Watch and Learn - Stephanie Bond 2008

Gemma Jacobs needs a life--a sex life. Newly divorced, she vows that this time it's going to be all about her So when she receives a letter containing an assignment she did for a sex ed course in college, she takes it as a sign. In the letter, Gemma had confessed her most secret sexual fantasies...as well as her most forbidden sexual vice. She liked to be watched. By strangers. And she still does. Lucky for Gemma, her sexy new neighbor, Chev Martinez,

is totally enjoying the show. But how well will her voyeuristic little game hold up when Chev decides to venture behind the scenes?

James Bond: Himeros #1 -

Rodney Barnes 2021-10-13

Himeros is the Greek God of sexual desire and one of the Erotes, the winged gods of love. When Aphrodite was born from the sea-foams she was greeted by the twin loves Eros and Himeros. But when sexual desire goes too far, it takes the legendary super-spy James Bond to bring justice to the

most vulnerable among us as he investigates the suspicious death of an accused sex trafficker - one whose ties run deep... and deadly. Writer Rodney Barnes make his Dynamite 007 debut in this special series, featuring art by returning Bond superstar artist Antonio Fuso and two amazing covers: Francesco Francavilla and Jackson "Butch" Guice! • Created by the British journalist and novelist Ian Fleming in 1952. • The character appeared in a series of twelve novels and two short story collections written by Fleming and a number of continuation novels and spin-off works after Fleming's death in 1964. • There have been twenty-seven films in total, produced between 1962 and 2021. Rodney Barnes is an American screenwriter and producer. Barnes has written and produced *The Boondocks*, *My Wife and Kids*, *Everybody Hates Chris*, *Those Who Can't*, *Marvel's Runaways*, *American Gods*, *Wu-Tang: An American Saga*, and is currently an executive producer/writer on

HBO's *Untitled Los Angeles Lakers* drama.

Butchery on Bond Street - Benjamin P. Feldman 2007

In 1857 Dr. Harvey Burdell, a young dentist, was murdered; his lover, Emma Hempstead Cunningham, a widow with five children, was accused of his brutal murder. Feldman presents a well-researched book that explores the gender politics and legal aspects of the dentist's murder and Emma Cunningham's trial.

The Sexual Bond - François Duyckærts 1970

Sexual Ethics - Stanley James Grenz 1997-01-01

In this biblically grounded study, Stanley Grenz synthesizes theology, ethics, and current medical research to offer an evangelical perspective on the profound role that sexuality does, and should, play in our lives today. He calls for Christians to live a biblical sexual ethic in the contemporary world, at the same calling on the church to recognize that its mandate includes being a reconciling

community, one that proclaims God's grace to all.

Between the Covers - Christo Scheepers 2012-02-03

Can Christians experience joyful sexuality? What does the Bible have to say about sex? Between the Covers is a unique guide for Christians, which unlocks the door to sexual fulfilment in marriage. It shows that every marriage can be sexually passionate and sensually rewarding, and that God wants married people to enjoy physical intimacy. Dr Christo Scheepers and Dr Dainty Shaw offer expert advice and practical tools to enhance sexual fulfilment and explain what the Bible says about specific issues and questions around sex and sexuality. This book will help to address many of the fears, worries, concerns and inhibitions which prevent some Christians from finding sexual freedom within their marriage. Some of the topics they discuss are: • How to talk about sex with your partner • How to deal with negative beliefs, attitudes and past experiences

which block intimacy • Biblical views on sexuality and specific sexual practices • Practical sexual tools and guidance • Overcoming dysfunction • Knowing which sexual behaviours endanger and which enhance your marriage The authors' sound Biblical advice, unpretentious and easy-going style make this sensitive topic very accessible for readers, and will help couples relax and enjoy the special blessing of physical intimacy which God has given them.

searches conducted through a Dogpile search engine (Ogas & Gaddam, 2011) reveals a top-five listing of the most popular searches that includes the following categories and examples of EFFECTS OF PORNOGRAPHY searches; youth ("free teen nudes"), gay ("straight guys having gay sex"), MILFs ("my friend's hot mom"), breasts ("big tits"), and cheating wives ("cuckhold porn"). "All of these categories combine cues relevant to male short-term mating" (Salmon, 2012, p. 157). Not only this, but each of the above categories represent a potential for, or in some cases, obvious source for cognitive dissonance as experienced by the user. There are laws lending to the argument of moral disposition, not to be discussed in the current research, but noteworthy, prohibiting adult sex with youth. Gay men having sex with gay men would be expected and/or natural, so instead, there is the use of possible moral or objective conflicting behavior;

straight men having sex with straight men. The 'Breasts' category symbolizes unrealistic and fantastical body ideals, not likely to be seen in the vast majority of couple-sexual encounters. Finally, cheating wives serves as an obvious source of dissonance. Each of the above categories represent a 'socially forbidden' behavior, yet millions of individuals' sexualities are primed with this, antisocial-in-nature, content. We see that not only are producers using aspects of the useless side of life to attract viewers, but simply by using these names they, too, are promoting these concepts as a worthy commitment of time. Pornography's "easy" sexuality can, understandably, become an enticing alternative to the demands of real life, pair-bond attachment, intimacy, and commitment. Pornography's easy alternative could lead some to prefer autoerotic arousal or casual, serial encounters to enduring and maintaining pair-bond intimacy. If sex is viewed

strictly as a means to an end, that is, ejaculation or orgasm, essentially, the partner is not needed if this is possible through the use of pornographic material. Cyberspace offers an escape from real life relationship demands, EFFECTS OF PORNOGRAPHY18responsibility, and accountability that may decrease one's motivation to resolve issues with a partner. Subsequently, this can lead to the retreat to, and eventual preference for, pornography's fantastical world (Cooper et al., 2004) over real life relationships and intimacy. Ogas and Gaddam (2011) report what they claim the porn industry has already discovered, that heterosexual men are not only attracted to visual female stimulation, but they enjoy watching the penis for its power to stimulate the sexual interest of the fantastical partner. The fear of someone else knowing the male user enjoys looking at the penis and interpreting this in their own way may be a contributing factor to the

overwhelming desire for anonymity among users. The past two decades of research has shed great light on how pornography use is related to the quality of committed relationships, Poulsen et al., (2013) examined associations among pornography use, the meaning people attach to its use, sexual quality, and relationship satisfaction. The authors also described and juxtaposed the combatting viewpoints of pornography use within our society. Concerning the effects its use has on a committed relationship, one idea proposes that pornography is a form of sexual expression and using such can help couples broaden their understanding of sexuality (Poulsen et al., 2013). At the same time, there lies a second major societal script for pornography in that its use is seen as a form of infidelity by non-using partners (Poulsen et al., 2013; Zitzman & Butler.. The Bonds of Love - Jessica Benjamin 2013-05-01 Why do people submit to authority and derive pleasure

even others have over them? What is the appeal of domination and submission, and why are they so prevalent in erotic life? Why is it so difficult for men and women to meet as equals? Why, indeed, do they continue to recapitulate the positions of master and slave? In *The Bonds of Love*, noted feminist theorist and psychoanalyst Jessica Benjamin explains why we accept and perpetuate relationships of domination and submission. She reveals that domination is a complex psychological process which ensnares both parties in bonds of complicity, and shows how it underlies our family life, our social institutions, and especially our sexual relations, in spite of our conscious commitment to equality and freedom.

The Invisible Bond - Barbara Wilson 2010-05-19

Get Untied from Your Past Sex is like glue. Super human glue. Inside marriage, God designed it to be a bond that is powerful and unifying. Outside of marriage, the bonds of sex can be devastating. Long after the

lover is gone, the bond we've created stays with us, negatively impacting our lives and future relationships. Now, through an impressive combination of Scripture and scientific research, Barbara Wilson shows how God designed us to be uniquely bonded through sex. But even more so, she concentrates on the tangible hope that is yours. This book will equip you not only to break those bonds, but to embrace a new, abandoned, wise, and thankful heart. You've had sex. But now sex has you. It's a past that haunts the present. Sabotaged relationships, low self-esteem, sexual dysfunction, an empty spiritual life. Sex will bind you up and tie you down. Why? It's just sex. But "just sex" means your body, soul, mind, and spirit have become one with another. Released from a past of her own, Barbara Wilson now combines scientific research with Scripture to offer striking new insights about what sexual bonding is, why it is harmful, and how to move freely into your future.

*Downloaded from
legacy.opendemocracy.net
on 2020-09-12 by guest*

Complete with a study guide for group or personal use, *The Invisible Bond* is your hands-on tool for changing not your past...but your life. “Barb’s honesty and vulnerability will inspire you to let God do in your life what He has done in hers, mine, and millions of other lives. He has set us free from self-defeating guilt and shame, helped us embrace our sexuality rather than fear it, and taught us how to enjoy genuinely healthy, intimate relationships. If that sounds appealing to you, then you hold the right book in your hands.” Shannon Ethridge Bestselling author of the *Every Woman’s Battle* series *Story Behind the Book* As abstinence director and educator for a Sacramento pregnancy center, Barbara Wilson talks to wounded and bleeding hearts every day. They’ve lost the war on sexual purity and the daily consequences are their reality. All they want is hope—hope that they can be free from the pain and shame that their past drags into their present and future. This book reveals the

negative impact of sexual bonding and offers steps to freedom from past sexual and emotional bonds. But even more, it offers new direction for the free heart, and how to embrace an abandoned, overflowing life!

The Evolution of Human Pair-Bonding, Friendship, and Sexual Attraction -

Michael R. Kauth 2020-11-29

The Evolution of Human Pair-Bonding, Friendship, and Sexual Attraction presents an evolutionary history of romantic love, male-female pair-bonding, same-sex friendship, and sexual attraction, drawing on sexuality research, gay and lesbian studies, history, literature, anthropology, and evolutionary science.

Employing evolutionary theory as a framework, close same-sex friendship is examined as an adaptive trait that has harnessed love, affection, and sexual pleasure to navigate same-sex environments for both men and women, ultimately benefiting their reproductive success and

*Downloaded from
legacy.opendemocracy.net
on 2020-09-12 by guest*

promoting the inheritance of traits for friendship. Chapters consider the desire to form close same-sex friendships and ask if this is embedded in our biology, concluding that most humans have the capacity to form loving, meaningful, and sexual relationships with men and women. This book takes on a unique interdisciplinary approach and is essential reading for those studying and working in sexuality research, anthropology, sociology, evolutionary psychology, and gay and lesbian studies. It will also be of interest to marriage and family therapists as well as sex therapists.

Enhancing Couple Sexuality

- Barry McCarthy 2019

Sexuality is multi-causal and multi-dimensional, with large individual, couple, cultural, and value differences. Each person and couple deserve to experience sexuality as a positive factor in their lives and relationships. *Enhancing Couple Sexuality* is an accessible guide that will help you to explore couple sexuality, with a focus on promoting

healthy sexuality and overcoming sexual dysfunction, conflict and avoidance. The couple challenge, regardless of relationship status or sexual orientation, is to integrate intimacy and eroticism into your relationship, while reinforcing the new sexual mantra of desire/pleasure/eroticism/satisfaction. Healthy sexuality is a combination of responsibility for your authentic sexual self and being an intimate sexual team. Each chapter in this book presents scientifically-validated guidelines, a compelling case study, and a psychosexual skill exercise to make every concept personal and concrete.

Enhancing Couple Sexuality will motivate and empower couples to create and maintain a satisfying, secure, and sexual relationship. Whether you are married or dating, 25 or 65, this valuable resource will provide strategies to enhance your sexual relationship now and in the future.

Intimacies - William R.

Jankowiak 2008-02-18

No culture is ever completely

Downloaded from
legacy.opendemocracy.net
on 2020-09-12 by guest

successful or satisfied with its synthesis of romantic love, companionship, and sexual desire. Whether the setting is a busy metropolis or a quiet farming village, a tension always exists between a community's sexual habits and customs and what it believes to be the proper context for love. Even in Western societies, we prefer sexual passion to romance and companionship, and no study of any culture has shown that individuals regard passion and affection equally. The pursuit of love and sex has generated an infinite number of ambiguities and contradictions, yet every community hopes to find a resolution to this conflict either by joining, dividing, or stressing one act over the other. In this follow-up to *Romantic Passion: A Universal Experience?*, William R. Jankowiak examines how different cultures rationalize the expression of passionate and comfort love and physical sex. He begins by mapping out the intricacies of the love/sex conundrum and the

psychological dilemma of reconciling these competing forces. He then follows with essays on sex, love, and intimacy among Central African foragers and farmers; the love dyad in Lithuania; intimacy among the Lahu of Southwestern China; the interplay of love, sex, and marriage in the High Himalayas; verbalized experiences of love and sexuality in Indonesia; love work as it relates to sex work among prostitutes; intimacies and estrangements in the marital and extramarital relationships of Huli men; infidelity and masculinity in Southwestern Nigeria; and the ritual of sex and the rejuvenation of the love bond among married couples in the United States.

Coming to Grips with Your Sexual Past - Erwin W. Lutzer
1991-09-09

Ours is a sexually broken world. Many people experience the emotional pain that comes with past sexual relationships. Abuse, extramarital liaisons, and sexual exploitation all

Downloaded from
legacy.opendemocracy.net
on 2020-09-12 by guest

contribute to damaging the delicate emotional balance of our sexuality. In this eBooklet, Dr. Lutzer explains the consequences of sexual bonding and the reason for sexual addictions. From the story of a sexually broken woman in the New Testament, this eBooklet explains the requirements for experiencing the sexual healing that Christ can bring to every wounded person. Here is the much-needed hope that many people desperately long for as they attempt to put their past behind them. With sensitivity and understanding, Dr. Lutzer addresses people where they are and shows them how to get to where they should be.

Between the Covers - Christo Scheepers 2013-03

Between the Covers is a unique guide for Christians, which unlocks the door to sexual fulfillment in marriage.

Contemporary Male Sexuality - Barry W. McCarthy 2021

This accessible guide confronts myths and pressures surrounding men and sex, promoting a positive and

healthy model of male sexuality that replaces traditional expectations. The chapters in this book engage with cultural assumptions about male sexuality, from harmful early messaging, to the importance of enjoying intimacy, pleasure, and eroticism over the age of 60. The authors challenge the effects of toxic masculinity and traditional gendered roles in sex, celebrating sexual diversity, confronting double standards, and empowering men and couples to develop an equitable sexual bond. Case studies and psychosexual skill exercises are integrated throughout to make each concept personal and concrete, and incorporate the Good Enough Sex (GES) model to promote an authentic sexual self throughout the lifespan. With a focus on mutual consent and pleasure, *Contemporary Male Sexuality* offers a new model of male sexuality that helps men and couples achieve a satisfying, secure, and sexual bond, replacing damaging expectations with healthy sexual values.

The Sexual Bond - John H. Scanzoni

The Sexual Bond addresses different ways of thinking about families, marriages, and close relationships. Maintaining that society has shifted toward new forms of family relationships, the authors contend that family researchers need to go beyond traditional definitions and learn to work in terms of close or primary relationships rather than 'families'. After addressing the rationale for this shift in thinking, they then present their major theoretical assumptions, including their reliance on a dynamic version of systems theory. They then identify the sexually bonded primary relationship, distinguishing it from those based on ties of blood or friendship and discuss how recent changes in definitions of sexuality fit within their model. The authors consider the issue of the development of the relationship and its influence with the environment and look at the impact of women's work on primary relationships. The

Sexual Bond presents a new paradigm for family studies, one which should do much to stimulate and shape empirical research in the area.
