better. Until destiny takes him to Lucy Stewart. She's smart, she's beautiful... and she's the first woman to ever make him fight for her attention. Getting her out of his head is impossible. Falling for her is inevitable. But being with her seems impossible. Not as long as she's still hung up on someone else. Ever since she was twelve years old, Lucy Stewart dreamed about being a nurse. Taking care of those in need, bringing a smile onto the faces of everyone around, there hadn't been a greater joy for her. Until a tragic loss left her with nothing but guilt, grief and red wine to fill the lonely hours at home. But her whole life is set to change when one of her patients presents her with tickets for the London show of her favourite British rock band. Devil's Entourage. It could have been the best day of Lucy's life. If it wasn't for the brief encounter with the band's guitarist resulting in a blooming friendship, torn feelings and too much sexual tension for a woman who is determined to never love again. Will Mickey succeed in leaving his playboy past behind to find true love? And what happens when Lucy has to realise that the man she had sworn to love until her very last breath may not have been as good for her as she had once believed? Then he shattered my world without speaking a word, leaving me with an empty heart and a hollow soul. Still, I tried to fix what was broken, only to be humiliated beyond repair. I thought that was the end of us, but then a life-altering discovery threatened more than just me, and the least likely man to stand at my side was the one who refused to leave it. *** What readers are saying about this emotional romance: It's not often that the chemistry between the main characters is a firehouse from the jump, but that happened with this book, and I love it. Can't Get Enough - Harley Wylde 2018-12-18
JACE When Sinful Seduction made it big, my life changed, and not always in awesome ways. The groupies were great at first, until one decided to fake a pregnancy and claim the kid was mine. My bandmates had my back, and while the woman backed down fast when I demanded a paternity test, it still shook me. I knew it was

time for another change, one where I kept my pants zipped. And then I saw her across the bar... the goddess with golden waves, and her sexy little librarian outfit. I knew she was different, and I wanted to make her mine. Should have known better than to get drunk in Vegas. You know how they say what happens in Vegas stays in Vegas? Bullshit. Total and complete bullshit. But maybe this time my mistake will turn out to be the best thing that ever happened to me. HONEY I dumped my cheating fiancée, hopped a plane to Vegas, and hit the latest writer's convention. On what should have been my wedding day, I was throwing back drinks like they were fruit punch. To be fair, they probably had fruit punch in them. When I woke up the next morning with a hard body pressed to mine, and a silver band on a very important finger, I thought I'd screwed up more than ever before. Imagine my surprise when the wannabe rocker I married turned out to be even more famous than me --- and wait for it --- he wanted to stay married! Even with a battered heart, I still believed in happily-ever-after, but what could a rock star and a romance author have in common? Chemistry... Intense, curl your toes, melt your panties chemistry. Relationships have been based on worse, right? *WARNING: If you don't like foul-mouthed bad boys, lots of hot sex, and an accidental marriage, then you should probably skip this book.

I've never needed a chick for more than a good lay. Why would I need just one when I can have a different one every night? Until she walks into my world. Aribel: Mouthy. Perfectionist. Princeton student. Chemistry major. Yes, that pretty much describes me. Oh, and virgin. But I have more important things to concern myself with. What really matters is finishing my degree and getting a good job. I've worked hard for what I want, and do what's expected of me. I don't need anyone to get in my way. Until he opens up my world. But if I give

you my world, whatever you do...don't take me for granted.
