christmas, and takes his rightful place at the top of our book chart." - RWD magazine (Leading UK urban music mag)

Writings in Rhyme - Tomas O' Carthaigh 2005

Writings in Rhyme is the first in a series of poetry books by author Tomas O' Carthaigh. Focusing on all the traditional topics from life to love, to death and politics, these writings often add a wry touch to answering some of life's greatest mysteries.

Introducing the New Sexuality Studies - Steven Seidman 2011-02-25

Breaking new ground, both substantively and stylistically, this book offers students, academics and researchers an accessible, engaging introduction and overview of the emerging field of sexuality studies.

The Lincoln Rhyme Collection 1-4 - Jeffery Deaver 2013-04-18

Four electrifying suspense novels featuring brilliant criminalist and quadriplegic Lincoln Rhyme: *THE BONE COLLECTOR*, *THE COFFIN DANCER*, *THE EMPTY CHAIR* and *THE STONE MONKEY*

A Lincoln Rhyme eBook Boxed Set - Jeffery Deaver 2010-12-07

A trio of novels from internationally bestselling suspense master and seven-time Edgar Award nominee Jeffery Deaver, featuring quadriplegic NYPD detective Lincoln Rhyme and his beautiful protégée, Detective Amelia Sachs (portrayed by Denzel Washington and Angelina Jolie in the film *The Bone Collector*). *The Coffin Dancer* Lincoln Rhyme is on the hunt for an elusive murderer known only as the Coffin Dancer, a brilliant hitman who changes his appearance even faster than he adds to his trail of victims. Only one victim has ever lived long enough to offer a clue to the killer's identity: an eerie tattoo on his arm of the Grim Reaper waltzing with a woman in front of a casket. When the chameleonlike assassin targets three federal witnesses for death in forty-eight hours, Rhyme must use his protégée and partner, Detective Amelia Sachs, as his eyes, ears, and legs to track the cunning murderer through the subways, parks, and airports of New York City and stop him before he strikes again. *The Empty Chair* Desperate to improve his condition, Lincoln Rhyme travels to the University of North Carolina Medical Center for high-risk experimental surgery. When a local teen is murdered and two young women go missing in the sleepy Southern outpost of Tanner's Corner, Rhyme and his partner, Amelia Sachs, are the town's best chance to find the girls alive. The prime suspect is a strange teenaged truant known as the Insect Boy, so nicknamed for his disturbing obsession with bugs, and Rhyme agrees to find the boy while awaiting his operation. But even Rhyme can't anticipate that Sachs will disagree with his crime analysis, and that her vehemence will put her in the swampland, harboring the very suspect whom Rhyme considers a ruthless killer. *The Stone Monkey* Recruited to help the FBI and the Immigration and Naturalization Service, Lincoln Rhyme and Amelia Sachs, manage to track down a cargo ship headed for New York City carrying two dozen illegal Chinese immigrants, as well as the notorious human smuggler and killer known as "the Ghost." But when the Ghost's capture goes disastrously wrong, Lincoln and Amelia find themselves in a race to track him down before he can find and murder the two surviving families from the ship, who have vanished into the labyrinth of New York City's Chinese community. As Rhyme struggles to locate the families, aided by a quirky policeman from mainland China, Sachs finds herself forming a connection with one of the immigrants that may affect her relationship with her partner and lover.

An Introduction to Modern English Word-Formation - Valerie Adams 2016-07-01

A series to meet the need for books on modern English that are both up-to-date and authoritative. For the scholar, the teacher, the student and the general reader, but especially for English-speaking students of language and linguistics in institutions where English is the language of instruction, or advanced specialist students of English in universities where English is taught as a foreign language

Lawless in Vietnam - Tony Lawless 2003

Wisdom 'N Rhyme - Noah C. Hardy 2010-10

In January, 1987, at age 48, I was stricken with ulcerative colitis. I was gravely ill and on the brink of a major organ failure. All my intestines were severely inflamed because of a medication I had taken in order to treat ankylosing spondylitis. (A form of arthritis of the spine). I spent twelve days in a hospital due to my illness, and a couple nights after my release from the hospital I was in our spare bedroom praying that God would touch and heal me. And during that time of prayer I had an encounter with the Lord God, and that encounter was unlike anything I had ever experienced. I did not see God, nor did I hear His voice, but I felt the Lord's power and presence over-shadowing me in a way in which I go wanting for words in order to

fully explain that experience. My encounter with God was similar to that of Job only in that God opened my mind and revealed unto me who I was, and who God the Father really is. The Holy Spirit revealed unto me the enormous sin of pride, and a need for me to repent and change my sinful attitude. Thank You, Lord, for Your eternal mercy! Soon after my spiritual awakening, I began to have thoughts come into my mind in a way that I had not ever experienced. The thoughts were Biblical truths and principles that were often formulated in rhyme, and they were occurring randomly day and night. But soon I realized I was forgetting the rhymes, sometimes within minutes of their occurrence, then I realized there was a necessity to quickly write my thought down; sometimes I would write them on a small piece of scratch paper. For the most part, but with a few exceptions, each page of this book contains rhymes and axioms in the order they initially came into my mind.

Ideal Marriage Its Physiology and Technique - Th. H. Van De Velde 2016-06-03

Ideal Marriage: Its Physiology and Technique, Second Edition concentrates on the cultivation of the technique of eroticism as an art in marriage. This book consists of historical facts and practical details that set the sexual relationship in the nostalgic prose of a more leisured age. The topics discussed include the four corner-stones of marriage; glimpses into general human sexual physiology; olfactory sexual impressions; and notes on the sexual physiology of the adult woman. The protection of ovum after expulsion from follicle; internal or endocrine testicular secretion; and normal stages of sexual intercourse are also elaborated. This publication likewise covers the stronger inclination of women to love-bite; alleged dangers of urethritis for man; and intercourse during illness and morbid conditions. This edition is useful to individuals interested in the erotic arts.

Agatha Christie - J.C. Bernthal 2022-08-09

The undisputed "Queen of Crime," Dame Agatha Christie (1890-1976) is the bestselling novelist of all time. As the creator of immortal detectives Hercule Poirot and Jane Marple, she continues to enthrall readers around the world and is drawing increasing attention from scholars, historians, and critics. But Christie wrote far beyond Poirot and Marple. A varied life including war work, archaeology, and two very different marriages provided the backdrop to a diverse body of work. This encyclopedic companion summarizes and explores Christie's entire literary output, including the detective fiction, plays, radio dramas, adaptations, and her little-studied non-crime writing. It details all published works and key themes and characters, as well as the people and places that inspired them, and identifies a trove of uncollected interviews, articles, and unpublished material, including details that have never appeared in print. For the casual reader looking for background information on their favorite mystery to the dedicated scholar tracking down elusive new angles, this companion will provide the most comprehensive and up-to-date information.

Illuminatista: Homo Sapiens - Juliette Williams 2020-01-06

Illuminatista - Homo Sapiens, is another dynamite! from controversial authors Juliette Williams and Dr. Julie Williams, bringing you The (amazing) Wisdom of Dr. Julie Williams In Over 1,234 Crazy Statements, and edited by Marie Guillaumes who is most likely as stubborn and avant-garde as this mother and daughter tag-team duo. It is a must-read for any truly open-minded radical thinker. You may have proudly told yourself several times that you're open-minded, a free-thinker, and that you think outside the box. Well then, this book (including the other books in the Illuminatista series) is a true test of that claim. Gauge yourself and see if you'd shrug or cringe or agree or disagree as you read the outright, challenging and mind-boggling writings of these wise-acres. Think you've seen it all? Not yet, until you've at least perused

this book and their other books so far -- Illuminatista - God 2.0 and Illuminatista - Mind Alchemy -- as they are nothing like you've ever read before. In Illuminatista - Homo Sapiens, you'll see a mixture of bold, blunt, anti, gloomy, ironic, funny and sweet statements like - "Moms are awesome!" "Life may glitter, but it is definitely not gold." "No matter how much of an angel you are, there are people who'd think you're the devil or a fool." "People insist on you telling the truth, but they actually don't wanna hear the truth." "Some people crave to drink your blood for breakfast, eat your flesh for lunch, and nibble on your bones for dinner - don't let them - run!" "We're all like spaghetti thrown at the wall of life - a few of us stick, most of us don't, and some of us don't even make it to the wall." "So many lonely men, so many lonely women, what a shameful waste of life and people." "It's so easy to make angels smile -- just smile." "When you ignore your spouse, or become insensitive, bad things unavoidably begin to happen." "With every tick of the clock, your time on earth ticks away." "Despite the pain of child-birth, women can't wait to bring forth life into our planet - what a commendable courage!" "Everybody is wearing a mask - the question is - What, or Who, would you find behind the mask?" "We are all prisoners with invisible prison-walls." "The way of humans, like animals, is to take whatever they can, whenever they can, wherever they can, however they can, and from whomever they can." "Rules are for those who are not part of the inner-circle of giants that make the rules." "When you're young you feel immortal - When you're old you realize you're so mortal." "Anyone who does not expect surprises from humans has not had anything to do with them." "As long as there's money to be made from war selling guns and ammunition, etc., there'll never be an end to war." "Why on earth would a dentist have a bad tooth?" "While the rich do business talk, the poor do small-talk." Yep! I honestly thought I was the crazy one - Juliette and Julie Williams are definitely crazier! I surrender, gladly. -- Rica Mira

Renee' MiChelle's Intimacy: A Poetic Voyage - Michelle Bullock

Street Players - Kinohi Nishikawa 2019-01-11

The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House. From the late 1960s until it closed in 2008, Holloway House specialized in cheap paperbacks with page-turning narratives featuring black protagonists in crime stories, conspiracy thrillers, prison novels, and Westerns. From Iceberg Slim's Pimp to Donald Goines's Never Die Alone, the thread that tied all of these books together—and made them distinct from the majority of American pulp—was an unflinching veneration of black masculinity. Zeroing in on Holloway House, Street Players explores how this world of black pulp fiction was produced, received, and recreated over time and across different communities of readers. Kinohi Nishikawa contends that black pulp fiction was built on white readers' fears of the feminization of society—and the appeal of black masculinity as a way to counter it. In essence, it was the original form of blaxploitation: a strategy of mass-marketing race to suit the reactionary fantasies of a white audience. But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature, from 1973 onward, Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers. The standard account of this literary phenomenon is based almost entirely on where this literature ended up: in the hands of black, male, working-class readers. When it closed, Holloway House was synonymous with genre fiction written by black authors for black readers—a field of cultural production that Nishikawa terms the black literary underground. But as Street Players demonstrates, this cultural authenticity had to be created, promoted, and in some cases made up, and there is a story of exploitation at the heart of black pulp fiction's origins that cannot be ignored.
