50 Great Myths of Human Sexuality - Pepper Schwartz 2015-04-20

50 Great Myths of Human Sexuality seeks to dispel commonly accepted myths and misunderstandings surrounding human sexuality, providing an enlightening, fascinating and challenging book that covers the fifty areas the author's believe individuals must understand to have a safe, pleasurable and healthy sex life. Dispels/Explores commonly accepted myths and misunderstandings surrounding human sexuality Includes comparisons to other countries and cultures exploring different beliefs and how societies can influence perceptions Areas discussed include: pre-marital sex, masturbation, sexual diseases, fantasy, pornography, relationships, contraception, and emotions such as jealousy, body image insecurity, passionate love and sexual aggression Covers both heterosexual and same-sex relationships

Plays Well in Groups - Katherine Frank 2013-06-27

From tribal religious rituals to the Playboy mansion, and from ancient Rome to Burning Man, *Plays Well in Groups* explores the phenomenon of group sex. Author Katherine Frank draws on surveys, ethnographic research, participant interviews, and more to provide explanations for both, participation in group sex and our complex reactions to it, from fascination to fear. This book looks at group sex across cultures—who has it, and why. Group sex is almost always taboo and often criminalized, and yet it persists across cultures throughout history. *Plays Well in Groups* looks at the symbolism of orgies, as well as contemporary manifestations of group sex in bathhouses and public sex venues, at BDSM and swinging parties, on Craigslist, and in political scandals, Tantra classes, reality television, and more. Frank explores the many reasons people participate in group sex, from arousal to spiritual transcendence, in this bold study of subversive sexuality.

The Tribune - 2009

Consent Culture and Teen Films - Michele Meek 2023-04-04

Teen films of the 1980s were notorious for treating consent as irrelevant, with scenes of boys spying in girls' locker rooms and tricking girls into sex. While contemporary movies now routinely prioritize consent, ensure date rape is no longer a joke, and celebrate girls' desires, sexual consent remains a problematic and often elusive ideal in teen films. In *Consent Culture and Teen Films*, Michele Meek traces the history of adolescent sexuality in US cinema and examines how several films from the 2000s, including *Blockers*, *To All the Boys I've Loved Before*, *The Kissing Booth*, and *Alex Strangelove*, take consent into account. Yet, at the same time, Meek reveals that teen films expose how affirmative consent ("yes means yes") fails to protect youth from unwanted and unpleasant sexual encounters. By highlighting ambiguous sexual interactions in teen films--such as girls' failure to obtain consent from boys, queer teens subjected to conversion therapy camps, and youth manipulated into sexual relationships with adults--Meek unravels some of consent's intricacies rather than relying on oversimplification. By exposing affirmative consent in teen films as gendered, heteronormative, and cis-centered, *Consent Culture and Teen Films* suggests we must continue building a more inclusive consent framework that normalizes youth sexual desire and agency with all its complexities and ambivalences.

Testosterone for Life: Recharge Your Vitality, Sex Drive, Muscle Mass, and Overall Health - Abraham Morgentaler 2008-11-02

"Dr. Morgentaler, an internationally recognized expert in sexual medicine and male hormones, shares his secrets for a healthy life." --Irwin Goldstein, M.D., Director of Sexual Medicine, Alvarado Hospital, San Diego, and Editor-in-Chief, *Journal of Sexual Medicine* "A highly valuable resource. Finally debunks many of the myths about testosterone's safety, which has

been an impediment to its appropriate usage for far too long." --David E. Greenberg, M.D., President, Canadian Society for the Study of the Aging Male From a Harvard doctor and a leading expert on testosterone--the groundbreaking book that shows you how to raise your testosterone levels--and live your life to the fullest Better sex. Increased vitality. More muscle. Improved health. Greater mental agility. These are just a few of the life-enhancing benefits that men with low levels of testosterone can experience when they increase their testosterone level. If you've noticed a decrease in your sex drive; experienced erectile dysfunction; or felt tired, depressed, and unmotivated, this authoritative, up-to-date guide from an expert at Harvard Medical School will help you determine if you have low testosterone--a surprisingly common but frequently undiagnosed condition among middle-aged men. Learn how to: Recognize the symptoms of low testosterone Diagnose the problem with simple tests Find the treatment that's right for you Explore options your doctor might not know about Reduce your risk of cardiovascular disease and obesity

Teen Movies - Timothy Shary 2023-10-31
Cinema has always engaged with the experiences, hopes, fears, and anxieties of—and about—adolescents, teenagers, and young people. This book is a comprehensive and accessible history of the depiction of teenagers in American film, from the silent era to the twenty-first century. Timothy Shary explores the development of teenage roles across eras and industrial cycles, such as the juvenile delinquent pictures of the 1950s, the beach movies of the 1960s, the horror films of the 1980s, and the fantasy epics of the 2000s. He considers the varied genres of the teen movie—horror and melodrama, romance and adventure, fantasy and science fiction—and its shifting themes and tropes around sex and gender, childhood and adulthood, rebellion and social order, crime and consumer culture. Teen Movies features analyses of films such as *Rebel Without a Cause* (1955), *Splendor in the Grass* (1961), *Carrie* (1976), *The Breakfast Club* (1985), *American Pie* (1999), and the *Twilight* series (2008–2012). This second edition is updated throughout and features a new chapter examining Millennials

and Generation Z on screen, with discussions of many contemporary topics, including queer youth in movies like *Moonlight* (2016), abortion in films such as *Never Rarely Sometimes Always* (2020), and the flourishing of a “tween” cinema as seen in *Are You There God? It’s Me, Margaret.* (2023).

[Isn't Sex Noisy](#) - Colin Shaddick 2008

[Revive Your Sex Drive: The Yang Man's Guide to Increased Sexual Energy, Confidence, & Power](#) -

[Camming](#) - Angela Jones 2020-02-18

The first inside look at how sex workers use webcams to make a living The erotic webcam industry, also known as “camming,” is a thriving global business. Angela Jones takes readers inside this multi-billion dollar industry, revealing how its workers experience intimacy, community, empowerment—and, as she compellingly argues, pleasure. Drawing on in-depth interviews, survey data, web analytics, and more, Jones highlights not only the dangers, but also the rewards, of working in one of the most taboo corners of the Internet. She provides an inside look at the public and private shows between cam models and their customers, from exotic dancing and pornographic videos, to masturbation shows and erotic chatrooms. A fascinating, much-needed glimpse into the lives of cam models, *Camming* takes us behind the webcam lens to experience the power of erotic labor in the twenty-first century.

Kaplan & Sadock's Concise Textbook of Clinical Psychiatry - Benjamin J. Sadock 2008
Ideal for any student or health care professional who needs an authoritative text that is sharply focused on clinical psychiatry, this book contains the most relevant clinical material from the bestselling "Kaplan and Sadock's Synopsis of Psychiatry, 10th Edition" and includes updated information on recently introduced psychiatric drugs.

Applied Evolutionary Psychology - S. Craig Roberts 2012

This is the first book to overtly consider how basic evolutionary thinking is being applied to a wide range of special social, economic, and technical problems. It draws together a collection of renowned academics from a very disparate set of fields, whose common interest

lies in using evolutionary thinking to inform their research.

Investigating Sexual Assault Cases - Arthur S. Chancellor 2012-09-21

Criminal Investigations & Forensic Science
The Knowledge Drive - Edward J. Bardon
2008-08

The Knowledge Drive is an optimistic book that demonstrates how new, more accurate information conveys survival value and inevitably supplants our dysfunctional mythological beliefs. Before there was time for the accumulation of knowledge, early man created legends and religious myths to "understand" the world and ease the paralyzing awareness of his own mortality and the fear of natural forces beyond his control. We are increasingly aware of how these magical beliefs can lead to divisive religious practices, violence, and man's continuing inhumanity to fellow man. Change is clearly needed. Now, rapid advances in many fields are giving us the techniques to modify our evolution and curtail our virulence. We can establish a more universal, equitable morality based on more accurate intelligence about our origins and place in the universe. Nevertheless, it is up to us as a species to choose our own future directions. We are thus in charge of our own destiny, a threatening thought to many. No prayers or appeals to magical forces will help. Dr. Bardon analyzes how our quest for knowledge is a basic human drive similar to the sex and nourishment drives. It arises from our survival instinct and is not based on moral or altruistic factors. Along with establishing knowledge as a source of power, the author discusses the Knowledge Drive from many other perspectives: its various motivations; the fact that it can be used for many purposes, even destructive ones; how it learns from adversity; how it often exacerbates inequality; and how it does not solve social problems unless given the necessary direction. Dr. Bardon looks at the multiple forces aligned against our efforts to obtain more reliable information. He shows how the Knowledge Drive not only triumphs over but also learns from these negative elements. Warnings about the fragility of our search for knowledge are misguided—it is rather the people mired in mythology who are vulnerable and need our compassion.

Close Encounters - Laura K. Guerrero
2013-03-05

New edition of this popular student introduction, taking a relational approach to the field of interpersonal communication.

Gender, Heterosexuality, and Youth Violence - James W. Messerschmidt 2012

Focus on connections among adolescent masculinities and femininities, bullying in schools, the body, heterosexuality, and violence and nonviolence. The author examines life-histories of white working-class boys and girls who have all been victims of severe forms of bullying at school.

The Oxford Handbook of Positive Emotion and Psychopathology - June Gruber 2019

The Oxford Handbook of Positive Emotion and Psychopathology provides insight into the role of positive emotions in mental health and illness. It shares cutting-edge discoveries from renowned psychological scientists throughout the world and across different clinical disorders, ranging from depression and anxiety to trauma, pain, bipolar disorder, and schizophrenia.

Sex Is The Worst Addiction - Phenicia Johnson

Although this book is not intended to preach to you against having sex, but it is to share her own life experiences, and to have you look at a better view of how to enjoy life waiting. May this book encourage you to think twice about the choices you make. You can see better in the dark when the lights are on. In other words, I hope you will see clearly how good life can be without rushing to have sex.

Our Sexuality - Robert Crooks

Our Sexuality, now in its tenth edition, provides students with an engaging, personally relevant, politically astute, and academically sound introduction to human sexuality. The text's comprehensive integration of biological, psychological, behavioral, political, and cultural aspects of sexuality has been consistently well received in each previous edition.

Focus On: 100 Most Popular American Teen Comedy Films - Wikipedia contributors

Intimacy on the Internet - Lauren Rosewarne
2016-04-14

The focus of this book is on the media representations of the use of the Internet in seeking intimate connections—be it a committed

relationship, a hook-up, or a community in which to dabble in fringe sexual practices. Popular culture (film, narrative television, the news media, and advertising) present two very distinct pictures of the use of the Internet as related to intimacy. From news reports about victims of online dating, to the presentation of the desperate and dateless, the perverts and the deviants, a distinct frame for the intimacy/Internet connection is negativity. In some examples however, a changing picture is emerging. The ubiquitousness of Internet use

today has meant a slow increase in comparatively more positive representations of successful online romances in the news, resulting in more positive-spin advertising and a more even-handed presence of such liaisons in narrative television and film. Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender, sexuality, technology and the changing mores regarding intimacy.
