**I Am Malala** - Malala Yousafzai 2014-11-13  
\*Winner of the 2014 Nobel Peace Prize\* In 2009 Malala Yousafzai began writing a blog on BBC Urdu about life in the Swat Valley as the Taliban gained control, at times banning girls from attending school. When her identity was discovered, Malala began to appear in both Pakistani and international media, advocating the freedom to pursue education for all. In October 2012, gunmen boarded Malala's school bus and shot her in the face, a bullet passing through her head and into her shoulder. Remarkably, Malala survived the shooting. At a very young age, Malala Yousafzai has become a worldwide symbol of courage and hope. Her shooting has sparked a wave of solidarity across

Pakistan, not to mention globally, for the right to education, freedom from terror and female emancipation.

Get Over Yourself! - Patti Novak 2008-12-30  
True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature

straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula:

- **Getting Over What?** Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back.
- **Almost Over It** Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way.
- **Over It** Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to

the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

*Date Smart* - Dr. Carla Marie Manly 2021-07-20  
Sometimes we have HUGE expectations for the ideal relationship, but dating isn't about being perfect or catching the perfect partner; it's all about creating compassionate self-awareness and stronger self-esteem. A must-read for daters, this no-nonsense guide from clinical psychologist Carla Marie Manly, PhD, takes the guesswork out of dating with real-life examples, the latest research, and 33 vital mindset shifts designed to foster: empowered communication, strong, healthy boundaries, realistic, mindful expectations, increased red flag awareness, healthy dating dynamics, and more! Self-discovery is key to healthy relationships. Your life will change when you discover how to date strong, date fearlessly, and date smart.

Marriage should be based on love, right? literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical

Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a

*My Point of View* - Mark Hogan 2015-11-06  
There is nothing mild about mild autism. I hear people say, "He's got high functioning autism. It's only mild. He will be grand." What people on the outside don't see are the challenges people with autism face every day. And the one problem most people with autism spectrum disorder have is this invisible and often very significant disability of lacking theory of mind. This is the innate foundation of all communication in every man, woman, and child on this Earth, and they don't have it. I want you to walk in my shoes. I
