Whoever can come up with the worst date—something the other will seriously hate, proving how incompatible they truly are—wins. Like taking a snake-phobe to the Reptile House at the zoo (his idea). Or a cooking class where they don't even get to eat the food (her idea). It's all about the competition, and it's meant to help them finally crush their crushes. But it wasn't supposed to be so hot. Or so fun. And when Mai's future becomes at stake, will she be able to do the right thing and quit Anthony forever?

The Crush Sandra Brown 2013-08-27 After she unwittingly frees a dangerous contract killer, a surgeon reluctantly joins forces with a tenacious detective obsessed with taking down their enemy at all costs. As a surgeon, Dr. Rennie Newton is the consummate professional. When she's summoned to jury duty, she brings competence and composure to the courtroom -- a skill she learned while performing surgeries. It is this commitment to precision that compels her to deliver a not guilty verdict in the murder case against notorious contract killer Ricky Lozada. It will be the most regrettable decision of her life. When a rival colleague is brutally slain, Lozada's menacing shadow looms over the murder, but the investigators pinpoint Rennie as the prime suspect. Soon, the police begin violating the privacy she has cultivated and protected at all costs. And when Lozada begins an earnest courtship, it becomes terrifyingly clear that he is obsessed with having her. Wick Threadgill is a detective on indefinite leave from the Fort Worth PD with a very personal agenda for the contract killer. Temperamental, bitter, and driven by loyalty and love, Wick is determined to destroy Lozada. In order to defeat him -- and save their own lives -- Rennie and Wick form an uneasy alliance. Mistrustful of each other, they know only one thing with absolute certainty: like one of Lozada's prize scorpions, they won't see it coming when this killer strikes. The Crush will take you on a tortuous path through a twisted sociopath's eerie obsession, a haunted man's fragile hopes for redemption, and a woman's heart as she struggles to face her greatest fear: to open herself to love.

If my new nonprofit endeavor stands a chance of seeing the light of day, I need to keep my father happy, and that means taking this reporter gig over my high school's winter break. It shouldn't be all that hard. Make nice with the arrogant athlete, ask a few questions...get in, get answers, get out. That might've been the plan except that our first meeting was a tad...epic. It might have involved a kiss. And tears. And a little matter of mistaken identity. No big whoop. Nothing I can't handle, it's just...this interview would be so much easier to ace if my questions didn't keep ending in kisses.
