

The Sexual Man

Sexual Behavior in the Human Male - Alfred C. Kinsey 1998-05-22

On male sexuality

The Choices of Men - T. S. Tyrone 2001-08

The Epic of Gilgamesh is an ancient alchemist's tale, that tells us about a time when the gods walked among us and had sons with the daughters of men'. It is the story of one of these progeny Gilgamesh, a demigod. It also tells us the original tale of the biblical Noah and his story of the time before the flood that was later plagiarized by the old testamate.

Sexual Strands - Ron Langevin 2013-10-31

Homosexuality, transsexualism, bisexuality, pedophilia, sexual aggression and rape, fetishism, physical abnormalities, and sexual dysfunction are among the sexual anomalies discussed in this timely and

comprehensive review. The origins and treatment of unusual sexual behaviors are analyzed from the perspective of orgasmic preference and are illustrated with clinical case examples drawn from the author's many years of work in research and treatment of sexual anomalies.

Man and Woman - Havelock Ellis 1929

The Sexual Man - Archibald D. Hart 1994

This groundbreaking report of men and sex in the 90's refutes the current myths surrounding male sexuality and offers a sane view of what it means to be male, sexual and normal.

Combining Dr. Hart's 25 years of counseling with results from a nationwide survey, *The Sexual Man* offers honest, carefully documented answers to men's questions about male sexuality. Copyright © Libri

A Young Man's Guide to Sex - Jay Gale 1984

A comprehensive guide to sex and sexuality, especially for young men, with discussions of sexual truths and lies, masturbation, AIDS, pregnancy, abortion, heterosexuality and homosexuality, and the importance of open communication.

The Sexual Paradox - Susan Pinker 2010-01-11

After four decades of eradicating gender barriers at work and in public life, why do men still dominate business, politics and the most highly paid jobs? Why do high-achieving women opt out of successful careers? Psychologist Susan Pinker explores the illuminating answers to these questions in her groundbreaking first book. In *The Sexual Paradox*, Susan Pinker takes a hard look at how fundamental sex differences continue to play out in the workplace. By comparing the lives of fragile boys and promising girls, Pinker turns

several assumptions upside down: that the sexes are biologically equivalent; that smarts are all it takes to succeed; that men and women have identical goals. If most children with problems are boys, then why do many of them as adults overcome early obstacles while rafts of competent, even gifted women choose jobs that pay less or decide to opt out at pivotal moments in their careers? Weaving interviews with men and women into the most recent discoveries in psychology, neuroscience and economics, Pinker walks the reader through these minefields: Are men the more fragile sex? Which sex is the happiest at work? What does neuroscience tell us about ambition? Why do some male school drop-outs earn more than the bright, motivated girls who sat beside them in third grade? Pinker argues that men and women are not clones, and that gender discrimination is just one part of the persistent gender gap. A work world that is satisfying to us all will

recognize sex differences, not ignore them or insist that we all be the same.

Men and Sex - Philip Graham
2017-07-20

Men and Sex provides a comprehensive yet accessible account of male sexuality by using the theoretical concept of the 'sexual script' to illuminate different aspects of men's sexual behaviour. Graham begins by discussing different theories of sexuality, before providing a more detailed description of sexual script theory. This proposes how male sexual behaviour can be explained as a result of cultural influences modified by individual experience and personality as well as by interaction with others. Individual chapters detail the development of sexual scripts in childhood and adolescence, masturbation, cultural influences on sexuality, heterosexual behaviour, variations and problems in sexual functioning, homosexual behaviour, transsexualism, procreative sex, coercive sexual behaviour, the impact of

physical and mental health problems on sexuality, and sexuality and pornography. The concluding chapter looks at the future of male sexuality. The book makes a valuable contribution to the burgeoning literature on masculinity studies.

Men, Masculinities and Sexualities in Dance - Andria Christofidou
2021-08-12

This book examines men, masculinities and sexualities in Western theatrical dance, offering insights into the processes, actions and interactions that occur in dance institutions around gender-transgressive acts, and the factors that set limits to transgression. This text uses interview and observation data to analyze the conditions that encourage some boys and young men to become involved in this widely unconventional activity, and the ways through which they negotiate the gendered and sexual attachments of their professional identity. Most importantly, the book analyzes the opportunities male dancers

find to develop a reflexive habitus, engage in gender transgressive acts and experiment with their sexuality. At the same time, it approaches gender and sexuality as embodied, and therefore as parts of identity that are not as easily amendable. This book will be of interest to scholars in Gender and Sexuality Studies as well as Dance and Performance Studies.

Male Sexual Endurance -

Robert W. Birch 1997-05

A self-help book for men concerned about premature ejaculation, MALE SEXUAL ENDURANCE is adult sex education at its best-written with wisdom, humor and understanding. Its methods are designed to be used both by men without partners and those in committed relationships.

The Sexual Male - Richard Milsten 2000-09

Most men will at some time experience sexual problems, and if they lack the knowledge to address the problem they may fall victim to myths about

performance. Their partners may become confused and frustrated, placing stress on the relationship.

[The Gender of Desire](#) - Michael S. Kimmel 2012-02-01

Articles and essays on the construction of male sexuality by a pioneer in the field of masculinity studies.

The Versatile Husband - Peter Benn 2013-01-17

living in a dual sexual world. Everything is here for you to make your own informed decision as to whether that lifestyle is for you - or not! With practical advice, real life stories, concise information and details about how to avoid life-changing mistakes, it's the invaluable first step to a happier, less sexually frustrated and man-friendly lifestyle. "If only I'd had this information available when I was married I wouldn't have made all the mistakes that I did!" Read it now - and today could be the most liberating day of your life. "This rare and insightful book is essential reference material for both the husband, and those seeking or dispensing understanding. It should be available everywhere sexually frustrated men can find it - in public libraries and the offices of psychologists, marriage councilors and medical practitioners the world over. Understand the point of view of the sexually frustrated husband and you understand much about marriage incompatibility and masculine

loneliness. It also includes sections on encouraging a re-examination of the current marital sexual situation and a brief overview about the ramifications of when extra marital gay sexual activities are discovered - subjects all too rarely discussed. Highly recommended!"

Mostly Straight - Ritch C. Savin-Williams 2017-11-13
Based on research, the author explores in this publication the personal stories of forty young men to help us understand the biological and psychological factors that led them to become mostly straight and the cultural forces that are loosening the sexual bind that many boys and young men experience.

Understanding the Modern Man - Kevin Rush 2018-10-11
WHAT DO MEN WANT: Good sex, and lots of it HOW TO GIVE IT TO THEM: Read this book and find out! There is this adage that goes Sex is like pizza; even when it's bad, it's still good. But you know what? Good sex is always better than bad sex, so there is absolutely

no reason why you shouldnt be gunning for mind-blowing sex. Sex, more precisely, the conscious enjoyment of sex, is as old as man himself. Empires have been won or lost because a guy (or two) couldnt get his rocks off or didnt get any. A U.S. President used cigars for something else aside from smoking in the White House Oval Office and was impeached. Another U.S. president is in danger of getting impeached because he supposedly paid off women to keep quiet about you guessed it, sex. Prostitution, or paying for sex, is said to be the worlds oldest profession. And people all over the world get it on in the office, the bathroom, the kitchen, the car, or the floor. But more than anything else, sex is about relationships. But heres the thing: good sex for many men isnt just about finding a warm receptacle, although it is a requirement. This is because for good sex to happen, there has to be stimulation. Sometimes, good sex happens with good chemistry, and sometimes it

happens in the context of good relationships. For many men, if the relationships arent working, then sex isnt as much fun as it should have been. But that doesnt mean that sex shouldnt be fun when it's available, whatever the status of the relationship is. This book will help ensure you can satisfy your man or any man -- every single time to make his (sex) life worthwhile! Who is this book for? It is for every female who wants to gain more knowledge about the sexual thoughts, desires, inclinations, and sexual potential of men. It is also meant for those who are currently having sex with a partner, are thinking of having sex with a partner, and even those who are just wondering what to expect if an when the time comes that they will even consider having sex with a man. I trust that the instructions and descriptions in this book will women understand the needs and wants of men and even help a couple overcome problems of performance, and even boredom. The sex voyage is

Sexual Sanity for Men - David White 2012-10-31
Written for Christian men struggling with any form of sexual brokenness, this resource helps men understand that sexual sin starts in their minds and hearts and shows them how knowing Christ breaks their chains, builds spiritual brotherhood, and helps them take practical steps to re-create their minds in a God-focused direction. The ...
Men's Sexual Health - Barry W. McCarthy 2017-10-03
Men's Sexual Health is a breakthrough book about vital

and satisfying male sexuality. It presents a new model of male and couple sexuality, which establishes positive, realistic expectations of pleasure and satisfaction, as opposed to the self-defeating traditional demand for perfect intercourse performance. Men and couples who adopt this approach will enjoy sexuality throughout the lifespan. The authors introduce the new "smart thinking," focused on an integration of mind and body, which confronts the myths and misunderstandings which limit male sexual growth. The book will help men and women understand how to pursue sexual and relational health, overcome sexual problems, with the goal of greater acceptance and satisfaction. The book advocates for positive, realistic Good-Enough Sex which will significantly enhance male and couple sexual satisfaction.
