very delicate, and one of the key things that couples need to keep alive in their relationships. Many people don't know this, but the lack of intimacy is the major reason why relationship breakups and divorces keep escalating. That's one of the reasons why this book was written. So why are couples finding it hard to get intimate? Why do they find it hard share their ideas, emotions, and be sexually involved? It's simple. When couples find it hard to communicate, they give in to their fears and then, withdraw from sharing what they feel from their partners. This is what we call fear of intimacy. Couples that imbibe this fear of Intimacy distance themselves and this makes the relationship unhealthy. What can couples do to fight this fear of intimacy and get closer to each other? It's all contained in this book. This nine chapter eBook focuses on how relationships can get renewed as time progresses. It provides solution and insights into how couples can wriggle out or transform a

bad or failing relationship into a progressive, fun-filled one, while improving intimacy. Pick up your copy today. Click the BUY NOW button at the top of this page!

The Lifetime Love and Sex Quiz Book - Pepper Schwartz
2002-06-12

A Paperback Original. Who hasn't been dizzy with the prospect of romance? Now the most popular feature of Lifetimetv.com helps you put your love to the test. Do you fight fair? Should you stay, or go? Are you a flirt? These are just some of the topics covered in this quiz collection compiled by relationship guru Dr. Pepper Schwartz. The quizzes help readers analyze their feelings and actions objectively and help them improve their relationships using the solid advice offered by Dr. Schwartz. Is It Love or Lust -- Take the

test! You're at a dinner party with a roomful of people when your partner tells a joke that falls flat. You: A) Turn a little red for him B) Laugh -- loudly, you don't want him to be embarrassed C) Chuckle, and remember again why you love his offbeat sense of humor (If you answered A, you're on the fence! The best answer is B.

Your impulse to laugh despite the fact that your partner's funny joke tanked shows your desire to support and protect the one you love. If you answered C, you love him precisely because he's one of a kind. B & C are the answers of a woman in love, not in lust.)

The 50 quizzes cover all aspects of your "love psyche" and are a fun and provocative tool for anyone who wants to be kissed by Cupid's arrow.
