

The Punch Of Sex And Marriage

How to Avoid a Tko in Marriage - Paulette Steppes 2010-04-24

Marriages are in a constant state of defeat unlike any other time in history. Every marital bout imaginable is breaking out in homes all across America and other parts of the world. Whats happening to the state of the family? Whats happening to Gods greatest institution for man? How can we save marriages from this devastating blow of divorce and defeat? Are you tired of getting punched and knocked around in the ring of your marriage covenant? Have you declared victory that youll not get knocked out of the ring?

The Great Sex Rescue - Sheila Wray Gregoire 2021-03-02

What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

There are Only Two Times in Life Now & Too Late! - Terry Hawkins 2006

There are only two times in life *¿ NOW & TOO LATE!* is a dynamic self-help/motivational book aimed at helping people realise that each day we have on this planet should be seized. If you have the desire to change some part of your life, or your whole life, but just don't know where to start or worse, how to start, Terry Hawkins has the answer. In this book, you will learn why your past can't hurt you, how you can move forward with the right attitude, learn why perception is projection, learn how to live out of the pit that people so often find themselves in, and learn how to create or delete any behaviour that works or doesn't work for you. The brilliance of her simplistic message has people spellbound while they discover their way into a life destined for fulfilment, achievement and clarity.

Perspectives for the Unification and Harmonisation of Family Law in Europe - Katharina Boele-Woelki 2003

Is the unification and harmonisation of (international) family law in Europe necessary? Is it feasible, desirable and possible? Reading the different contributions to this book may certainly inspire those who would like to find the right answers to these questions.

Enter the Ring - D. A. Horton 2018-01-02

Enter the Ring takes a fresh, powerful, vulnerable approach to marriage by framing it as the fight that it is. The world uses different assaults and tactics to distract us, tempting us to walk away, in order to destroy our marriages. But there is hope: The constant forgiveness, grace, and intervention of God can preserve and protect us from not only the world but also ourselves. D. A. and Elicia Horton explore the tension of two people becoming one and how spouses often fight over which "one of us" they become. They unpack topics such as Seasons of suffering Communication Sexual and physical intimacy The spiritual life of the home Money This book approaches the traditional topics of a marriage book with the brutal and life-giving honesty of two millennials who have fought together for their marriage. All topics are addressed through the vulnerable lens of the authors' own struggles and mistakes. This is a no-holds-barred, real-world . . . marriage book.

How to be Happy Though Married - Old House Books 2013-10-20

The bounteous pleasures of married life have been endured by stoical, ingenious men and women for millennia. 'How to be Happy Though Married' is a compendium of their hard-won wisdom, offering advice for any conceivable conjugal conundrum, from the potential of a wife to wander (you might consider stealing her shoes, a la the Ancient Greeks) to the avoidance of a drunk husband's amorous advances. Why suffer or rejoice alone when this book revealing the advice, observations and witty rejoinders of Jane Austen, Plutarch, Shakespeare, Trollope and Einstein

could be your constant companion?

Dickens and the Rise of Divorce - Kelly Hager 2016-04-08

Questioning a literary history that, since Ian Watt's *Rise of the Novel*, has privileged the courtship plot, Kelly Hager proposes an equally powerful but overlooked narrative focusing on the failed marriage. Hager maps the legal history of marriage and divorce, providing crucial background as she reveals the prevalence of the failed-marriage plot in eighteenth- and nineteenth-century British novels. Dickens's novels emerge as representative case studies in their preoccupations with the disintegration of marriage, the far-reaching and disastrous effects of the doctrine of coverture, and the comic, spectacular, and monstrous possibilities afforded by the failed-marriage plot. Setting his narratives alongside the writings of liberal reformers like John Stuart Mill and the seemingly conservative agendas of Caroline Norton, Eliza Lynn Linton, and Sarah Stickney Ellis, Hager also offers a more contextualized account of the competing strands of the Woman Question. In the course of her revisionist readings of Dickens's novels, Hager uncovers a Dickens who is neither the conservative agent of the patriarchy nor a novelistic Jeremy Bentham, and reveals that tipping the marriage plot on its head forces us to adjust our understanding of the complexities of Victorian proto-feminism.

Yes Yes Yes - Shirleene Robinson 2018-11-01

A compelling, moving account of the long journey to marriage equality in Australia. *Yes Yes Yes*, written by two advocates intimately involved in the struggle for marriage equality, reveals the untold story of how a grassroots movement won hearts and minds and transformed a country. From its tentative origins in 2004, through to a groundswell of public support, everyday people contributed so much to see marriage equality become law. The book captures the passion that propelled the movement forward, weaving together stories of heartbreak, hope and triumph. It is based on personal memories and more than forty interviews with key figures and everyday advocates from across Australia. It covers the movement's origins in 2004, when the Marriage Act of 1961 was amended to exclude same-sex couples, through to the unsuccessful High Court challenge, a public vote in 2017 and the Parliamentary aftermath. It reminds us that social change is possible and that love is love. 'A wonderful record of a huge and heart-warming moment in Australia's history.'— Magda Szubanski 'Winning the freedom to marry and changing hearts and minds — and the law — is never easy, even in a progressive democracy like Australia. By sharing the ins and outs and behind the scene stories from Australia's long and dramatic journey to marriage equality, Alex Greenwich and Shirleene Robinson offer valuable inspiration and instruction to all those heroes working tirelessly across the world to gain much-needed human rights wins and turn NOs into overwhelming and vitally important declarations of YES YES YES in support of equality!'— Evan Wolfson, Founder, Freedom to Marry, USA
The Gender of Sexuality - Virginia Rutter 2012

Christianity and Controversies over Homosexuality in

Contemporary Africa - Ezra Chitando 2016-05-12

Issues of homosexuality are the subject of public and political controversy in many African societies today. Frequently, these controversies receive widespread attention both locally and globally, such as with the Anti-Homosexuality Bill in Uganda. In the international media, these cases tend to be presented as revealing a deeply-rooted homophobia in Africa fuelled by religious and cultural traditions. But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them. Complementing the companion volume, *Public Religion and the Politics of Homosexuality in Africa*, this book investigates Christian politics and discourses on homosexuality in sub-Saharan Africa. The contributors present case studies from various African countries, from Nigeria to South Africa and from Cameroon to Uganda, focusing on Pentecostal, Catholic and mainline Protestant churches. They critically examine popular Christian theologies that perpetuate homophobia and discrimination, but they also discuss contestations of such discourses and emerging alternative Christian perspectives that contribute to the recognition of sexual diversity, social justice and human rights in

contemporary Africa.

Social Democracy and the Crisis of Equality - Carol Johnson
2019-02-20

This book analyses social democratic parties' attempts to tackle inequality in increasingly challenging times. It provides a distinctive contribution to the literature on the so-called 'crisis' of social democracy by exploring the role of equality policy in this crisis. While the main focus is on analysing Australian Labor governments, examples are also given from a wide range of parties internationally. The book traces how a traditional focus on class has expanded to include other forms of inequality, including issues of gender, race, ethnicity and sexuality and explores both the intersections and potential tensions that result. Meanwhile there are new challenges for equality policy arising from a changing geo-economics (the rise of Asia), the legacies of neoliberalism and the impact of technological disruption.

Marriage: Made or Lost - Victor Ola. Kayode

A Marital companion and compass to understand the direction, intricacies and mysteries of marriage in a simple form before and after decision making to venture and in order to be prepared for and finally enjoy the union.

Accidental Activists - David Collins 2017-08-15

In early 2013 same-sex marriage was legal in only ten states and the District of Columbia. That year the Supreme Court's decision in *United States v. Windsor* appeared to open the door to marriage equality. In Texas, Mark Phariss and Vic Holmes, together for sixteen years and deeply in love, wondered why no one had stepped across the threshold to challenge their state's 2005 constitutional amendment prohibiting same-sex marriage. They agreed to join a lawsuit being put together by Akin Gump Strauss Hauer & Feld LLD. Two years later—after tense battles in the Federal District Court for the Western District of Texas and in the Fifth Circuit Court of Appeals, after sitting through oral arguments at the Supreme Court of the United States in *Obergefell v. Hodges*—they won the right to marry deep in the heart of Texas. But the road they traveled was never easy. *Accidental Activists* is the deeply moving story of two men who struggled to achieve the dignity of which Justice Anthony Kennedy spoke in a series of Supreme Court decisions that recognized the "personhood," the essential humanity of gays and lesbians. Author David Collins tells Mark and Vic's story in the context of legal and social history and explains the complex legal issues and developments surrounding same-sex marriage in layman's terms.

The Politics of Same-Sex Marriage - Craig A. Rimmerman 2007-10
Publisher description

Stand Up and Heartbreak - Arlene Schindler 2019-05-18

Stand Up & Heartbreak is a narrative non-fiction glimpse into the life of a budding stand-up comic who unknowingly marries a sex addict, and they both stop performing. Set in NYC in 1981, from comedy cellars to

dive bars to Park Avenue high-rises, a female comic from Brooklyn meets the man of her dreams, not knowing his addictions and double life. With big hair and a satin jumpsuit, she confronts sexism, manages hecklers, says "next" to bad sex and endures a marriage gone awry, finally emerging with the punch line. *Stand Up & Heartbreak* spotlights being a comic at the wrong time in a world where timing is everything.

Same-Sex Marriage and the Constitution - Evan Gerstmann
2017-06-26

A clearly written and accessible explanation of the Supreme Court's same-sex marriage decision, its reasoning, and the consequences and controversies surrounding it.

Should You Marry Him? - Abby Rodman, LICSW 2013-12

Have you ever wondered why nearly 50 percent of women marry the wrong guy and then divorce him—or whether your Mr. Right might be your Mr. Maybe? A quick, feisty read, *Should You Marry Him? A No-Nonsense, Therapist-Tested Guide to Not Screwing Up the Biggest Decision of Your Life*, gives you the skinny on the ten most common red flags women overlook before tying the knot. Written by a licensed psychotherapist who has worked with hundreds of married and divorcing couples, *Should You Marry Him?* packs the perfectly blended punch of professional advice and straightforward girl-talk. Whether you're currently on the verge of marrying or it's just part of your life's grand plan, *Should You Marry Him?* will change the way you look at choosing your forever mate. Love is grand—and great sex is great—but they're just not enough for the long haul. Don't screw up the biggest decision of your life. Read *Should You Marry Him?* now, or forever hold your peace!

The Oxford Handbook of New Testament, Gender, and Sexuality - Benjamin H. Dunning 2019-10-14

Over several decades, scholarship in New Testament and early Christianity has drawn attention both to the ways in which ancient Mediterranean conceptions of embodiment, sexual difference, and desire were fundamentally different from modern ones and also to important lines of genealogical connection between the past and the present. The result is that the study of "gender" and "sexuality" in early Christianity has become an increasingly complex undertaking. This is a complexity produced not only by the intricacies of conflicting historical data, but also by historicizing approaches that query the very terms of analysis whereby we inquire into these questions in the first place. Yet at the same time, recent work on these topics has produced a rich and nuanced body of scholarly literature that has contributed substantially to our understanding of early Christian history and also proved relevant to ongoing theological and social debates. *The Oxford Handbook of Gender and Sexuality in the New Testament* provides a roadmap to this lively scholarly landscape, introducing both students and other scholars to the relevant problems, debates, and issues. Leading scholars in the field offer original contributions by way of synthesis, critical interrogation, and proposals for future questions, hypotheses, and research trajectories.

Sticking Up for What Is Right - Gwendolyn Mitchell Diaz 2008-12

Accessible to both parents and teens, *"Sticking Up for What Is Right"* answers common questions that teens ask about moral issues. It presents biblical truths in a simple, honest, and sometimes humorous way.
