

Sex Offenders Near Me Idaho

9th Circuit Update - 1989

Investigation and Prosecution of Child Abuse - American Prosecutors Research Institute, 2004
To assist investigators and prosecutors, APRI's National Center for Prosecution of Child Abuse—the nation's premiere trainer of child abuse prosecutors and investigators—presents the *Investigation and Prosecution of Child Abuse, Third Edition*. Readers of this manual will receive practical, common sense assistance in handling child abuse cases from the initial report to the closing argument at trial. Appendices on the enclosed CD-ROM include hundreds of sample motions and other legal documents that can be adapted to the

jurisdiction of individual readers. Now in its Third Edition, the manual contains the latest in case law and research on nearly every facet of child sexual abuse, physical abuse and neglect. This is the only book on the market specifically geared to investigators and prosecutors called upon to handle abuse cases.

Report of Cases Argued and Determined in the Supreme Court and in the Court of Appeals of the State of Idaho - Idaho. Supreme Court 2006

Innovations and Advancements in Sex Offender Research - Wesley Jennings 2016-04-14

This book provides a comprehensive dissemination of theoretically grounded and empirically sound research on sex offenders and sex offending. It uses diverse methodological approaches with implications for the research of criminal justice policy and practice. The chapters derive from and focus on different geographical contexts and generate empirical evidence concerning sex offenders and sex offending including: low sex recidivism rates; a lack of sex offender specialization; little to no evidence of sex offending continuity from adolescence to adulthood; and a host of collateral consequences of sex offender registration and notification policies with limited deterrent effect or public safety benefit. This book was originally published as a special issue of the Journal of Crime & Justice.

Civil Disabilities of Convicted Felons - 1996

Wicked Boise - Janelle M. Scheffelmaier 2022-06
Corruption, scandal, and injustice take center

stage in Wicked Boise Known today for its beauty, safety and livability, Idaho's capital city does harbor a few skeletons in its closet. Vigilantes lynched Ada County's first sheriff. A wealthy brothel owner was viciously murdered and found secretly living in squalor. The sensational Prohibition-era trial of a moonshine ring that included the sheriff, police chief and a prominent doctor extended a morality crusade by law enforcement. Mike Kirby was arrested and condemned to three years hard labor for sending a "most disgustingly worded letter", while others were sentenced for violating the state's infamous "crime against nature" law. Author Janelle M. Scheffelmaier explores motive, morality, and the uncomfortable gray space between right and wrong as she unearths some of Boise's darkest moments.

Stolen in the Night - Gary C. King 2007-02-06

torturing a 14-year-old boy in Tacoma, Washington. On the Internet he proudly boasted of his perversions. But the system turned Duncan loose, and no one would stop him from committing an even more horrifying act... This time, he prepared meticulously. He chose his getaway car. He chose his murder weapon and loaded a video camera. Then, when he saw young Shasta and Dylan Groene playing outside their Idaho home, he struck—killing their mother and her boyfriend, and their older brother...and vanishing into the night with Shasta and Dylan. Detectives pored over the bloody murder scene. The FBI scrambled to find the children and the abductor. And even when Duncan was finally located, the story was not yet over: Dylan was still missing...and the depth of one man's evil was still coming horribly to light....

Federal Recordkeeping and Sex Offenders - United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime 1996

Carceration State - James Kühnel 2018-12-19
Carceration State is a riveting tale of one man's journey into the criminal justice system. It exposes the dark side of incarceration and the brutality and injustice for prison profit. Mr. Kühnel examines not only the revolving doors of prison, probation, and parole and the state making of career criminals, but he also takes a deep look within himself, finding his own humanity.

An American Travesty - Franklin E. Zimring 2009-03-02

An American Travesty is the first scholarly book in half a century to analyze the justice system's response to sexual misconduct by children and adolescents in the United States. Writing with a refreshing dose of common sense, Franklin E. Zimring discusses our society's failure to consider the developmental status of adolescent sex offenders. Too often, he argues, the American legal system ignores age and developmental status when adjudicating young

sexual offenders, in many cases responding as they would to an adult. “An opinionated, articulate, and forceful critique of current politics and practices. . . . I would recommend this book for anyone interested in rethinking the fundamental questions of how our courts and systems should respond to these cases.”—Law and Politics Book Review “One of the most important new books in the field of juvenile justice. . . . Zimring offers a thoughtful, research-based analysis of what went wrong with legal policy development.”—Barry Krisberg, President, National Council on Crime and Delinquency

[Investigative Data Mining for Security and Criminal Detection](#) - Jesus Mena 2003-04-07
Investigative Data Mining for Security and Criminal Detection is the first book to outline how data mining technologies can be used to combat crime in the 21st century. It introduces security managers, law enforcement investigators, counter-intelligence agents, fraud

specialists, and information security analysts to the latest data mining techniques and shows how they can be used as investigative tools. Readers will learn how to search public and private databases and networks to flag potential security threats and root out criminal activities even before they occur. The groundbreaking book reviews the latest data mining technologies including intelligent agents, link analysis, text mining, decision trees, self-organizing maps, machine learning, and neural networks. Using clear, understandable language, it explains the application of these technologies in such areas as computer and network security, fraud prevention, law enforcement, and national defense. International case studies throughout the book further illustrate how these technologies can be used to aid in crime prevention. Investigative Data Mining for Security and Criminal Detection will also serve as an indispensable resource for software developers and vendors as they design new

Profile of a Killer - Brent W.A. Henderson
2013-05-20

What if the metro Atlanta area is suddenly dealing with the probability that another serial murderer is killing children; this time preadolescent females at Stone Mountain Park, a large natural state park in the middle of the metro area? What if a Chief of Detectives and his forensic psychiatrist friend are charged with finding this fiend? What if the killer is a priest who has a sexual preference to young girls? This 81,100 word story follows exactly how law enforcement works to solve just such a case. The

story begins with the discovery of a young female found in Stone Mountain Lake. Soon after, two early adolescent friends disappear, during a laser show while visiting the park. Then another young female is found on the golf course at the park. Chief of Detectives Theo Reed and his forensic psychiatrist work to find the killer. Detective Reed runs a task force and Aiden OBrian, M.D. develops the profile which will direct the task force. While investigating both men have their own inner conflicts with which they must deal. The killer, an Episcopal priest is a youth minister and conducts the funeral for two of the victims. He is a tortured soul with enough anger and baggage to fill an entire mail train. To interrupt the investigation a copycat killer shows up and must be dealt with. Knowing the investigators are getting close the killer leaves, but sets up his departure to throw off the police by going to the Atlanta airport. He doubles back and takes AMTRAC instead. OBrian realizes this and convinces Reed to

change his plans for an airport arrest. The two men take a helicopter to board the train in another town, getting on the train unseen. What follows is an exciting chase involving hostages and a big chance the killer will escape. If he gets off the train they will be searching scrub pines and palmetto plants making it impossible to locate the killer Does he get away? You need to read the ending.

Assessment of Neuropsychological Functioning and Demographic Characteristics of Sex Offenders - Rock Clinton Underwood 1994

D.R.T. (Dead Right There) - 2nd Edition - Ray Ellis 2012-06

Registered sex offenders in Treasure Valley have started showing up dead, killed with apparent violence and forethought; and Detective Nate Richards finds himself pitted against a psychotic killer set on ridding the valley of the unclean. When Chrystal Johansson, the only female on the killer's list, barely escapes the attempt on her

life, Richards takes her into protective custody. Driven by a voice he calls God and a group of men he calls the Uncles, the killer sets a deadline of two weeks to complete the valley's cleansing. Around him, the community divides about the actions of the vigilante. Some hail the killer as a modern day knight, only doing what they wish they could; while others curse him as being part of the sickness he claims to fight. With the deadline quickly approaching, and the city threatening to tear itself apart, will the killer fulfill his calling or will Nate stop the killings before another victim turns up DEAD RIGHT THERE.

The (Mis)Representation of Queer Lives in True Crime - Abbie E. Goldberg 2023-08-25

This book examines the representation and misrepresentation of queer people in true crime, addressing their status as both victims and perpetrators in actual crime, as well as how the media portrays them. The chapters apply an intersectional perspective in examining criminal

cases involving LGBTQ people, as well as the true crime media content surrounding the cases. The book illuminates how sexual orientation, gender, race, and other social locations impact the treatment of queer people in the criminal legal system and the mass media. Each chapter describes one or more high-profile criminal cases involving queer people (e.g., the murders of Brandon Teena and Kitty Genovese; serial killer Aileen Wuornos; the Pulse nightclub mass shooting). The authors examine how the cases are portrayed in the media via news, films, podcasts, documentaries, books, social media, and more. Each chapter discusses not only what is visible or emphasized by the media but also what is invisible in the accounting or societal focus surrounding the case. Lesser-known (but similar) cases are used in the book to call attention to how race, gender, sexuality, sexual orientation, social class, and/or other features influence the dominant narrative surrounding these cases. Each chapter addresses "teachable

*Downloaded from
legacy.opendemocracy.net on 2022-06-27
 by guest*

moments" from each case and its coverage, leaving readers with several considerations to take with them into the future. The book also provides media resources and supplemental materials so that curious readers, including scholars, students, content creators, and advocates, can examine the cases and media content further. The book will appeal to scholars and students of criminology, psychology, sociology, law, media studies, sexuality studies, and cultural studies, and people with an interest in true crime.

Violence, Sex Offenders, and Corrections -

Rose Ricciardelli 2017-07-06

Sex offenders remain the most hated group of offenders, subject to a myriad of regulations and punishments beyond imprisonment, including sex offender registries, chemical and surgical castration, and global positioning electronic monitoring systems. While aspects of their experiences of imprisonment are documented, less is known about how sex offenders

experience prison and community corrections spaces - and the implications of their status on their treatment and safety in such environments. *Violence, Sex Offenders, and Corrections* critically assesses what is meant by the term 'sex offender', and acknowledges that such meanings are socially constructed, situated, and contingent. The book explores the person, crime, penal space, sexual orientation, legislation, and the community experiences of labelled sex offenders as well as the experiences of correctional officers working with said custodial populations. Ricciardelli and Spencer use conceptions of gender and embodiment to analyze how sex offenders are constituted as objects of fear and disgust and as deserving subjects of abjection and violence.

how to clinically evaluate, interview, and treat this challenging patient population. Successful models of individual, family, and group models of psychotherapy are provided for the reader. In addition, this handbook walks the reader through the investigation, arrest, prosecution and court hearing process, from start to finish. Thoroughly revised, this new edition builds on additional research data and new information,

adding advanced chapters on female offenders, Internet offenders, pornography, sexual addiction, rape and child and adolescent sexual misconduct. This is a must-read work for undergraduate and graduate students, law enforcement officers, prosecutors, judges, child protection service workers, therapists, and other professionals who work with sex offenders.
