Owned and Owner - Anneke Jacob 2003-06-26
BDSM Fantasy Erotica. A story of unconditional slavery, told from inside a woman's bound and naked skin. Far in the future exists a world of men, a planet where the only women are rare and exotic pets. These few women, convicted of crimes, have chosen their punishment: slavery on Henth. The few men who buy them know what they are getting: eager submissives, who choose to give their future owners complete control of their bodies and lives. Etrin is a young woman who makes this choice; Garid is the man

who buys her. Their story is one of extreme dominance and submission, taken as far as the imagination can go. This beautifully crafted novel delves deeply into the psychology and emotions associated with dominance and submission. Graphic sexual content; extreme consensual nonconsent.

Correction - Kelli Wolfe 2015-07-04

“Discipline, Miss Brewer. Obedience. Submission. These are the keys to your reformation. Until you learn this and accept it your punishments will continue.” Constance Brewer is facing nine years in Newgate Prison for theft with no hope for early release. Her future appears bleak, but then she is taken to see a visitor—Professor George E. Feversham, the founder of Feversham’s Academy of Young Women’s Correctional Education. His offer

astounds her. If she completes his rehabilitation regimen she will be released and her criminal record expunged; the only requirement is that she obey him without question. She eagerly accepts his terms, but she has no intention of being rehabilitated. Escape from a man as naive as the Professor should be easy, and once free she can disappear into the London slums. But when she is captured only seconds after breaking out of her room Constance soon discovers why it is called correctional education. Will Constance submit to the Professor’s discipline, or will she return to Newgate Prison until she is an old maid? Hannah's Submission - Anna Austin

Hannah thinks that she is oh-so clever. Who would suspect a pretty and innocent young woman like her of being a poacher, stealing from the Duke of Almsbury's land? She is not so

Taken Her Erotic Punishment Crime Punishment Erotic Stories Of Sexual Submibion English Edition

clever now. Caught red-handed by the Duke and his gamekeepers, she must face her punishment. Hannah soon finds herself entering a world of lust, pain and desire from which there is no escape... ~~~~~ PG Excerpt ~~~~~ It was a dangerous game to play. I knew the risks. Or at least I thought I did. But when my punishment came, it took me by surprise. The game itself was simple, and driven by that all too human desire ? profit. The logic was simple. Pheasants, freshly caught and in good condition, sold at Almsbury market for sixpence. My family and I did not own any pheasants, or any land on which on which pheasants lived. But just a mile from our village was the estate of the Duke of Almsbury. And he had pheasants in abundance. For a clever, enterprising and someone unscrupulous young girl like me, the logic was simple. The Duke would never notice one or two pheasants missing from his lands. But I would certainly notice the extra money jingling in my pocket. And if that meant that I had to commit

theft? Well, it's only a crime if someone finds out.

Femdom Future - Miranda Birch

This is a bundle of no less than SIX previously-released stories. They are the first six episodes in the on-going “Femdom Future” series. 1. Rigorous Retraining In a near-future femdom world, being unemployed and male is a crime, punishable by retraining in special centres staffed by cruel sadistic females. Prime Minister Tessa March is a no-nonsense disciplinarian who has decided that what the country needs is good old-fashioned discipline. Rigorous retraining for anti-social sexists! 2. More Rigorous Retraining In a near-future femdom UK, ruled by Prime Minister Tessa March, a no-nonsense disciplinarian, it has been decided that what the country needs is good old-fashioned discipline. Rigorous retraining for anti-social sexists! Being unemployed and male is now a crime, punishable by retraining in special centres staffed by cruel sadistic females. As time passed, the regime of the camps has become more rigorous. Trainees have become slaves in all but name, and their

names replaced by numbers... 3. The Auction

The changes wrought by Tessa March's all-female administration have transformed the country. The majority of men have now passed through rigorous retraining; and many of them have entered into servitude as punishment for criminal behaviour! Their names replaced by code-numbers, subject to stern discipline, kept naked and in chastity, modern life is no bed of roses for the male sex! 4. National Domestic Service Although up in London nude males are already bought and sold and serve as slaves in all sorts of ways, including in public as beasts of burden pulling buggies for ladies, the rest of the country is not quite so advanced. Originally male servitude was intended only for criminals and work-shy layabouts; but the demand for male ‘servants’ (as they are still euphemistically called) has so exceeded the supply that the government has introduced “National Domestic Service”. Now, youths of eighteen must do a full year of in service to a householder — that is to

say, a woman aged twenty-five or over. Of course, there are strict rules to prevent abuse; but where there's a will, there's a way, as many a hapless youth has already discovered! And now a 'new boy' is going to make that discovery for himself... 5. Punishment Prison This is a look into the future. A future when women have become fully liberated and universally recognised as the Superior Sex. A future where Women command and men obey. It is a Femdom Future. In this, the fifth installment of Miranda Birch's "Femdom Future" series, we see what awaits those recalcitrant males who refuse to submit and obey. In Punishment Prison, they will be broken: it is only a question of time. And meanwhile, the female Overseers are free to indulge their most sadistic whims, their most perverted fantasies... 6. Abuse of Power This is a look into the future. A future when women have become fully liberated and universally recognised as the Superior Sex. A future where women command and men obey. It is a Femdom

Future. In "Punishment Prison", we were introduced to the severe regime of Marston House. And how all males sent here are broken by cruel, sadistic females. In this, the sixth installment of the "Femdom Future" series, we see what special treatments are meted out to those inmates unlucky enough to attract the attention of authority. The female overseers have complete control of hem, and are free to indulge their most sadistic whims, their most perverted fantasies...

a scheme to abduct an innocent virgin and turn her into his sex slave. The night that Veronica X arrives bound in a burlap sack, Daphne, Penelope and Kathy Ann are frightened, certain that Emerson has gone too far. And yet, they too succumb to the deviant pleasure of their new toy, as they systematically win Veronicas compliance. Within days, the increasingly aroused girl responds to her captors. Her virginity is quickly ripped away and submissives to sex, bondage, punishment and humiliation. Before long, she cant stop the carnal drive that fires her body. It almost seems as if shes willingly consented to this pleasure-seeking revelry. But what happens when the games up? Property of the Marquis - Lizbeth Dusseau
2006-01-01

Six months after her husband Erik's death in a plane crash, the lovely Laney still wears the bracelet that he gave her before his death. With Property of the Marquis inscribed on the platinum band, the bracelet demands her willing sexual submission to those in the Marquis' circle. With every touch of the shiny band, she's reminded of the vacation three years before, when she and her friends Sandra and Elise were stranded on the deserted Marquis Island. Aided by the shocking Marquis' Book of Pleasure, they were turned into sex slaves - bound, whipped, used and branded with their husbands' marks. For Laney and Erik, the bracelet became an extension of their Dom/sub relationship. Now

haunted by that memory and determined to find the anonymous Marquis, Laney returns to Marquis Island. Not only does she steal the Book of Pleasure and the Marquis' diary from the library, her guide, a seemingly humble fisherman, Alex Greenwood, turns into a formidable dominant, who knows a good deal more about the bracelet and Marquis than she first suspected. Now, with a vague idea of the Marquis' whereabouts, Laney travels to Paris for a run-in with a brusque and punishing bookseller. Then on a trip to Prague, the rule of the bracelet forces her to submit to a sexy couple on the train. In Prague, Laney is kidnapped, taken to a country house, where she's interrogated and sexually tormented by the Marquis' enemies. She's drugged, beaten, exhibited, publicly fucked and arrested for prostitution. And still she's no closer to finding the Marquis. That is, until her theft of the Marquis' books finally comes back to haunt her. Only when she's punished for this crime will the

man who owns her take charge of his property. Only then can she fulfill the promise she made to her husband when she first agreed to wear the band that would make her subject forever to the rules of masters. A suspenseful journey into the arcane and seductive world of masters and slaves and into the leather underground, where with every turn there are missteps to be made and much to atone for, much to which this wanting submissive must surrender.
