Building a Magickal Relationship - Cynthia Jane Collins 2002

Here is a thoughtful and honest relationship guide that combines real-world expertise with spiritual and magical principles of Wicca and Pagan religions, employing an eclectic mix of ancient mythology, modern psychology, and spiritual empowerment spells to help readers build loving, lasting bonds. The Wiccan Circle offers readers a template for a successful union, with one principle for each of the four cardinal directions (Equality, Consensus, Honesty, Freedom) and one (Balance) for the center. Because every relationship is unique, a variety of partnerings are considered and celebrated without judgment or bias -- from same-sex couples to traditional marriage and Pagan handfastings to multi-partner relationships.

Trans-Oriented - Michael David Freel 2016-04-15

Topical, wickedly frank, instructive...and frequently hilarious, *Trans-Oriented* is perhaps the world's very first romance guide for men whose sexual orientation is inescapably drawn towards transgender women. With everything a TGentleman will need to know about dating, friendship, romance, love, and sex with a TGirl, this comprehensive look at a seldom-examined world is jam-packed with information and practical advice. And it won't shrink from hitting readers upside the head with a 'clue by 4', either. The stereotype-shattering *Trans-Oriented* will be a revelation and an education, to those who share the orientation and to anyone interested in LGBT issues, human sexuality, or romantic relationships in general. *Trans-Oriented*, for all its hilarity, carries a serious and urgent message in defense of transgender women. Women who, Freel lovingly stresses, are not to be objectified, and who deserve the love and respect that must be the bedrock upon which any human relationship is built.

The Way of Tarot - Alejandro Jodorowsky 2009-11-17

Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool into a vehicle for self-realization and healing Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the structure of the soul. *The Way of Tarot* shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

Vodou Love Magic - Kenaz Filan 2009-01-26

A working guide on how to find love and sexual fulfillment by working with the lwa, the spirits of Haitian Vodou • The first book on wanga (love magic) by an actual Vodou initiate • Provides spells and spirit work

for many different problems associated with affairs of the heart • Spells included are detailed and easy to follow Haitian Vodou, like other folk traditions, is an eminently practical craft. Vodou practitioners see their relationship with the lwa--the spirits honored in Haitian Vodou--as mutually beneficial rather than one-sided. In return for sincere offerings, the lwa are happy to provide protection and support in dealing with life's problems--which more often than not concern love. In *Vodou Love Magic*, Kenaz Filan details the myriad aspects of love and sex governed by the different lwa and explains what services each can provide in attaining fulfilling relationships--and who will likely offer the best wisdom for your needs. If you are having trouble meeting people, Legba's Opening the Door spell can resolve this difficulty. If you wish more fire in a relationship, then you should work with the warrior spirit Papa Ogou. Filan presents easy-to-follow instructions for numerous love spells and also reveals how the lwa offer counsel for dealing with ending relationships, toxic behavior patterns like codependency, or romantic triangles. *Vodou Love Magic* does not provide a magic genie who will fulfill every wish, but it does offer access to a team of spirits who can help transform dreams into realities.
