The Painted Bridge - Wendy Wallace 2014-07-15
Outside London behind a stone wall stands Lake House, a private asylum

for genteel women of a delicate nature. In the winter of 1859, recently-married Anna Palmer becomes its newest arrival, tricked by her husband

into leaving her home, incarcerated against her will and declared hysterical and unhinged. With no doubts as to her sanity, Anna is convinced that she will be released as soon as she can tell her story. But Anna quickly learns that liberty will not come easily. And the longer she remains at Lake House, the more she realises that - like the ethereal bridge over the asylum's lake - nothing is as it appears. She begins to experience strange visions and memories that may lead her to the truth about her past, herself, and to freedom - or lead her so far into the recesses of her mind that she may never escape.

Perdita - Hilary Scharper 2013-04-16

Love won't let her go. Marged Brice is 134 years old. She'd be ready to go, if it weren't for Perdita... The Georgian Bay lighthouse's single eye keeps watch over storm and calm, and Marged grew up in its shadow, learning the language of the wind and the trees. There's blustery beauty there, where sea and sky incite each other to mischief...or worse... Garth Hellyer of the Longevity Project doesn't believe Marged was a girl coming of age in the 1890s, but reading her diaries in the same wild and unpredictable location where she wrote them might be enough to cast doubt on his common sense. Everyone knows about death. It's life that's much more mysterious.

The Painted Ocean - Gabriel Packard 2016-03-03

When I was a little girl, my dad left me and my mum, and he never came back. And you're supposed to be gutted when that happens. But secretly I preferred it without him, cos it meant I had my mum completely to myself, without having to share her with anyone. And I sort of inherited all the affection she used to give to my dad - like he'd left it behind for me as a gift, to say sorry for deserting me So says eleven year old Shruti of her broken home in suburban middle England. But hopes of her mother's affection are in vain: speaking little English, and fluent in only Hindi and Punjabi, Shruti's mother is lost, and soon falls prey to family pressure to remarry. To find another husband means returning to India and leaving Shruti behind. Meanwhile at school a new arrival, the indomitable Meena, dispenses with Shruti's bullying problems and transforms her day to day life. Desperate for companionship Shruti

latches on to Meena to the point of obsession, following her through high school and on to university. But when Meena invites Shruti to join her on holiday in India, she has no idea how dangerous her obsession will turn out to be... Gabriel Packard's THE PAINTED OCEAN has been described by Colum McCann 'as fearless tour de force. It is a rare achievement - an emotionally rich work of literature, delivered in the form of a gripping, page-turning story. The depiction of a British Indian childhood and adolescence is utterly compelling, as is the allegorical exploration of the human condition.'

The Day the Falls Stood Still - Cathy Marie Buchanan 2009-08-25

Steeped in the intriguing history of Niagara Falls, this epic love story is as rich, spellbinding, and majestic as the falls themselves. 1915. The dawn of the hydroelectric power era in Niagara Falls. Seventeen-year-old Bess Heath has led a sheltered existence as the youngest daughter of the director of the Niagara Power Company. After graduation day at her boarding school, she is impatient to return to her picturesque family home near Niagara Falls. But when she arrives, nothing is as she had left it. Her father has lost his job at the power company, her mother is reduced to taking in sewing from the society ladies she once entertained, and Isabel, her vivacious older sister, is a shadow of her former self. She has shut herself in her bedroom, barely eating--and harboring a secret. The night of her return, Bess meets Tom Cole by chance on a trolley platform. She finds herself inexplicably drawn to him--against her family's strong objections. He is not from their world. Rough-hewn and fearless, he lives off what the river provides and has an uncanny ability to predict the whims of the falls. His daring river rescues render him a local hero and cast him as a threat to the power companies that seek to harness the power of the falls for themselves. As their lives become more fully entwined, Bess is forced to make a painful choice between what she wants and what is best for her family and her future. Set against the tumultuous backdrop of Niagara Falls, at a time when daredevils shot the river rapids in barrels and great industrial fortunes were made and lost as quickly as lives disappeared, *The Day the Falls Stood Still* is an intoxicating debut novel.

Dancing for Degas - Kathryn Wagner 2010-03-16

In the City of Lights, at the dawn of a new age, begins an unforgettable story of great love, great art—and the most painful choices of the heart. With this fresh and vibrantly imagined portrait of the Impressionist artist Edgar Degas, readers are transported through the eyes of a young Parisian ballerina to an era of light and movement. An ambitious and enterprising farm girl, Alexandrie joins the prestigious Paris Opera ballet with hopes of securing not only her place in society but her family's financial future. Her plan is soon derailed, however, when she falls in love with the enigmatic artist whose paintings of the offstage lives of the ballerinas scandalized society and revolutionized the art world. As Alexandrie is drawn deeper into Degas's art and Paris's secrets, will she risk everything for her dreams of love and of becoming the ballet's star dancer?

The Painted Girls - Cathy Marie Buchanan 2013-06-06

1878 Paris. Following their father's sudden death, the van Goethem sisters find their lives upended. Without his wages, and with the small amount their laundress mother earns disappearing into the absinthe bottle, eviction from their lodgings seems imminent. With few options for work, Marie is dispatched to the Paris Opera, where for a scant seventeen francs a week, she will be trained to enter the famous ballet. Her older sister, Antoinette, finds work as an extra in a stage adaptation of Emile Zola's naturalist masterpiece *L'Assommoir*. Marie throws herself into dance and is soon modelling in the studio of Edgar Degas, where her image will forever be immortalized as Little Dancer Aged Fourteen. There she meets a wealthy male patron of the ballet, but might the assistance he offers come with strings attached? Meanwhile Antoinette, derailed by her love for the dangerous Emile Abadie, must choose between honest labour and the more profitable avenues open to a young woman of the Parisian demimonde. Set at a moment of profound artistic,

cultural and societal change, *The Painted Girls* is a tale of two remarkable sisters rendered uniquely vulnerable to the darker impulses of 'civilized society'. In the end, each will come to realize that her salvation, if not survival, lies with the other. 'A dark valentine to Belle Epoque Paris' Vogue 'Buchanan does more than just write about what she knows; that same verisimilitude wends through the whole book: the grinding poverty in which the sisters live, the interaction between them, the daily life of a Parisian all come to life in her capable hands' Huffington Post 'Will hold you enthralled as it spools out the vivid story of young sisters in late 19th century Paris struggling to transcend their lives of poverty through the magic of dance. I guarantee, you will never look at Edgar Degas's immortal sculpture of the Little Dancer in quite the same way again' Kate Alcott, author of *The Dressmaker* 'Cathy Marie Buchanan paints the girls who spring from the page as vibrantly as a dancer's leap across a stage . . . *The Painted Girls* is a captivating story of fate, tarnished ambition and the ultimate triumph of sister-love' The Washington Post

Daughter of Black Lake - Cathy Marie Buchanan 2020-10-13

By the bestselling author of *The Painted Girls* When a remote, ancient settlement is threatened, it is up to one girl to save her family and her community It's the season of Fallow, the first century AD. In a misty northern bog surrounded by woodlands and wheat fields, lies a settlement far beyond the reach of the Roman invaders, who are still hundreds of miles to the southeast. Here, life is simple, or so it seems to the tightly knit community. Sow. Reap. Honour Mother Earth, who will provide at harvest time. A girl named Devout comes of age. She flirts sweetly with the young man who has tilled the earth alongside her all her life, envisioning a future of love and abundance. Seventeen years later, however, the settlement is a changed place. Famine has brought struggle, and outsiders, with their military might and foreign ways, have arrived at the doorstep. For Devout's young daughter, life is more troubled than her mother ever anticipated. But this girl has an extraordinary gift. As worlds collide and peril threatens, it will be up to her to save her family and her community. Immersing readers in a lost

world of pagan traditions, Daughter of Black Lake is a transporting story of love, family, survival and the sublime power of the natural world.

I Always Loved You - Robin Oliveira 2014

"A novel of Mary Cassatt and Edgar Degas's great romance from the New York Times bestselling author of *My Name Is Mary Sutter* The young Mary Cassatt never thought moving to Paris after the Civil War to be an artist was going to be easy, but when, after a decade of work, her submission to the Paris Salon is rejected, Mary's fierce determination wavers. Her father is begging her to return to Philadelphia to find a husband before it is too late, her sister Lydia is falling mysteriously ill, and worse, Mary is beginning to doubt herself. Then one evening a friend introduces her to Edgar Degas and her life changes forever. Years later she will learn that he had begged for the introduction, but in that moment their meeting seems a miracle. So begins the defining period of her life and the most tempestuous of relationships"--

The Girl in the Painted Caravan - Eva Petulengro 2011-02-04

Born into a Romany gypsy family in 1939, Eva Petulengro's childhood seemed to her to be idyllic in every way. She would travel the country with her family in their painted caravan and spend evenings by the fire as they sang and told stories of their past. She didn't go to school or visit a doctor when she was unwell. Instead her family would gather wild herbs to make traditional remedies, hunt game and rabbits, and while the men tended horses to make a living, the young girls would join the women in reading palms. But Eva's perfect world would be turned upside down as the countryside became increasingly hostile to all travellers. Eva describes the wonderful characters in her family, from her grandfather 'Naughty' Petulengro to her four beautiful aunts who entranced everyone they met, as well as the fascinating people they came across on the road. Moving, evocative, romantic and funny, *The Girl in the Painted Caravan* vividly captures a way of life that has now, sadly, all but disappeared.

The Radium Girls - Kate Moore 2016-06-16

Emma Watson's Our Shared Shelf book club choice New York Times bestseller 'Fascinating.' Sunday Times 'Thrilling.' ????? Mail on Sunday All they wanted was the chance to shine. Be careful what you wish for...

"The first thing we asked was, "Does this stuff hurt you?" And they said, "No." The company said that it wasn't dangerous, that we didn't need to be afraid.' As the First World War spread across the world, young American women flocked to work in factories, painting clocks, watches and military dials with a special luminous substance made from radium. It was a fun job, lucrative and glamorous - the girls shone brightly in the dark, covered head to toe in dust from the paint. However, as the years passed, the women began to suffer from mysterious and crippling illnesses. It turned out that the very thing that had made them feel alive - their work - was slowly killing them: the radium paint was poisonous. Their employers denied all responsibility, but these courageous women - in the face of unimaginable suffering - refused to accept their fate quietly, and instead became determined to fight for justice. Drawing on previously unpublished diaries, letters and interviews, *The Radium Girls* is an intimate narrative of an unforgettable true story. It is the powerful tale of a group of ordinary women from the Roaring Twenties, who themselves learned how to roar. Further praise for *The Radium Girls* 'The importance of the brave and blighted dial-painters cannot be overstated.' Sunday Times 'A perfect blend of the historical, the scientific and the personal.' Bustle 'Thrilling and carefully crafted.' Mail on Sunday?

A heartrending, gripping novel about two sisters in Belle Époque Paris and the young woman forever immortalized as muse for Edgar Degas' *Little Dancer Aged Fourteen*. 1878 Paris. The Painted Veil - William Somerset Maugham 2022-05-17

Garstin, a pretty upper-middle class debutante, squanders her early youth amusing herself by living a social high life, during which her domineering mother attempts to arrange a "brilliant match" for her.

Little Dancer Aged Fourteen - Camille Laurens 2018-11-20

This absorbing, heartfelt work uncovers the story of the real dancer behind Degas's now-iconic sculpture, shedding light on the struggles of late nineteenth-century Parisian life. She is famous throughout the world, but how many know her name? You can admire her figure in Washington, Paris, London, New York, Dresden, or Copenhagen, but where is her grave? We know only her age, fourteen, and the work that she did—because it was already grueling work, at an age when children today are sent to school. In the 1880s, she danced as a "little rat" at the Paris Opera, and what is often a dream for young girls now wasn't a dream for her. She was fired after several years of intense labor; the director had had enough of her repeated absences. She had been working another job, even two, because the few pennies the Opera paid weren't enough to keep her and her family fed. She was a model, posing for painters or sculptors—among them Edgar Degas. Drawing on a wealth of historical material as well as her own love of ballet and personal experiences of loss, Camille Laurens presents a compelling,

compassionate portrait of Marie van Goethem and the world she inhabited that shows the importance of those who have traditionally been overlooked in the study of art.

The Girls - Emma Cline 2016-06-02

** The Sunday Times Top Ten Bestseller ** ** The New York Times Top Ten Bestseller ** The UK's best selling hardback debut novel of 2016 Selected as a Book of the Year 2016 in the Evening Standard, Observer

and The Times California. The summer of 1969. In the dying days of a floundering counter-culture a young girl is unwittingly caught up in unthinkable violence, and a decision made at this moment, on the cusp of adulthood, will shape her life.... 'This book will break your heart and blow your mind.' Lena Dunham Evie Boyd is desperate to be noticed. In the summer of 1969, empty days stretch out under the California sun. The smell of honeysuckle thickens the air and the sidewalks radiate heat. Until she sees them. The snatch of cold laughter. Hair, long and uncombed. Dirty dresses skimming the tops of thighs. Cheap rings like a second set of knuckles. The girls. And at the centre, Russell. Russell and the ranch, down a long dirt track and deep in the hills. Incense and clumsily strummed chords. Rumours of sex, frenzied gatherings, teen runaways. Was there a warning, a sign of things to come? Or is Evie already too enthralled by the girls to see that her life is about to be changed forever?

The Painted Kiss - Elizabeth Hickey 2005

The Painted Drum - Louise Erdrich 2009-10-13

"Haunted and haunting. . . . With fearlessness and humility, in a narrative that flows more artfully than ever between destruction and rebirth, Erdrich has opened herself to possibilities beyond what we merely see—to the dead alive and busy, to the breath of trees and the souls of wolves—and inspires readers to open their hearts to these mysteries as well."— Washington Post Book World From the author of the National Book Award Winner *The Round House*, Louise Erdrich's breathtaking, lyrical novel of a priceless Ojibwe artifact and the effect it has had on those who have come into contact with it over the years. While appraising the estate of a New Hampshire family descended from a North Dakota Indian agent, Faye Travers is startled to discover a rare moose skin and cedar drum fashioned long ago by an Ojibwe artisan. And so begins an illuminating journey both backward and forward in time, following the strange passage of a powerful yet delicate instrument, and revealing the extraordinary lives it has touched and defined. Compelling and unforgettable, Louise Erdrich's *Painted Drum* explores the often-fraught relationship between mothers and daughters, the strength of family, and the intricate rhythms of grief with all the grace, wit, and startling beauty that characterizes this acclaimed author's finest work.
