The Hitwoman Plays Chaperone JB Lynn 2019-05-21 Maggie Lee's done a lot of questionable things that have made her question her own sanity. Chaperoning her niece's class trip is one of them. Not only must she attempt to corral a bunch of energetic kids, but at the same time she has to argue with the talking lizard in her bra, avoid a mysterious doppelganger, and chase down runaway horses! And that's just the beginning. With her relationships and alliances in flux, Maggie is uncertain of what her next steps should be. Women in Horror Films, 1940s Gregory William Mank 2015-09-15 They had more in common than just a scream, whether they faced Dracula, Frankenstein's Monster, the Mummy, Dr. Jekyll, Mr. Hyde, King Kong, the Wolf Man, or any of the other legendary Hollywood monsters. Some were even monsters themselves, such as Elsa Lanchester as the Bride, and Gloria Holden as Dracula's Daughter. And while evading the Strangler of the Swamp, former Miss America Rosemary La Planche is allowed to rescue her leading man. This book provides details about the lives and careers of 21 of these cinematic leading ladies, femmes fatales, monsters, and misfits, putting into perspective their contributions to the films and folklore of Hollywood terror—and also the sexual harassment, exploitation, and genuine danger they faced on the job. Veteran actress Virginia Christine recalls Universal burying her alive in a backlot swamp in full "mummy" makeup for the resurrection scene in *The Mummy's Curse*—and how the studio saved that scene for the last day in case she suffocated. Filled with anecdotes and recollections, many of the entries are based on original interviews, and there are numerous old photographs and movie stills.

The Hitwoman and the 7 Cops JB Lynn 2014-05-27 All reluctant hitwoman Maggie Lee really wants is to have a calm, normal life. She doesn't want to go around killing people for money. She doesn't want her sister to be terrified of her ex-pimp. She doesn't want her Dad to disappear from the Witness Protection program. But Maggie rarely gets what she wants. Instead, she finds herself trying to keep everyone out of trouble. With the help of her ragtag team of supporters: her semi-psychic friend, a handsome, charming con man, her almost-lover cop/hitman mentor, her curious Southern Belle cat, her haughty lizard, and her sweet, but dumb Doberman, Maggie does her best to stay a step ahead of Law Enforcement, while helping those she loves. But will Maggie end up being the one who needs to be saved?

The Hitwoman's Juggling Act JB Lynn 2019-05-30 You know things are out of hand in Maggie Lee's world when the least of her problems is tripping over a body. Her family has lost their home. Her friend, Armani, has lost her psychic mojo. And Maggie's in danger of losing custody of her niece. Making matters even worse is she can't refuse the latest job from her mobster boss. Not to mention she must team up with her murder mentor, Patrick Mulligan, and that's....complicated. Innocents are at risk, lives are in danger, and a family secret could change everything.

The Screen Is Red Bernard F. Dick 2016-03-14 *The Screen Is Red* portrays Hollywood's ambivalence toward the former Soviet Union before, during, and after the Cold War. In the 1930s, communism combated its alter ego, fascism, yet both threatened to undermine the capitalist system, the movie industry's foundational core value. Hollywood portrayed fascism as the greater threat and communism as an aberration embraced by young idealists unaware of its dark side. In *Ninotchka*, all a female commissar needs is a trip to Paris to convert her to capitalism and the luxuries it can offer. The scenario changed when Nazi Germany invaded the Soviet Union in 1941, making Russia a short-lived ally. The Soviets were quickly glorified in such films as *Song of Russia*, *The North Star*, *Mission to Moscow*, *Days of Glory*, and *Counter-Attack*. But once the Iron Curtain fell on Eastern Europe, the scenario changed again. America was now swarming with Soviet agents attempting to steal some crucial piece of microfilm. On screen, the atomic detonations in the Southwest produced mutations in ants, locusts, and spiders, and revived long-dead monsters from their watery tombs. The movies did not blame the atom bomb specifically but showed what horrors might result in addition to the iconic mushroom cloud. Through the lens of Hollywood, a nuclear war might leave a handful of survivors (Five), none (On the Beach, Dr. Strangelove), or cities in ruins (Fail-Safe). Today the threat is no longer the Soviet Union, but international terrorism. Author Bernard F. Dick argues, however, that the Soviet Union has not lost its appeal, as evident from the popular and critically acclaimed television series *The Americans*. More than eighty years later, the screen is still red.

The Hitwoman in a Pickle JB Lynn 2019-05-21 The klutzy contract killer must enlist the help of both her psychic friend, Armani, and her ever-growing collection of talking pets, as she desperately searches for not one, but two, missing relatives. At the same time she's trying to keep the peace in her crazy family and complete an unwanted assignment from mob boss, Delveccio, which could end with her on ice. And oh yeah, she's got a date

with a certain hot manny. Maggie and friends follow a crazy and convoluted path to try to save the day, but will an unexpected enemy get the upper hand?

The Hitwoman and the Mother Load JB Lynn 2019-05-21 You think you've got problems? Don't talk to Maggie Lee about problems. Her mother's escaped from the loony bin, and rumor has it she's robbing people for ice cream money. A mob boss is insisting she liberate his daughter from a mental hospital that Maggie's pretty sure she belongs in. And people keep trying to kill her. While Maggie deals with all that, she must also contend with her dysfunctional family; the challenges of parenting her orphaned niece; a handsome, but dangerously curious reporter; a hot manny who lives under her roof and gets under her skin; a smooth and sexy con man; and a certain murder mentor/cop redhead. And, honestly, it's getting too much to bear. Good thing she has her talking animals to confide in. But with everything that's going on, can the intrepid, yet inept, hitwoman figure out how to keep everyone she loves safe without ending up in jail or killed? Or will she just take up residence in a rubber room herself? Truth be told, she could use the break.

The Hitwoman and the Poisoned Apple JB Lynn 2014-10-07 How do you solve a murder when the victim is still alive? Maggie Lee's murder mentor (and almost lover) Patrick Mulligan wants her to find out who poisoned him before it's too late. Keeping the man she loves alive would be hard enough if all she had to worry about was not getting caught, but nothing's ever that simple. In between dealing with her strung out cat, searching for Patrick's poisoner, meeting a deadline to deliver a mysterious gift for her mobster boss and keeping a curious reporter on his toes, she finds herself entangled in the complicated (and potentially dangerous) romantic affairs of her Aunt Susan and her semi-psychic friend Armani. Hearts and lives are in peril. Can the kooky, klutzy assassin save them?

Confessions of a Slightly Neurotic Hitwoman JB Lynn 2012-01-24 Maggie Lee is not your average hitwoman. For one thing, she's never killed anyone. For another, after hitting her head in the car accident that killed her sister, her new best friend is a talking lizard—a picky eater, obsessed with Wheel of Fortune, that only Maggie can hear. Maggie, who can barely take care of herself, is desperate to help her injured and orphaned niece get the best medical care possible, so she reluctantly accepts a mobster's lucrative job offer: major cash to kill his monstrous son-in-law. Paired with Patrick Mulligan, a charming murder mentor (who happens to moonlight as a police detective), Maggie stumbles down her new career path, contending with self-doubt, three meddling aunts, a semi-psychic friend predicting her doom, and a day job she hates. Oh, and let's not forget about Paul Kowalski, the sexy beat cop who could throw her ass in jail if he finds out what she's up to. Training has never been so complicated! And, this time, Maggie has to get the job done. Because if she doesn't . . . she's the mob's next target.

The Hitwoman and the Teddy Bear JB Lynn 2021-04-30 Maggie Lee has done some really questionable things, but she's never stooped so low as to steal a child's toy. There's a first time for everything. Maggie's life is always complicated, but her tenuous balancing act becomes even more dangerous when she's given the job of stealing a teddy bear from the grandson of the mobster Delveccio. As she struggles to keep the different facets of her life separate, her family faces multiple threats to their safety, and there's a very real chance she won't be able to protect everyone she loves. Her best chance at success depends on the help of her pets...and you can bet they all have something to say about that.

Confessions of a Prairie Bitch Alison Arnglim 2011-06-14 For seven years, Alison Arnglim played a wretched, scheming, selfish, lying, manipulative brat on one of TV history's most beloved series. Though millions of Little House on the Prairie viewers hated Nellie Oleson and her evil antics, Arnglim grew to love her character—and the freedom and confidence Nellie inspired in her. In *Confessions of a Prairie Bitch*, Arnglim describes growing up in Hollywood with her eccentric parents: Thor Arnglim, a talent manager to Liberace and others, whose appetite for publicity was insatiable, and legendary voice actress Norma MacMillan, who played both Gumby and Casper the Friendly Ghost. She recalls her most cherished and often wickedly funny moments behind the scenes of Little House: Michael Landon's "unsaintly" habit of not wearing underwear; how she and Melissa Gilbert (who played her TV nemesis, Laura Ingalls) became best friends and accidentally got drunk on rum cakes at 7-Eleven; and the only time she and Katherine MacGregor (who played Nellie's mom) appeared in public in costume, provoking a posse of elementary schoolgirls to attack them. Arnglim relays all this and more with biting wit, but she also bravely recounts her life's challenges: her struggle to survive a history of traumatic abuse, depression, and paralyzing shyness; the "secret" her father kept from her for twenty years; and the devastating loss of her "Little House husband" and best friend, Steve Tracy, to AIDS, which inspired her second career in social and political activism. Arnglim describes how Nellie Oleson taught her to be bold, daring, and determined, and how she is eternally grateful to have had the biggest little bitch on the prairie to show her the way.

Autobiography Bill Robinson 2011-09-16 Autobiography of the colorful life and times of Dr. Bill Robinson, including adventures in prep school, kayaking, psychedelic explorations of inner space, five years in prison, building an experiment in instrumental transcommunication, composing exotic classical music, and getting a doctorate in plasma physics.

The Hitwoman Owes A Favor JB Lynn 2021-02-26 Maggie Lee may be an inept hitwoman, but she pays her debts. When Maggie told her friend Mia that she'd help her out of any mess she found herself in, she meant it. Of course they'd both been fifteen at the time. Maggie hasn't seen Mia in forever, until she suddenly shows up, intent on holding Maggie to her promise. Mia's husband has disappeared, taking their money with him and she desperately needs it. While Maggie has other things to worry about, namely protecting her father from whoever is trying to kill him, Mia makes it impossible for her to not reciprocate the favor. Bound by a pinky swear, Maggie tracks down Mia's soon-to-be-ex but doing so puts her at odds with the guys who have her back: Patrick, Zeke and Gino. If Maggie's not careful, her long-ago promise could have deadly consequences...especially since her psychic friend has predicted she's going to die.

One Woman's Junk JB Lynn 2019-08-22 Letty wanted her ashes scattered under a full moon at the beach, but she couldn't have known about the lightning strike....or did she? When their beloved godmother dies suddenly, the Concordia sisters converge on the beach town of Sarasota, Florida to mourn the passing of the woman who raised them. While there, they must scatter her ashes as instructed and decide what to do with her consignment shop, One Woman's Junk. Navigating her relationships with her older sisters is hard enough for Beatrice, but after they're all struck by lightning, things get more complicated in the land of sun and sand. With the power of a newly inherited crystal ring, Bea is suddenly assailed by psychic visions when she touches certain objects. When her godmother is posthumously accused of having stolen a designer purse (which Bea knows darn well is a knock-off - thank you very much), Bea becomes obsessed with proving her innocence. Contending with a physical injury, challenging family dynamics, and business headaches, Bea struggles to harness and understand her visions. With the help of an unusual new "friend" and the sexy carpenter next door, she's determined to clear Letty's good name. But doing so may be a bad decision. One that could cost her not only her relationship with her sisters...but her life.

The Hitwoman and the Exorcism JB Lynn 2020-05-28 Maggie Lee will do anything to protect her family...including participating in an exorcism. When her niece is threatened by an evil spirit, Maggie and her menagerie (with the help of friends Armani and RV) must find a missing skull and rob a graveyard. As if that isn't enough, they must also go on a quest to collect a list of magical ingredients (including pumpkin spice coffee, because everyone knows that's some magical stuff right there). God is being snarkier than usual, as Maggie also contends with the demands of a mob boss, the fallout of a killing, and an offer of a job that could be her most dangerous yet. Will she figure out a way to exorcise the evil spirit to save her beloved niece Katie or will the cursed cloud Maggie's always lived under finally get the best of her?

The Hitwoman Plays Courier JB Lynn 2021-12-16 No good deed goes unpunished. When Maggie Lee helps an old man who's fallen, she ends up working as a courier for his well-to-do son. Proud of herself for landing a legitimate job that doesn't involve a windowless office, Maggie ignores red flags and the concerns of God that all may not be what it seems. She's too busy traversing the landmines of literacy involving a certain mobster's grandson and juggling the two men who both want more from their relationships with her. Maggie's already stressed out when things go wrong, really wrong, with a delivery. A man's dead and the police know about her involvement with him. With the help of her pets and the two men vying for her affections, Maggie must figure out what the heck is going on...or God may be lost forever.

The Hitwoman Pays a Debt JB Lynn 2021-10-28 Maggie Lee is a woman who pays her debts and now she's running herself ragged. When the

mysterious Ms. Whitehat asks her to work at a dentist's office to gain access to a safe, Maggie can't say no. She probably should have turned down her murder mentor, Patrick Mulligan, when he wants her to tail a suspicious cop, but she owes him. And she also couldn't refuse to help US Marshal Griswald when he requests her assistance to solve one last case before he retires. Speaking of his retirement, Aunt Susan is planning the party of the century for him and she expects Maggie to bring a date. But making it to the party on time may prove difficult since repaying her debts has resulted in Maggie doing a dangerous dance with a killer.

Another Woman's Treasure JB Lynn 2020-03-27 The psychic powers of the Concordia sisters are increasing, but so is the body count... (You'd think this was Cabot Cove or Midsomer instead of Sarasota, FL.) Amanda and her sisters are on the hunt for a treasure buried by their godmother, Letty. A moody ghost, their quirky fellow shop owners, and an overworked police detective all play a part in them unraveling the mysteries of Letty's life and untimely death. But can Amanda keep her family safe as they barrel, like a bull in a consignment shop, toward a showdown with the person responsible for Letty's murder?

The Hitwoman's Downward Dog JB Lynn So many men....so little help. Maladroit hitwoman Maggie Lee has never been one to ask for help. But now she's found out that her niece, Katie, will soon be discharged from the hospital - making Maggie her guardian not just in name - and her semi-psychic friend Armani Vasquez has been kidnapped. Suddenly Maggie could really use some help. While her crazy, but lovable, aunts are ready to help out with Katie, none of the men in her life are willing (or able) to lend a hand to save Armani. With both cops and bad guys telling her not to go after Armani alone, she knows the smart thing to do would be to listen to them. But Maggie's not the type to abandon those she loves. Even with Patrick, Maggie's murder-mentor and almost-lover, and her old friend Zeke out of the picture, Maggie's not desperate enough to bring herself to involve crime reporter Jack Stern in her quest. Armed with only Armani's cryptic clues, and assisted by her snarky lizard, her dumb, but extremely loyal dog, and a one-eyed cat, Maggie decides to take on whoever's taken Armani. Will the lack of human help prove to be her undoing? Or will a special guy come through for her in the end?

Outlaw Masters of Japanese Film Chris Desjardins 2005 "Outlaw Masters of Japanese Film" offers an extraordinary close-up of the hitherto overlooked golden age of Japanese cult, action and exploitation cinema from the early 1950s through to the late 1970s, and up to the present day. Having unique access to the top maverick filmmakers and Japanese genre film icons, Chris D. brings together interviews with, and original writings on, the lives and films of such transgressive directors as Kinji Fukasaku ("Battles Without Honour and Humanity"), Seijun Suzuki ("Branded to Kill") and Koji Wakamatsu ("Ecstasy of the Ange.")

The Seven Minutes Irving Wallace 2020-11-06 In the stillness of the courtroom a bookseller stands accused of selling a book. Is it a work of sensitive genius or an execrable volume of pornography? Could it have driven a respectable college boy to commit brutal rape? And who is the author of the novel at the vortex of a storm of sensation and controversy? Michael Barret has been asked by a friend to join him in a small law partnership, but has also been offered a huge salary to go into big business. He's certain of his choice, till he is given a chance to be involved with a major case involved with protecting free speech. The case is about the explicit book "The Seven Minutes", which some people consider pornography, while others, Barret included, feel is impressive literature. The main focus of the prosecution's case is a teenager who bought the book, and was soon after arrested for rape. According to the prosecution, the book insinuated the boy to do what he did, so it must be banned. The novel follows the course of the trial, as both Barret and the prosecutor search for reputable witnesses to prove their side.

The Hitwoman Goes to Prison JB Lynn 2019-12-27 Family is everything. That's the motto Maggie Lee lives by. She's proven that she'll do anything (even become an assassin...albeit an inept one, as God likes to remind her) to take care of those she loves. Even when they drive her crazy. But as Maggie attempts to reunite a young boy with his mother, her own family is in danger of falling apart. The human members are facing a heartbreaking loss, the animals are mutinying against one of their own, and a missing skull is causing trouble for everyone. Maggie may be able to save an innocent's life, but can she save her family?

The Hitwoman Takes a Road Trip JB Lynn 2019-05-21 Some people just can't outrun trouble. But pretty soon an old friend, a pesky relative, and even her pet, are asking for her help. Loyal to a fault, Maggie soon finds herself tangled in a dangerous theft involving a crime family; confronting the abusive previous owner of her cat, Piss; and dealing with family revelations that rock her world. With the assistance of psychic predictions, talking animals and unexpected allies, Maggie takes on her troubles head-on. But if she's not careful, this "vacation" could literally be the death of her.

The Hitwoman Hires a Manny JB Lynn 2019-05-21 Inept hitwoman Maggie Lee has a lot to juggle. She's about to start a new job, her niece, Katie, who she is responsible for, is finally coming home from the hospital, and her ever "helpful" aunt has hired someone to help with her care. Fresh out of the Navy, Angel Delveccio is not anyone's idea of a typical nanny. Which is convenient, considering Maggie's life is anything but typical. With the help of her snarky lizard, moody cat, and goofy dog, Maggie tries to solve the cold case of her sister's disappearance, while contending with the present day threat of a violent ex-con, all while playing instant "mom" and trying to ease Katie's transition into her new home. Can Maggie juggle it all? Or will all of these distractions prove to be deadly?

The Hitwoman's Act of Contrition JB Lynn Imagine a high-strung, comfort loving hitwoman at a rustic spiritual retreat. Things are finally looking up for Maggie Lee. Her almost-lover Patrick is taking steps (albeit deadly ones) to insure they'll have a future together, her niece Katie is about to be released from the hospital, her sister Marlene has stopped turning tricks and started tossing pizzas, and Maggie has a chance to land a new (legal) job. If only God would stop hounding her to apologize to her mother, Maggie would be pretty close to content with her life. When Maggie agrees to take out a new target, using a spiritual retreat as her cover story, she ends up with a spoon (long story), an odd, selectively mute roommate, and a chance to save a life. As Maggie struggles to balance all the important people in her life and deliver on the deadly contract, she begins to believe that God may be right about the act of contrition he's demanded...but will she live long enough to do it?

Broken Harbour Tana French 2012-07-02 'One of the most talented crime writers alive' Washington Post 'I've been enthusiastically telling everyone who will listen to read Tana French' Harlan Coben, author of Safe Sometimes there is no safe place. Nothing about the way this family lived shows why they deserved to die. But here's the thing about murder: ninety-nine times out of a hundred, it doesn't break into people's lives. It gets there because they open the door and invite it in... In Broken Harbour, a ghost estate outside Dublin - half-built, half-inhabited, half-abandoned - two children and their father are dead. The mother is on her way to intensive care. Scorcher Kennedy is given the case because he is the Murder squad's star detective. At first he and his rookie partner, Richie, think this is a simple one: Pat Spain was a casualty of the recession, so he killed his children, tried to kill his wife Jenny, and finished off with himself. But there are too many inexplicable details and the evidence is pointing in two directions at once. Scorcher's personal life is tugging for his attention. Seeing the case on the news has sent his sister Dina off the rails again, and she's resurrecting something that Scorcher thought he had tightly under control: what happened to their family, one summer at Broken Harbour, back when they were children. The neat compartments of his life are breaking down, and the sudden tangle of work and family is putting both at risk . . .

But investigating the trouble in her friend's world isn't Maggie's only problem. Someone shoots her avian pal, Mike, and Maggie is determined to find out whom. Neither task is easy, but Maggie's difficulties are intensified by trying to keep her unruly household running in the absence of Aunt Susan, who seems to have dropped off the planet. And oh yeah, Maggie's ne'er-do-well dad has returned to town. Can Maggie successfully juggle her investigations, cops, bad guys, a reporter, her menagerie and her crazy family? Or will it all be too much for her?

The Hitwoman and the Body JB Lynn 2021-08-27 When mob boss Delveccio is framed for murder, it's up to everyone's favorite hitwoman to prove he didn't do it. Things are going to get messy...even by Maggie's standards.

The Hitwoman and the Chubby Cherub JB Lynn 2019-05-21 Love and Murder are in the air. In years past, Maggie Lee has not been a fan of Valentine's Day, but this year, the holiday has warped into its own special hell. She's stuck working at her aunt's lingerie shop during the busiest (and cheesiest) time of the year, someone volunteered her to help with the Valentine's Day party at her niece's school, and there's a hitman in town, known as the Cupid Killer. Maggie is up to her eyeballs in declarations of love, sex toys, and candy hearts, when all she really wants is to chase down leads pertaining to her missing sister. Can Maggie survive a guy with a bow and arrow, the pain in the butt parents of school kids, and a romantic proposal? Or will she succumb to her favorite fantasy? The one where she runs away with her pets.

The Hitwoman and the Neurotic Witness JB Lynn 2019-05-21 When her apartment building is blown to smithereens, bumbling hitwoman Maggie Lee is forced to move back into the Bed & Breakfast she grew up in. Living with her three meddling aunts is bad enough, but it just so happens that the B&B is also occupied by a U.S. Marshal, an FBI agent, her old friend Zeke who's on a mysterious mission, and a woman who claims she can see dead people. These aren't the kinds of roomies Maggie wants to spend time with, considering that in order to pay for her niece's medical care she supplements her income by killing people. Maggie avoids arrest and deals with a crazier-than-usual home life while trying to track down exactly who is blowing up the holdings of various crime families. To make matters worse, she's walking a precarious tightrope between keeping her mobster bosses happy and protecting her murder mentor (and almost lover) Patrick Mulligan. Aided by the warped predictions of her semi-psychic friend, her sarcastic, demanding, talking lizard and an always ravenous, dyslexic Doberman, Maggie juggles keeping secrets, unraveling riddles and protecting those she loves. Can she do it all? Or will she suffer yet another unspeakable loss?

The Hitwoman Plays Games JB Lynn 2020-08-31 Life's not all fun and games... Hitwoman Maggie Lee has faced off against some bad people in the past, but nothing she has ever faced before has prepared her for her new assignment. Nothing. What could be worse than working at a kid's game center? Flashing lights, beeping machines, screaming kids on a sugar high, and the world's biggest claw machine may be the combination that finally pushes Maggie over the edge, as she tries to hold down a legit job as a cover for her first PI case. Not that her downtime offers any respite. While she's "off" she has to deal with family drama, dangerous dancers, a weird job assignment from the mob boss, and a VERY high stakes poker game. Thankfully she's got her animals to confide in, a bodyguard who's looking out for her and a certain police detective on her side. Maggie's got to deal with the hand she's been dealt...but there's no guarantee she'll come out the winner.
